**Cape May** Chip Cheek. 2019-04-30 "Inside this mesmerizing tale of sexual desire and discovery, naive newlyweds Henry and Effie are honeymooning in Cape May, N.J., in 1957, tentatively navigating intimacy. Then they meet Clara and Max, hard-partying lovers who dazzle the innocent pair until they've lost more than their virginity. Cheek's sensual first novel leaves you wanting more." - PEOPLE Henry and Effie's honeymoon is meant to be their introduction to the pleasures of the body, but in the company of Clara and her promiscuous cohort they lose all track of boundaries. A dozy, luxurious sense of enchantment comes over the story, until the rude awakening at its finale.... Cape May does something better than critique or satirize: It seduces. - The Wall Street Journal Cape May is a raw, provocative portrayal of a young 1950s couple on the cusp of a sexual awakening, and the temptations that upturn their honeymoon and reshape their marriage. In this erotic and intimate debut novel, a naïve southern couple is exposed to a group of raucous, debauched urbanites. Arriving for their honeymoon in Cape May, New Jersey, during the off season, Henry and Effie are startled to find the beach town deserted. The abandoned homes and desolate beaches make them shy of each other, and, isolated in their new marriage, they decide to cut their trip short. But before they leave, they encounter their glamorous, sensual neighbors and become swept up by their drama. Clara, a beautiful socialite who feels her youth slipping away; Max, a wealthy playboy and Clara's lover; and Alma, Max's aloof, mysterious, and evocative half-sister, to whom Henry is irresistibly drawn. Slowly, agonizingly, these deeply-flawed, profoundly human characters pull Henry and

Effie out of themselves and expose them to a side of desire they never expected. While they discover new truths in each other and in their marriage, the empty beach town becomes their playground. And as they sneak into the vacant summer homes, go sailing, walk naked under the stars, make love, and drink an enormous amount of gin, Henry and Effie slip from innocence into betrayal, with irrevocable consequences. Seductive and moving, this is a novel about marriage, love, raw sexuality, and the ways in which desire and betrayal can reverberate endlessly throughout our lives.

### **Women Writers of the American West, 1833-1927** Nina

Baym.2011-03-01 *Women Writers of the American West, 1833-1927* recovers the names and works of hundreds of women who wrote about the American West during the nineteenth and early twentieth centuries, some of them long forgotten and others better known novelists, poets, memoirists, and historians such as Willa Cather and Mary Austin Holley. Nina Baym mined literary and cultural histories, anthologies, scholarly essays, catalogs, advertisements, and online resources to debunk critical assumptions that women did not publish about the West as much as they did about other regions. Elucidating a substantial body of nearly 650 books of all kinds by more than 300 writers, Baym reveals how the authors showed women making lives for themselves in the West, how they represented the diverse region, and how they represented themselves. Baym accounts for a wide

range of genres and geographies, affirming that the literature of the West was always more than cowboy tales and dime novels. Nor did the West consist of a single landscape, as women living in the expanses of Texas saw a different world from that seen by women in gold rush California. Although many women writers of the American West accepted domestic agendas crucial to the development of families, farms, and businesses, they also found ways to be forceful agents of change, whether by taking on political positions, deriding male arrogance, or, as their voluminous published works show, speaking out when they were expected to be silent.

Dislocating Race and Nation Robert S. Levine.2009-06-01

American literary nationalism is traditionally understood as a cohesive literary tradition developed in the newly independent United States that emphasized the unique features of America and consciously differentiated American literature from British literature. Robert S. Levine challenges this assessment by exploring the conflicted, multiracial, and contingent dimensions present in the works of late eighteenth- and nineteenth-century American and African American writers. Conflict and uncertainty, not consensus, Levine argues, helped define American literary nationalism during this period. Levine emphasizes the centrality of both inter- and intra-American conflict in his analysis of four illuminating episodes of literary responses to questions of U.S. racial nationalism and imperialism. He examines Charles Brockden Brown and the Louisiana Purchase; David Walker and the debates on the Missouri Compromise; Nathaniel Hawthorne, Herman Melville, and Hannah Crafts and the blood-based literary nationalism and expansionism of the mid-nineteenth century; and Frederick Douglass and his approximately forty-year interest in Haiti. Levine offers critiques of recent developments in whiteness and imperialism studies, arguing that a renewed attention to the place of contingency in American literary history helps us to better understand and learn from writers trying to make sense of

their own historical moments.

**Feminism and American Literary History** Nina Baym. 1992 For

more than a decade Nina Baym has pioneered in the reexamination of American literature. She has led the way in questioning assumptions about American literary history, in critiquing the standard canon of works we read and teach, and in rediscovering lost texts by American women writers. *Feminism and American Literary History* collects fourteen of her most important essays published since 1980, which, combining feminist perspectives with original archival research, significantly revise standard American literary history. In Part I, *Rewriting Old American Literary History*, the focus is on male writers. Essays range from close readings of individual works to ambitious critiques of the main paradigms by which scholars have conventionally linked disparate texts and authors in a narrative of nationalist literary history: the self-in-the-wilderness myth, the romance-novel distinction, the myth of New England origins. Part

II, *Writing New American Literary History*, studies examples of women's writing from the Revolution through the Civil War. Stressing much overtly public and political writing that has been overlooked even by feminist scholars, noting public and political themes in supposedly domestic works, the essays substantially modify and historicize the paradigm by which premodern American women's writing is currently understood. The contentious and influential essays in Part III, *Two Feminist Polemics*, address feminist literary theory and pedagogy, advocating a pluralist practice as the basis for scholarship, criticism, and humane feminism. No one interested in American literature or in women's writing can afford to ignore Baym's revisionist work. Humorous and gracefully written, this book is enjoyable and indispensable.

**When the Light of the World Was Subdued, Our Songs Came Through** Leanne Howe. 2020-08-25 Selected as one of Oprah Winfrey's Books That Help Me Through United States Poet Laureate Joy Harjo gathers the work of more than 160 poets, representing nearly 100 indigenous nations, into the first historically comprehensive Native poetry anthology. This landmark anthology celebrates the indigenous peoples of North America, the first poets of this country, whose literary traditions stretch back centuries. Opening with a blessing from Pulitzer Prize-winner N. Scott Momaday, the book contains powerful introductions from contributing editors who represent the five geographically organized sections. Each section begins with a poem from traditional oral literatures and closes with emerging poets, ranging from Eleazar, a seventeenth-century Native student at Harvard, to Jake Skeets, a young Diné poet born in 1991, and including renowned writers such as Luci Tapahonso, Natalie Diaz, Layli Long Soldier, and Ray Young Bear. When the Light of the World Was Subdued, Our Songs Came Through offers the extraordinary sweep of Native literature, without which no study of American poetry is complete.
