

Every Young Woman Battle

Lifting as We Climb Evette Dionne.2020-04-21 For African American women, the fight for the right to vote was only one battle. This Coretta Scott King Author Honor book tells the important, overlooked story of black women as a force in the suffrage movement--when fellow suffragists did not accept them as equal partners in the struggle. Susan B. Anthony. Elizabeth Cady Stanton. Alice Paul. The Women's Rights Convention at Seneca Falls. The 1913 Women's March in D.C. When the epic story of the suffrage movement in the United States is told, the most familiar leaders, speakers at meetings, and participants in marches written about or pictured are generally white. That's not the real story. Women of color, especially African American women, were fighting for their right to vote and to be treated as full, equal citizens of the United States. Their battlefield wasn't just about gender. African American women had to deal with white abolitionist-suffragists who drew the line at sharing power with their black sisters. They had to overcome deep, exclusionary racial prejudices that were rife in the American suffrage movement. And they had to maintain their dignity--and safety--in a society that tried to keep them in its bottom ranks. *Lifting as We Climb* is the empowering story of African American women who refused to accept all this. Women in black church groups, black female sororities, black women's improvement societies and social clubs. Women who formed their own black suffrage associations when white-dominated national suffrage groups rejected them. Women like Mary Church Terrell, a founder of the National Association of Colored Women and of the NAACP; or educator-activist Anna Julia Cooper who championed women getting the vote and a college education; or the crusading journalist Ida B. Wells, a leader in both the suffrage and anti-lynching movements. Author Evette Dionne, a feminist culture writer and the editor-in-chief of Bitch Media, has uncovered an extraordinary and underrepresented history of black women. In her powerful book, she draws an important historical line from abolition to suffrage to civil rights to contemporary young activists--filling in the blanks of the American suffrage story. Dionne provides a detailed and comprehensive look at the overlooked roles African American women played in the efforts to end slavery and then to secure the right to vote for women. --Kirkus Reviews, starred review

Fighting for Space Amy Shira Teitel.2020-02-18 Spaceflight historian Amy Shira Teitel tells the riveting story of the female pilots who each dreamed of being the first American woman in space. When the space age dawned in the late 1950s, Jackie Cochran held more propeller and jet flying records than any pilot of the twentieth century—man or woman. She had led the Women's Auxiliary Service Pilots during the Second World War, was the first woman to break the sound barrier, ran her own luxury cosmetics company, and counted multiple presidents among her personal friends. She was more qualified than any woman in the world to make the leap from atmosphere to orbit. Yet it was Jerrie Cobb, twenty-five years Jackie's junior and a record-holding pilot in her own right, who finagled her way into taking the same medical tests as the Mercury astronauts. The prospect of flying in space quickly became her obsession. While the American and international media spun the shocking story of a woman astronaut program, Jackie and Jerrie struggled to gain control of the narrative, each hoping to turn the rumored program into their own ideal reality—an issue that ultimately went all the way to Congress. This dual biography of audacious trailblazers Jackie Cochran and Jerrie Cobb presents these fascinating and fearless women in all their glory and grit, using their stories as guides through the shifting social, political, and technical landscape of the time.

Our Bodies, Their Battlefields Christina Lamb.2020-09-22 From Christina Lamb, the coauthor of the bestselling *I Am Malala* and an award-winning journalist—an essential, groundbreaking examination of how women experience war. In *Our Bodies, Their Battlefields*, longtime intrepid war correspondent Christina Lamb makes us witness to the lives of women in wartime. An award-winning war correspondent for twenty-five years (she’s never had a female editor) Lamb reports two wars—the “bang-bang” war and the story of how the people behind the lines live and survive. At the same time, since men usually act as the fighters, women are rarely interviewed about their experience of wartime, other than as grieving widows and mothers, though their experience is markedly different from that of the men involved in battle. Lamb chronicles extraordinary tragedy and challenges in the lives of women in wartime. And none is more devastating than the increase of the use of rape as a weapon of war. Visiting warzones including the Congo, Rwanda, Nigeria, Bosnia, and Iraq, and spending time with the Rohingya fleeing Myanmar, she records the harrowing stories of survivors, from Yazidi girls kept as sex slaves by ISIS fighters and the beekeeper risking his life to rescue them; to the thousands of schoolgirls abducted across northern Nigeria by Boko Haram, to the Congolese gynecologist who stitches up more rape victims than anyone on earth. Told as a journey, and structured by country, *Our Bodies, Their Battlefields* gives these women voice. We have made significant progress in international women’s rights, but across the world women are victimized by wartime atrocities that are rarely recorded, much less punished. The first ever prosecution for war rape was in 1997 and there have been remarkably few convictions since, as if rape doesn’t matter in the reckoning of war, only killing. Some courageous women in countries around the world are taking things in their own hands, hunting down the war criminals themselves, trying to trap them through Facebook. In this profoundly important book, Christina Lamb shines a light on some of the darkest parts of the human experience—so that we might find a new way forward. *Our Bodies, Their Battlefields* is as inspiring and empowering as it is urgent, a clarion call for necessary change.

The chocolate went first, then the cheese, the fries, the ice cream. The bread was more difficult, but if she could just lose a little more weight, perhaps she would make the soloists’ list. Anna Roux was a professional dancer who followed the man of her dreams from Paris to Missouri. There, alone with her biggest fears - imperfection, failure, loneliness - she spirals down anorexia and depression till she weighs a mere eighty-eight pounds. Forced to seek treatment, she is admitted as a patient at 17 Swann Street, a peach pink house where pale, fragile women with life-threatening eating disorders live. Women like Emm, the veteran; quiet Valerie; Julia, always hungry. Together, they must fight their diseases and face six meals a day. Every bite causes anxiety. Every flavor induces guilt. Lady Justice Dahlia Lithwick.2022-09-20 Winner of the LA Times Book Prize in Current Interest An instant New York Times Bestseller! "Stirring...Lithwick's approach, interweaving interviews with legal commentary, allows her subjects to shine...Inspiring."—New York Times Book Review "In Dahlia Lithwick's urgent, engaging *Lady Justice*, Dobbs serves as a devastating bookend to a story that begins in hope."—Boston Globe Dahlia Lithwick, one of the nation's foremost legal commentators, tells the gripping and heroic story of the women lawyers who fought the racism, sexism, and xenophobia of Donald Trump's presidency—and won After the sudden shock of Donald Trump's victory over Hillary Clinton in 2016, many Americans felt lost and uncertain. It was clear he and his administration were going to pursue a series of retrograde, devastating policies. What could be done? Immediately, women lawyers all around the country, independently of each other, sprang into action, and they had a common goal: they weren't going to stand by in the face of injustice, while Trump, Mitch McConnell, and the Republican party did everything in their power to remake the judiciary in their own conservative image. Over the next four years, the women worked tirelessly to hold the line against the most chaotic and malign presidency in living memory. There was Sally Yates, the acting attorney general of the United States, who refused to sign off on the Muslim travel ban. And Becca Heller, the founder of a refugee assistance program who brought the fight over the travel ban to the airports. And Roberta Kaplan, the famed commercial litigator, who sued the neo-Nazis in Charlottesville. And, of course, Stacey Abrams, whose efforts to protect the voting rights of millions of Georgians may well have been what won the Senate for the Democrats in 2020. These are just a handful of the stories Lithwick dramatizes in thrilling detail to tell a brand-new and deeply inspiring account of the Trump years. With unparalleled access to her subjects, she has written a luminous book, not about the villains of the Trump years, but about the heroes. And as the country confronts the news that the Supreme Court, which includes three Trump-appointed justices, will soon overturn *Roe v. Wade*, Lithwick shines a light on not only the major consequences of such a decision, but issues a clarion call to all who might, like the women in this book, feel the urgency to join the fight. A celebration of the tireless efforts, legal ingenuity, and indefatigable spirit of the women whose work all too often went unrecognized at the time, *Lady Justice* is destined to be treasured and passed from hand to hand for generations to come, not just among lawyers and law students, but among all optimistic and hopeful Americans.

Everyone Brave is Forgiven Chris Cleave.2016-05-03 The instant New York Times bestseller from Chris Cleave—the unforgettable novel about three lives entangled during World War II, told “with dazzling prose, sharp English wit, and compassion...a powerful portrait of war's effects on those who fight and those left behind” (People, Book of the Week). London, 1939. The day war is declared, Mary North leaves finishing school unfinished, goes straight to the War Office, and signs up. Tom Shaw decides to ignore the war—until he learns his roommate Alistair Heath has unexpectedly enlisted. Then the conflict can no longer be avoided. Young, bright, and brave, Mary is certain she'd be a marvelous spy. When she is—bewilderingly—made a teacher, she finds herself defying prejudice to protect the children her country would rather forget. Tom, meanwhile, finds that he will do anything for Mary. And when Mary and Alistair meet, it is love, as well as war, that will test them in ways they could not have imagined, entangling three lives in violence and passion, friendship, and deception, inexorably shaping their hopes and dreams. The three are drawn into a tragic love triangle and—as war escalates and bombs begin falling—further into a grim world of survival and desperation. Set in London during the years of 1939–1942, when citizens had slim hope of survival, much less victory; and on the strategic island of Malta, which was daily devastated by the Axis barrage, *Everyone Brave is Forgiven* features little-known history and a perfect wartime love story inspired by the real-life love letters between Chris Cleave's grandparents. This dazzling novel dares us to understand that, against the great theater of world events, it is the intimate losses, the small battles, the daily human triumphs that change us most.

We Were Soldiers Once...and Young Harold G. Moore.2002-04-16 Each year, the Commandant of the U.S. Marine Corps selects one book that he believes is both relevant and timeless for reading by all Marines. The Commandant's choice for 1993 is *We Were Soldiers Once . . . and Young*. In November 1965, some 450 men of the 1st Battalion, 7th Cavalry, under the command of Lt. Col. Hal Moore, were dropped by helicopter into a small clearing in the Ia Drang Valley. They were immediately surrounded by 2,000 North Vietnamese soldiers. Three days later, only two and a half miles away, a sister battalion was chopped to pieces. Together, these actions at the landing zones X-Ray and Albany constituted one of the most savage and significant battles of the Vietnam War. How these men persevered—sacrificed themselves for their comrades and never gave up—makes a vivid portrait of war at its most inspiring and devastating. General Moore and Joseph Galloway, the only journalist on the ground throughout the fighting, have interviewed hundreds of men who fought there,

including the North Vietnamese commanders. This devastating account rises above the specific ordeal it chronicles to present a picture of men facing the ultimate challenge, dealing with it in ways they would have found unimaginable only a few hours earlier. It reveals to us, as rarely before, man's most heroic and horrendous endeavor.

The Woman's Hour Elaine Weiss.2018-03-06 Both a page-turning drama and an inspiration for every reader--Hillary Rodham Clinton Soon to Be a Major Television Event The nail-biting climax of one of the greatest political battles in American history: the ratification of the constitutional amendment that granted women the right to vote. With a skill reminiscent of Robert Caro, [Weiss] turns the potentially dry stuff of legislative give-and-take into a drama of courage and cowardice.--The Wall Street Journal Weiss is a clear and genial guide with an ear for telling language ... She also shows a superb sense of detail, and it's the deliciousness of her details that suggests certain individuals warrant entire novels of their own... Weiss's thoroughness is one of the book's great strengths. So vividly had she depicted events that by the climactic vote (spoiler alert: The amendment was ratified!), I got goose bumps.--Curtis Sittenfeld, The New York Times Book Review Nashville, August 1920. Thirty-five states have ratified the Nineteenth Amendment, twelve have rejected or refused to vote, and one last state is needed. It all comes down to Tennessee, the moment of truth for the suffragists, after a seven-decade crusade. The opposing forces include politicians with careers at stake, liquor companies, railroad magnates, and a lot of racists who don't want black women voting. And then there are the Antis--women who oppose their own enfranchisement, fearing suffrage will bring about the moral collapse of the nation. They all converge in a boiling hot summer for a vicious face-off replete with dirty tricks, betrayals and bribes, bigotry, Jack Daniel's, and the Bible. Following a handful of remarkable women who led their respective forces into battle, along with appearances by Woodrow Wilson, Warren Harding, Frederick Douglass, and Eleanor Roosevelt, The Woman's Hour is an inspiring story of activists winning their own freedom in one of the last campaigns forged in the shadow of the Civil War, and the beginning of the great twentieth-century battles for civil rights.

BREATHE FIRE. Raised to be a warrior, seventeen-year-old Eelyn fights alongside her Aska clansmen in an ancient, rivalry against the Riki clan. Her life is brutal but simple: fight and survive. Until the day she sees the impossible on the battlefield—her brother, fighting with the enemy—the brother she watched die five years ago. But when the Riki village is raided by a ruthless clan thought to be a legend, Eelyn is even more desperate to get back to her beloved family. She is given no choice but to trust Fiske, her brother's friend, who sees her as a threat. They must do the impossible: unite the clans to fight together, or risk being slaughtered one by one. Driven by a love for her clan and

her growing love for Fiske, Eelyn must confront her own definition of loyalty and family while daring to put her faith in the people she's spent her life hating.

Every Young Man's Battle Stephen Arterburn, Fred Stoeker. 2004-01-20 In this world you're surrounded by sexual images that open the door to temptation. They're everywhere—on TV, billboards, magazines, music, the internet—and so easy to access that it sometimes feels impossible to escape their clutches. Yet God expects his children to be sexually pure. So how can you survive the relentless battle against temptation? Here's powerful ammunition. Steve Arterburn and Fred Stoeker, the authors of the hard-hitting best-seller *Every Man's Battle*, now focus on the temptations young single Christian men like you face every day—and they offer workable, biblical strategies for achieving sexual purity. The authors examine the standard of Ephesians 5:3—"there must not be even a hint of sexual immorality"—in a positive and sensitive light. And they explain how an authentic, vibrant relationship with Jesus Christ is the key to victory over temptation. *Every Young Man's Battle* will show you how to train your eyes and your mind, how to clean up your thought life, and how to develop a realistic battle plan for remaining pure in today's sexually soaked culture. As a result, you'll experience hope—real hope—for living a strong, pure life God's way

The Radium Girls Kate Moore. 2017-04-18 A New York Times, USA Today, Wall Street Journal, and Amazon Charts Bestseller! For fans of *Hidden Figures*, comes the incredible true story of the women heroes who were exposed to radium in factories across the U.S. in the early 20th century, and their brave and groundbreaking battle to strengthen workers' rights, even as the fatal poison claimed their own lives... In the dark years of the First World War, radium makes gleaming headlines across the nation as the fresh face of beauty, and wonder drug of the medical community. From body lotion to tonic water, the popular new element shines bright. Meanwhile, hundreds of girls toil amidst the glowing dust of the radium-dial factories. The glittering chemical covers their bodies from head to toe; they light up the night like industrious fireflies. With such a coveted job, these shining girls are the luckiest alive — until they begin to fall mysteriously ill. And, until they begin to come forward. As the women start to speak out on the corruption, the factories that once offered golden opportunities ignore all claims of the gruesome side effects. And as the fatal poison of the radium takes hold, the brave shining girls find themselves embroiled in one of the biggest scandals of America's early 20th century, and in a groundbreaking battle for workers' rights that will echo for centuries to come. A timely story of corporate greed and the brave figures that stood up to fight for their lives, these women and their voices will shine for years to come. Written with a sparkling voice and breakneck pace, *The Radium Girls* fully illuminates the inspiring young women exposed to the wonder substance of radium, and their awe-inspiring strength in the face of almost impossible circumstances. Their courage and tenacity led to life-changing regulations, research into nuclear bombing, and ultimately saved hundreds of thousands of lives...

Men Explain Things to Me Rebecca Solnit. 2014-04-14 The National Book Critics Circle Award-winning author delivers a collection of essays that serve as the perfect "antidote to mansplaining" (*The Stranger*). In her comic, scathing essay "Men Explain Things to Me," Rebecca Solnit took on what often goes wrong in conversations between men and women. She wrote about men who wrongly assume they know things and wrongly assume women don't, about why this arises, and how this aspect of the gender wars works, airing some of her own hilariously awful encounters. She ends on a serious note— because the ultimate problem is the silencing of women who have something to say, including those saying things like, "He's trying to kill me!" This book features that now-classic essay with six perfect complements, including an examination of the great feminist writer Virginia Woolf's embrace of mystery, of not knowing, of doubt and ambiguity, a highly original inquiry into marriage equality, and a terrifying survey of the scope of contemporary violence against women. "In this series of personal but unsentimental essays, Solnit gives succinct shorthand to a familiar female experience that before had gone unarticulated, perhaps even unrecognized." —The New York Times "Essential feminist reading." —The New Republic "This slim book hums with power and wit." —Boston Globe "Solnit tackles big themes of gender and power in these accessible essays. Honest and full of wit, this is an integral read that furthers the conversation on feminism and contemporary society." —San Francisco Chronicle "Essential." —Marketplace "Feminist, frequently funny, unflinchingly honest and often scathing in its conclusions." —Salon

Unsinkable Abby Sunderland, Lynn Vincent. 2011-04-12 Recounts the author's attempt to become the youngest person to sail around the world, discussing how her faith helped her through her encounters on the open sea and her dramatic rescue in the Indian Ocean.

The Light of Days Judy Batalion. 2021-04-06 THE INSTANT NEW YORK TIMES BESTSELLER! Also on the USA Today, Washington Post, Boston Globe, Globe and Mail, Publishers Weekly, and Indie bestseller lists. One of the most important stories of World War II, already optioned by Steven Spielberg for a major motion picture: a spectacular, searing history that brings to light the extraordinary accomplishments of brave Jewish women who became resistance fighters—a group of unknown heroes whose exploits have never been chronicled in full, until now. Witnesses to the brutal murder of their families and neighbors and the violent destruction of their communities, a cadre of Jewish women in Poland—some still in their teens—helped transform the Jewish youth groups into resistance cells to fight the Nazis. With courage, guile, and nerves of steel, these "ghetto girls" paid off Gestapo guards, hid revolvers in loaves of bread and jars of marmalade, and helped build systems of underground bunkers. They flirted with German soldiers, bribed them with wine, whiskey, and home cooking, used their Aryan looks to seduce them, and shot and killed them. They bombed German train lines and blew up a town's water supply. They also nursed the sick, taught children, and hid families. Yet the exploits of these courageous resistance fighters have remained virtually unknown. As propulsive and thrilling as *Hidden Figures*, *In the Garden of Beasts*, and *Band of Brothers*, *The Light of Days* at last tells the true story of these incredible women whose courageous yet little-known feats have been eclipsed by time. Judy Batalion—the granddaughter of Polish Holocaust survivors—takes us back to 1939 and introduces us to Renia Kukielka, a weapons smuggler and messenger who risked death traveling across occupied Poland on foot and by train. Joining Renia are other women who served as couriers, armed fighters, intelligence agents, and saboteurs, all who put their lives in mortal danger to carry out their missions. Batalion follows these women through the savage destruction of the ghettos, arrest and internment in Gestapo prisons and concentration camps, and for a lucky few—like Renia, who orchestrated her own audacious escape from a brutal Nazi jail—into the late 20th century and beyond. Powerful and inspiring, featuring twenty black-and-white photographs, *The Light of Days* is an unforgettable true tale of war, the fight for freedom, exceptional bravery, female friendship, and survival in the face of staggering odds.
