As of this writing, Gutenberg has over 57,000 free ebooks on offer. They are available for download in EPUB and MOBI formats (some are only available in one of the two), and they can be read online in HTML format. It's easy to search Wikibooks by topic, and there are separate sections for recipes and childrens' textbooks. You can download any page as a PDF using a link provided in the left-hand menu, but unfortunately there's no support for other formats. There's also Collection Creator - a handy tool that lets you collate several pages, organize them, and export them together (again, in PDF format). It's a nice feature that enables you to customize your reading material, but it's a bit of a hassle, and is really designed for readers who want printouts. The easiest way to read Wikibooks is simply to open them in your web browser. Free ebook download sites: - They say that books are one's best friend, and with one in their hand they become oblivious to the world. While With advancement in technology we are slowly doing away with the need of a paperback and entering the world of eBooks. Yes, many may argue on the tradition of reading books made of paper, the real feel of it or the unusual smell of the books that make us nostalgic, but the fact is that with the evolution of eBooks we are also saving some trees. From romance to mystery to drama, this website is a good source for all sorts of free e-books. When you're making a selection, you can go through reviews and ratings for each book. If you're looking for a wide variety of books in various categories, check out this site. The Open Library has more than one million free e-books available. This library catalog is an open online project of Internet Archive, and allows users to contribute books. You can easily search by the title, author, and subject. Established in 1978, O'Reilly Media is a world renowned platform to download books, magazines and tutorials for free. Even though they started with print publications, they are now famous for digital books. The website features a massive collection of eBooks in categories like, IT industry, computers, technology, etc. You can download the books in PDF format,

however, to get an access to the free downloads you need to sign up with your name and email address. Beside each of these free eBook titles, you can quickly see the rating of the book along with the number of ratings. This makes it really easy to find the most popular free eBooks. My favorite part about DigiLibraries.com is that you can click on any of the categories on the left side of the page to quickly see free Kindle books that only fall into that category. It really speeds up the work of narrowing down the books to find what I'm looking for. You'll be able to download the books at Project Gutenberg as MOBI, EPUB, or PDF files for your Kindle.
