High Hearts Rita Mae Brown.2011-05-18 From the celebrated author of *Rubyfruit Jungle* and *Bingo* comes a stirring novel of the Civil War, a tale of true love and mistaken identity. Brimming with colorful characters and vivid settings, *High Hearts* is Rita Mae Brown at her most ambitious and entertaining. April 12, 1861. Bright, gutsy and young, Geneva Chatfield marries Nash Hart in Albemarle County, Virginia, the same day Fort Sumter's guns fire the start of the Civil War. Five days later she loses him as Nash joins the Confederate Army. Geneva, who is known as the best rider since Light Horse Harry Lee, cuts her hair, dons a uniform, enlists as Jimmy Chatfield, then rides off to be with her beloved Nash. But sensitive Nash recoils in horror from the violence of war, while Geneva is invigorated by the chase and the fight. Can she be all the man her husband isn't? She'll sure as hell try. But there is a complication, and his name is Major Mars Vickers. This macho major, to his own shock and amazement, finds himself inexplicably attracted to the young soldier named Jimmy. And this is only the beginning of a novel that moves with sureness and grace from the ferocity of battle to the struggle on the homefront, and brings passion and sly humor to a story of dawning love. *High Hearts* is a penetrating, delightful and sweeping tale that gives fresh life to a fascinating time.

Chow Chop Suey Anne Mendelson.2016-11-29 Chinese food first became popular in America under the shadow of violence against Chinese aliens, a despised racial minority ineligible for United States citizenship. The founding of late-nineteenth-century chop suey restaurants that pitched an altered version of Cantonese cuisine to white patrons despite a virulently anti-Chinese climate is one of several pivotal events in Anne Mendelson's thoughtful history of American Chinese food. *Chow Chop Suey* uses cooking to trace different stages of the Chinese community's footing in the larger white society. Mendelson begins with the arrival of men from the poorest district of Canton Province during the Gold Rush. She describes the formation of American Chinatowns and examines the curious racial dynamic underlying the purposeful invention of hybridized Chinese American food, historically prepared by Cantonese-descended cooks for whites incapable of grasping Chinese culinary principles. Mendelson then follows the eventual abolition of anti-Chinese immigration laws and the many demographic changes that transformed the face of Chinese cooking in America during and after the Cold War. Mendelson concludes with the post-1965 arrival of Chinese immigrants from Taiwan, Southeast Asia, and many regions of mainland China. As she shows, they have immeasurably enriched Chinese cooking in America but tend to form comparatively self-sufficient enclaves in which they, unlike their predecessors, are not dependent on cooking for a white clientele.

The Textile Baron Wolfgang Hafer.2020-03-12 Isidor Mautner had everything one could wish for, a beautiful and educated wife, gifted children, a magnificent apartment near the Vienna Hofburg and a summer palace in the Vienna Woods. His palace was a preferred meeting place of the international cultural scene, his family enjoyed the comforts of an upper-class family of the fin de siècle, and his son Konrad made a name for himself as a folklore researcher. But after the First World War, the empire crumbled, the bankruptcy of his son Stephan cost Mautner his fortune, and a last desperate attempt at an industrial new beginning failed. When Isidor Mautner died, he had lost almost everything. His family was robbed, forced to flee, murdered by the Nazis...

Dining with the Nawabs Karam Puri.2017 -Features recipes passed down through generations, originating from the Nawab families of undivided India -Contains archival and current family photographs, relating to the culture of states across the length and breadth of India -Comes with an

included 'Kitchen Copy' featuring recipes for you to recreate at home -Will be of interest to Indians and the Indian diaspora, as well as anyone who enjoys Indian cuisine Mughal emperors governed their vast empire with the help of nawabs - a title they bestowed on the semi-autonomous Muslim rulers of India. Over a period of time these nawabs became powerful rulers in their own right and created a distinct culture of their own, with food being one of its most everlasting legacies. Heavily influenced by Mughal staples and cookery techniques, the nawabs refined their cuisine by adopting local flavours, from the refined palates that dominate the table at Rampur and Avadh to the incredible array of delicacies from the kitchens of Bahawalpur and Khairpur, now in Pakistan. For the first time, Dining with the Nawabs allows you a rare opportunity to visit the tables and palaces of these families, to learn more about their lifestyles and their love affair with gourmet cuisine. This special edition also comes with a 'Kitchen Copy', containing some of their most beloved family recipes that you can recreate in your own homes. The families featured in this book continue to be the proud custodians of this culinary legacy. They share recipes which have been passed down for hundreds of years within the confines of the royal kitchen. In these recipes and stories, which depict food as the epicenter of traditions and customs, the larger story of an ancient philosophy and a way of life is revealed. Today, Indian food all over the world is synonymous with Mughalia and Nawabi cuisine. Biryani, pulao, kebab, korma, kofta, dumpukht and other dishes of the time have all made their way from a shahi dastarkhwan into every home. The families featured here each have their own signature version of these dishes; much like the flower which grows in different soils and emanates a different fragrance, these meals are at once part of a shared heritage and strikingly unique.

Unforgettable Emily Kaiser Thelin.2017-10-17 Unforgettable tells the story of culinary legend and author of nine award-winning cookbooks, Paula Wolfert, who was diagnosed with Alzheimer's in 2013. This biographical cookbook written by Emily Kaiser Thelin and photographed by Eric Wolfinger, shares more than fifty of her most iconic dishes and explores the relationship between food and memory. The gripping narrative traces the arc of Wolfert's career, from her Brooklyn childhood to her adventures in the farthest corners of the Mediterranean: from nights spent with Beat Generation icons like Allen Ginsberg, to working with the great James Beard; from living in Morocco at a time when it really was like a fourteenth century culture, to bringing international food to America's kitchens through magazines and cookbooks. Anecdotes and adventuresome stories come from Paula's extensive personal archive, interviews with Paula herself, and dozens of interviews with food writers and chefs whom she influenced and influenced her-including Alice Waters, Thomas Keller, Diana Kennedy, André Daguin, and Jacques Pepin. Wolfert's recipes are like no other: each is a new discovery, yielding incredible flavors, using unusual techniques and ingredients, often with an incredible backstory. And the recipes are organized into menus inspired by Wolfert's life and travels--such as James Beard's Easy Entertaining menu; a Moroccan Party; and a Slow and Easy Feast. Unforgettable also addresses Wolfert's acknowledgement of the challenges of living with Alzheimer's, a disease that often means she cannot remember the things she did yesterday, but can still recall in detail what she has cooked over the years. Not accepting defeat easily, Wolfert created a new brain-centric diet, emphasizing healthy meats and fresh vegetables, and her recipes are included here. Unforgettable is a delight for those who know and love Paula Wolfert's recipes, but will be a delicious discovery for those who love food, but have not yet heard of this influential cookbook writer and culinary legend.

Perception, Interaction and Language Felicie D. Affolter.2011-12-21 Perception, Interaction and Language is essentially about the nature of adaptive learning in both its normal and abnormal forms. A major pre-mise is that verbal and nonverbal learning depend critically on interaction with the environment via daily life problem solving activity. This new perspective is not entirely unfamiliar. But, a fundamentally new perspective is offered by the additional premise that tactile-kinesthetic perception associated with problem solving experiences provides the primary basis for interaction and hence, is the root of adaptive learning and development. Although decades have passed since Jean Piaget first proposed a model of cognitive learning and development that builds on sensorimotor processes, little seems to be known about how human actions are actually translated into adaptive behavior. We are keenly reminded of this lack of knowledge when dealing with persons who present abnormal performance. The failure to learn language, in particular, can create a devastating handicap. Therefore, it is not surprising that systematic attention has been given to research and clinical programs for the language disordered.

Policing Sex Paul Johnson,Derek Dalton.2012-05-31 This collection focuses attention on an important but academically neglected area of contemporary operational policing: the regulation of consensual sexual practices. Despite the high-level public visibility of, and debate about, policing in relation to violent and abusive sexual crimes (from child sexual abuse to adult rape) very little public or scholarly attention is paid to the policing of consensual sexual practices in contemporary societies. Whilst 'sexual life' is commonly understood to be a matter of 'private life' that is beyond formal social control, this book shows that policing is implicated in the regulation of a wide range of consensual sexual practices. This book brings together a well known and respected group of academics, from a range of disciplines, to explore the role of the police in shaping the boundaries of that aspect of our lives that we imagine to be most intimate and most our own. The volume presents a 'snap shot' of policing in respect of a number of diverse areas - such as public sex, pornography, and sex work - and considers how sexual orientation structures police responses to them. The authors critically examine how policing is implicated in the social, moral and political landscape of sex and, contrary to the established rhetoric of

politicians and criminal justice practitioners, continues to intervene in the private lives of citizens. It is essential supplementary reading for courses in criminology, law, policing, sociology of deviance, gender and sexuality, and cultural studies.

Eating Korea Graham Holliday.2017-03-14 An energetic, fast-paced trip through the rapidly changing world of Korean cuisine by the author of *Eating Viet Nam*. Journalist, world traveler, and avid eater Graham Holliday has sampled some of the most exotic and intriguing cuisines around the globe. On a pilgrimage throughout the whole of South Korea to unearth the real food eaten by locals, Holliday discovers a country of contradictions, a quickly developing society that hasn't decided whether to shed or embrace its culinary roots. Devotees still make and consume classic Korean dishes in traditional settings even as the cuisine modernizes in unexpected ways and the phenomenon of Korean people televising themselves eating (mok-bang) spreads ever more widely. Amid a changing culture that's simultaneously trying to preserve what's best about traditional Korean food while opening itself to a panoply of global influences and balancing new and old, tradition and reinvention, the real and the artificial, Holliday seeks out the most delicious dishes in the most authentic settings—even if he has to prowl in back alleys to find them and convince reluctant restaurant owners that he can handle their unusual flavors. Holliday samples sundae (blood sausage); beef barbecue; bibimbap; Korean black goat; wheat noodles in bottomless, steaming bowls; and the ubiquitous kimchi, discovering the exquisite, the inventive, and, sometimes, the downright strange. Animated by Graham Holliday's warm, engaging voice, *Eating Korea* is a vibrant tour through one of the world's most fascinating cultures and cuisines.

Scents and Flavors .2020-03-03 Delectable recipes from the medieval Middle East This popular thirteenth-century Syrian cookbook is an ode to what its anonymous author calls the "greater part of the pleasure of this life," namely the consumption of food and drink, as well as the fragrances that garnish the meals and the diners who enjoy them. Organized like a meal, *Scents and Flavors* opens with appetizers and juices and proceeds through main courses, side dishes, and desserts. Apricot beverages, stuffed eggplant, pistachio chicken, coriander stew, melon crepes, and almond pudding are seasoned with nutmeg, rose, cloves, saffron, and the occasional rare ingredient such as ambergris to delight and surprise the banqueter. Bookended by chapters on preparatory perfumes, incenses, medicinal oils, antiperspirant powders, and after-meal hand soaps, this comprehensive culinary journey is a feast for all the senses. With the exception of a few extant Babylonian and Roman texts, cookbooks did not appear on the world literary scene until Arabic speakers began compiling their recipe collections in the tenth century, peaking in popularity in the thirteenth century. *Scents and Flavors* quickly became a bestseller during this golden age of cookbooks and remains today a delectable read for cultural historians and epicures alike. An English-only edition.
