If you have an internet connection, simply go to BookYards and download educational documents, eBooks, information and content that is freely available to all. The web page is pretty simple where you can either publish books, download eBooks based on authors/categories or share links for free. You also have the option to donate, download the iBook app and visit the educational links. Bibliomania: Bibliomania gives readers over 2,000 free classics, including literature book notes, author bios, book summaries, and study guides. Free books are presented in chapter format. It's easy to search Wikibooks by topic, and there are separate sections for recipes and childrens' textbooks. A big chunk of the public domain titles are short stories and a lot of the original titles are fanfiction. Still, if you do a bit of digging around, you'll find some interesting stories.
