

Castration Castrated Stories

Fiction Fantasy

The Petticoat Castrator Jeffrey Jeschke.2017-01-04 This is about a vicious and sordid woman that castrated thousands of men. She runs a burger stand during the daytime and serves burgers made out of one hundred percent testicles. She is a shape changing supernatural vicious beast of the night in the form of a very beautiful woman.

Sexual Ambiguities Genevieve Morel.2018-03-29 How does one become a man or a woman? Psychoanalysis shows that this is never an easy task and that each of us tackles it in our own, unique way. In this important and original study, the author focuses on what analytic work with psychotic subjects can teach us about the different solutions human beings can construct to the question of sexual identity. Through a careful exposition of Lacanian theory, the author argues that classical gender theory is misguided in its notion of 'gender identity' and that Lacan's concept of 'sexuation' is more precise. Clinical case studies illustrate how sexuation occurs and the ambiguities that may surround it. In psychosis, these ambiguities are often central, and the author explores how they may or may not be resolved thanks to the individual's own constructions. This book is not only a major contribution to gender studies but also an invaluable aid to the clinician dealing with questions of sexual identity.

When You Castrate Me Sandra Athena.2016-10-31 He is the Greek God of the present day. He has everything: car, house, money and looks. His women come and go. He doesn't want kids. Doesn't believe in love. No woman can tie him in marriage. He's simply just sick of relationships. He has everything he wished for in life until he met her. She, who believes in love. Who dreams of

a happy marriage. And she who easily drives him to full arousal with just her smile. He simply wants sex. She simply gives sex to get his love. With a sudden twist of fate, their decisions in life including their wants and needs will be at stake. And to make the game more exciting he wants to be castrated. Luckily, his meaning of castration rhymes with lust. Is castration the answer to his complete surrender? Will the combined ignition of love and lust yield a forever? Or will it fill another bucket of tears for Casslynn and pail of pains for Alexis?

Éire-Ireland .1983

The Secret Window Anthony Hood Chambers.1994 In this series of meditations on seven of Tanizaki Jun'ichiro's novels and novellas, Chambers focuses on the thread of fantasy that Tanizaki weaves throughout his work. He examines Tanizaki's subtle use of storytelling devices to evoke his characters' alternate sense of reality and to encourage the reader's participation in their fantasies.

Cry to Heaven Anne Rice.1995-04-01 In a sweeping saga of music and vengeance, the acclaimed author of *The Vampire Chronicles* draws readers into eighteenth-century Italy, bringing to life the decadence beneath the shimmering surface of Venice, the wild frivolity of Naples, and the magnetic terror of its shadow, Vesuvius. This is the story of the castrati, the exquisite and otherworldly sopranos whose graceful bodies and glorious voices win the adulation of royal courts and grand opera houses throughout Europe. These men are revered as idols—and, at the same time, scorned for all they are not. Praise for Anne Rice and *Cry to Heaven* “Daring and imaginative . . . [Anne] Rice seems like nothing less than a magician: It is a pure and uncanny talent that can give a voice to monsters and angels both.”—The New York Times Book Review “To read Anne Rice is to become giddy as if spinning through the mind of time.”—San Francisco Chronicle “If you surrender and go with her . . . you have surrendered to enchantment, as in a voluptuous dream.”—The

Boston Globe “Rice is eerily good at making the impossible seem self-evident.”—Time

Reading Freud's Reading Sander L. Gilman.1994 Specialists from a wide range of areas - from the history of medicine, to literary scholarship, to the history of classical scholarship - spent two months working on questions raised by Freud's reading and his library at the Freud Museum in London. Such internationally renowned scholars as Harold P. Blum, Ned Lukacher, Phillip McCaffrey, Robin N. Mitchell-Boyask, Michael Molnar, Ursula Reidel-Schrewe, Ritchie Robertson, and Peter L. Rudnytsky gather here to apply a wide range of critical approaches, from depth psychoanalysis to cultural analysis. Together, they present a detailed look at the implications of how and what Freud read, including the major sources he used for his work.

Erotic Utopia Olga Matich.2005-08-01 The first generation of Russian modernists experienced a profound sense of anxiety resulting from the belief that they were living in an age of decline. What made them unique was their utopian prescription for overcoming the inevitability of decline and death both by metaphysical and physical means. They intertwined their mystical erotic discourse with European degeneration theory and its obsession with the destabilization of gender. In *Erotic Utopia*, Olga Matich suggests that same-sex desire underlay their most radical utopian proposal of abolishing the traditional procreative family in favor of erotically induced abstinence. 2006 Winner, CHOICE Award for Outstanding Academic Titles, Current Reviews for Academic Libraries Honorable Mention, Aldo and Jean Scaglione Prize for Studies in Slavic Languages and Literatures, Modern Language Association “Offers a fresh perspective and a wealth of new information on early Russian modernism. . . . It is required reading for anyone interested in fin-de-siècle Russia and in the history of sexuality in general.”—Bernice Glatzer Rosenthal, *Slavic and East European Journal* “Thoroughly entertaining.”—Avril Pyman, *Slavic Review*

Doctor Rat William Kotzwinkle.2014-04-01 This World Fantasy Award winner in the vein of Animal Farm delves into a lab worthy of a mad Nazi scientist—but run by a brilliantly sadistic rodent. In the annals of American literature, there has never been a character quite like Doctor Rat, PhD. From one of the most indispensable storytellers in speculative fiction, this biting satire introduces a narrator of learned charm and humor, and a twisted logic that is absolutely chilling. Doctor Rat is a credit to his species. A survivor of the most refined scientific experiments, now removed from the maze, he has become a valued and productive member of the academic community. When he must administer a lethal dose, he comforts his fellow rats with his compassionate slogan: “Death is freedom.” But everything changes when animals worldwide begin to rebel, refusing to accept their proper places in the natural order of things: as test subjects, pets, or food. And only Doctor Rat has the courage to defend mankind from the ungrateful animal kingdom. Hailed by the Los Angeles Times as “dazzlingly original” and “occasionally quite beautiful,” Doctor Rat is a sly and stylish indictment of fanaticism in mice and men. “A truly imaginative impresario . . . [Doctor Rat] teases your conscience with educated wit and versatile improvisation, not to mention the casual flick of the tail about to be cut off.” —Kirkus Reviews

Nina Foxton Titian Beresford.1996-02-01

The Castration Chronicles (book Four) Grace

Mansfield.2023-08-26 THE CASTRATION CHRONICLES! (book four) Women who demand the final step. Men who take it! WOMANUS SUPERIOR! Feminized and castrated he became a woman. They didn't know what they were unleashing! DAN was a genius who couldn't get work. When he is finally offered his dream job it rapidly becomes a nightmare. He is feminized, chemically castrated, and betrayed in the worst possible manner. But Dan is about to transform into something that nobody is expecting...Womanus Superior! THE PINK CHALLENGE! A man

castrated and changed into a woman? Not on your life! RONNIE AND LENNIE Are always trying to see who is tougher. Fed up with it, their wives start a game where toughness is proven by how far they can be feminized! The problem is that the men just won't stop! This leads to a drastic solution and one winner! THE FEMINIZATION OF JOHNNY! Femdom, emasculation, castration...how far should they go? TAMMI loved Johnny, but she wanted him to become softer, more beautiful. Johnny agrees to try it out, and the changes begin. Feminization and emasculation occur, but then they start thinking about castration. it doesn't have to be permanent, but...should Johnny do it?This is a question that all couples should consider. I FEMINIZED JOHNNY! Lingerie, dresses and make up, then I bent him over! JOHNNY made a mistake...he cheated. Amy is determined to make him see the error of his ways. A little emasculation, a lot of feminization, and a touch of castration, and Johnny is good to go! FEMINIZED BY ACCIDENT! Though he was accidentally castrated, he finds happiness in feminization! TOM is deeply in debt, and he decides on a desperate solution. He sells an organ on the black market. What he doesn't know is that his wife is selling one, too! THE ARE GROPPER PRESS STORIES! Grace Mansfield is from the Smoky Mountains of Tennessee. Her husband being a 'cheating bastard, ' (her words) she took his truck and drove to Texas. Then Montana. Then several other states, before landing in Los Angeles. She has worked as a stenographer, a court reporter for a small newspaper and a photographer for the LA Times. Currently she is a gym addict, trying to fix years of abuse, and working on her novels. These stories have female domination, feminization, gender transformation, crossdressing, pegging, spanking, chastity, male to female, BDSM, erotica.

Castration, Impotence, and Emasculation in the Long Eighteenth Century Anne Leah Greenfield.2019-11-20 This essay collection examines one of the most fearsome, fascinating, and hotly-discussed topics of the long eighteenth century:

masculinity compromised. During this timespan, there was hardly a literary or artistic genre that did not feature unmanning regularly and prominently: from harrowing tales of castrations in medical treatises, to emasculated husbands in stage comedies, to sympathetic and powerful eunuchs in prose fiction, to glorious operatic performances by castrati in Italy, to humorous depictions in caricature and satirical paintings, to fearsome descriptions of Eastern eunuchs in travel narratives, to foolish and impotent old men who became a mainstay in drama. Not only does this unprecedented study of unmanning (in all of its varied forms) illustrate the sheer prevalence of a trope that featured prominently across literary and artistic genres, but it also demonstrates the ways diminished masculinity reflected some of the most strongly-held anxieties, interests, and values of eighteenth-century Britons.

Shelled Nuts Ride Again Violet Reigns.2023-03-24 Women often joke about cutting off a man's nuts. What if they could? And what if they really enjoyed doing it? The seductive goddesses return, along with their scapels and scissors to continue the work they love most. Because these ultra feminine femdoms aren't like any you've ever met before. They all have one thing in common though: a thoroughly wicked fetish... for giving men two very naughty snips. These stories are pure fantasy for erotic entertainment. They do not contain blood or gore. This collection includes six femdom castration fantasies: The End of the Affair, Last Resort, Hell Hath No Fury, Naughty or Nice?, Such Sweet Torment and Sperm Donors Wanted.

Castration Celebration Jake Wizner.2010-05-25 Two high school students in a summer arts program at Yale University collaborate on an anti-guy musical with the working title, Castration Celebration.

The Alteration Kingsley Amis.2013-05-07 BOOKER PRIZE-WINNING AUTHOR Set in a world in which the Reformation failed, this award-winning science fiction tale is “one

Downloaded from
gws.ala.org on

2020-03-23 by guest

of the best . . . alternate-worlds novels in existence” (Philip K. Dick) In Kingsley Amis’s virtuoso foray into virtual history it is 1976, but the modern world is a medieval relic, frozen in intellectual and spiritual time ever since Martin Luther was promoted to pope back in the sixteenth century. Stephen the Third, the king of England, has just died, and Mass (Mozart’s second requiem) is about to be sung to lay him to rest. In the choir is our hero, Hubert Anvil, an extremely ordinary ten-year-old boy with a faultless voice. In the audience is a select group of experts whose job is to determine whether that faultless voice should be preserved by performing a certain operation. Art, after all, is worth any sacrifice. How Hubert realizes what lies in store for him and how he deals with the whirlpool of piety, menace, terror, and passion that he soon finds himself in are the subject of a classic piece of counterfactual fiction equal to Philip K. Dick’s *The Man in the High Castle*. *The Alteration* won the John W. Campbell Memorial Award for best science-fiction novel in 1976.

What Fear Was Ben Walter. 2021-11-11 From vanishing islands to talking flathead and nightmarish bushfires, Ben Walter's visionary Tasmanian fictions are unique in the landscape of Australian writing. An unemployed man chooses only to apply for jobs advertised in *The Economist*; a failed mountain expedition is mocked by the dead bodies of past climbers; and a father and son travel urgently to witness the miracle of Lake Pedder emptying. In *What Fear Was*, Walter combines beautiful, mesmerising writing with surreal discomfort and absurdist hilarity to completely upend the idea of an Australian short story. 'Lyrical and inventive, savage and strange. You've never read anyone like Ben Walter. Total mastery of language and imagery, paired with an unrivalled imagination and immense storytelling chutzpah. The shot in the arm Australian literature has been screaming for.' - Robbie Arnott 'With its unforgettable descriptions of the natural world, and the unsettling things that sometimes take place there, *What Fear Was* is an extraordinary collection of stories. Deeply

strange, beautifully lyrical and intensely moving; no one in Australia writes like Ben Walter. The weird realism of *What Fear Was* is wholly unique and deeply valuable in contemporary Australian fiction.' - Ryan O'Neill. 'What Fear Was is a darkly funny, surreal and tender collection, wonderfully Tasmanian in its entanglements. You never know where Ben Walter's stories will take you - there are no straight lines here - but it's truly a pleasure to follow his trail.' - Jennifer Mills

Gravity's Rainbow Thomas Pynchon. 2012-06-13 Winner of the 1974 National Book Award "A screaming comes across the sky. . ." A few months after the Germans' secret V-2 rocket bombs begin falling on London, British Intelligence discovers that a map of the city pinpointing the sexual conquests of one Lieutenant Tyrone Slothrop, U.S. Army, corresponds identically to a map showing the V-2 impact sites. The implications of this discovery will launch Slothrop on an amazing journey across war-torn Europe, fleeing an international cabal of military-industrial superpowers, in search of the mysterious Rocket 00000, through a wildly comic extravaganza that has been hailed in *The New Republic* as "the most profound and accomplished American novel since the end of World War II."

Thirty-five Castration Fantasies Aunt Cassie. 2020-11-22 Here are thirty-five brief, short-story fantasies that treat femdom castration as a highly-erotic, seductive and fetishistic activity. Emphasis is on the female-dominant/male-submissive relationship and not on the gory details of the climactic act itself. The mode of the domination is purely assertive, as if it were a woman's simple, basic prerogative. No violence, gore or harsh verbal abuse is used. These little vignettes take place in a contemporary world where this kind of radical emasculation is deliciously rare and exotic but at the same time perfectly acceptable. The general settings are: suburbia, a clinic or a farm. I know how disappointing it is when you get false hopes up that a work of erotic fiction will be featuring one's favorite fetishistic details. So,

She Who Became the Sun Shelley Parker-Chan.2021-07-20 Two-time British Fantasy Award Winner Astounding Award Winner Lambda Literary Award Finalist Hugo Award Finalist Locus Award Finalist Otherwise Award Finalist Magnificent in every way.—Samantha Shannon, author of *The Priory of the Orange Tree* A dazzling new world of fate, war, love and betrayal.—Zen Cho, author of *Black Water Sister* *She Who Became the Sun* reimagines the rise to power of the Ming Dynasty's founding emperor. To possess the Mandate of Heaven, the female monk Zhu will do anything "I refuse to be nothing..." In a famine-stricken village on a dusty yellow plain, two children are given two fates. A boy, greatness. A girl, nothingness... In 1345, China lies under harsh Mongol rule. For the starving peasants of the Central Plains, greatness is something found only in stories. When the Zhu family's eighth-born son, Zhu Chongba, is given a fate of greatness, everyone is mystified as to how it will come to pass. The fate of nothingness received by the family's clever and capable second daughter, on the other hand, is only as expected. When a bandit attack orphans the two children, though, it is Zhu Chongba who succumbs to despair and dies. Desperate to escape her own fated death, the girl uses her brother's identity to enter a monastery as a young male novice. There, propelled by her burning desire to survive, Zhu learns she is capable of doing whatever it takes, no matter how callous, to stay hidden from her fate. After her sanctuary is destroyed for supporting the rebellion against Mongol rule, Zhu takes the chance to claim another future altogether: her brother's abandoned greatness. the story of a great exploration ship sent out into the unknown reaches of space on a long mission of discovery. They encounter several terrifying alien species, including the Ix, who lay their eggs in human bodies, which then devour the humans from within when they hatch. Reissue of a classic.

Castrate Ben Weiss.2004-09

Songmaster Orson Scott Card.2002-12-06 A science fiction classic from Orson Scott Card, the bestselling author of Ender's Game Kidnapped at an early age, the young singer Anset has been raised in isolation at the mystical retreat called the Songhouse. His life has been filled with music, and having only songs for companions, he develops a voice that is unlike any heard before. Anset's voice is both a blessing and a curse, for the young Songbird can reflect all the hopes and fears his audience feels and, by magnifying their emotions, use his voice to heal--or to destroy. When it is discovered that his is the voice that the Emperor has waited decades for, Anset is summoned to the Imperial Palace on Old Earth. Many fates rest in Anset's hands, and his songs will soon be put to the test: either to salve the troubled conscience of a conqueror, or drive him, and the universe, into mad chaos. Songmaster is a haunting story of power and love--the tale of the man who would destroy everything he loves to preserve humanity's peace, and the boy who might just sing the world away. At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

Not a Man M. A. Mcrae.2012-06-21 From boy of the slums to Oxford Graduate, this is the story of Shuki Bolkihah - modern day eunuch. 'Not a Man' is set in an unnamed country of Arabia. Shuki is aged ten, and a 'bed-boy.' His master wants his beautiful boy to stay beautiful, so arranges for him to have 'a small operation.' This traumatic event changes forever the life of a clever, determined boy. Shuki learns to manipulate his master. He learns to read and write, he gets his master into the habit of

giving him large sums of money, and he makes friends with the master's sons. Shuki becomes more beautiful with every passing year. His master becomes more possessive, more jealous, and Shuki is guarded. When the master takes him to England, he escapes and starts a new life with the money he's saved. He is fifteen.

Even More Shelled Nuts Violet Reigns.2023-03-19 Women often joke about cutting off a man's nuts. What if they could? And what if they really enjoyed doing it? Are you brave enough to return to the world of six more seductive goddesses? You'll need to be very, very brave if you're a man. Because these ultra feminine femdoms aren't like any you've ever met before. They all have one thing in common though: a thoroughly wicked fetish... for giving men two very naughty snips. These stories are pure fantasy for erotic entertainment. They do not contain blood or gore. This collection includes six femdom castration fantasies: Not The Usual Suspect, Country Matters, The Perfect Girlfriend, Double The Honey, Fine Young Men and Unfinished Business.

The Wasp Factory Iain Banks.2013-07-02 The polarizing literary debut by Scottish author Ian Banks, *The Wasp Factory* is the bizarre, imaginative, disturbing, and darkly comic look into the mind of a child psychopath. Meet Frank Cauldham. Just sixteen, and unconventional to say the least: Two years after I killed Blyth I murdered my young brother Paul, for quite different and more fundamental reasons than I'd disposed of Blyth, and then a year after that I did for my young cousin Esmerelda, more or less on a whim. That's my score to date. Three. I haven't killed anybody for years, and don't intend to ever again. It was just a stage I was going through.

The Monstrous-Feminine Barbara Creed.2015-09-04 In almost all critical writings on the horror film, woman is conceptualised only as victim. In *The Monstrous-Feminine* Barbara Creed challenges this patriarchal view by arguing that the prototype of all definitions of the monstrous is the female reproductive body. With

close reference to a number of classic horror films including the Alien trilogy, T

Hemingway's Fetishism Carl P. Eby.1998-11-24 In

Hemingway's Fetishism, Carl Eby demonstrates in painstaking detail and with stunning new archival evidence how fetishism was crucial to the construction and negotiation of identity and gender in both Hemingway's life and his fiction. Critics have long acknowledged Hemingway's lifelong erotic obsession with hair, but this book is the first to explain in a theoretically coherent manner why Hemingway was a fetishist and why we should care. Without reducing Hemingway's art to his psychosexuality, Eby demonstrates that when the fetish appears in Hemingway's fiction, it always does so with a retinue of attendant fantasies, themes, and symbols that are among the most prominent and important in Hemingway's work.

The Years of Rice and Salt Kim Stanley Robinson.2003-06-03 With the same unique vision that brought his now classic Mars trilogy to vivid life, bestselling author Kim Stanley Robinson boldly imagines an alternate history of the last seven hundred years. In his grandest work yet, the acclaimed storyteller constructs a world vastly different from the one we know. . . . "A thoughtful, magisterial alternate history from one of science fiction's most important writers."—The New York Times Book Review It is the fourteenth century and one of the most apocalyptic events in human history is set to occur—the coming of the Black Death. History teaches us that a third of Europe's population was destroyed. But what if the plague had killed 99 percent of the population instead? How would the world have changed? This is a look at the history that could have been—one that stretches across centuries, sees dynasties and nations rise and crumble, and spans horrible famine and magnificent innovation. Through the eyes of soldiers and kings, explorers and philosophers, slaves and scholars, Robinson navigates a world where Buddhism and Islam are the most influential and practiced religions, while

Downloaded from
gws.ala.org on
2020-03-23 by guest

Christianity is merely a historical footnote. Probing the most profound questions as only he can, Robinson shines his extraordinary light on the place of religion, culture, power—and even love—in this bold New World. “Exceptional and engrossing.”—New York Post “Ambitious . . . ingenious.”—Newsday

The Castration of Oedipus Joseph C. Smith, Carla J.

Ferstman. 1996-03 The intellectual movements of psychoanalysis, postmodernism, and feminism have redefined the ways in which we think about human experience. And yet, an integration of these movements has been elusive, if not impossible. In this landmark book, J.C. Smith and Carla J. Ferstman combine these disparate traditions to create a provocative, unified, and tightly woven perspective that transcends the misogyny implicit in much of Freudian psychoanalytic theory. The dialectics of domination and submission are central to Smith and Ferstman's argument. Men and women, they insist, must avoid the temptation to fetishize equality and recognize the roles of domination and submission in the human psyche, or, in Nietzsche's terms, the Will to Power. They argue that the unification of psychoanalysis, postmodernism, and feminism leads us to a shocking conclusion--that women and men cannot move beyond the suffering which so haunts the human condition, unless heterosexual men surrender the power that is causing their misery and affirm life by joyfully accepting domination by women. And women, conversely, must reaffirm their power by rejecting Oedipal genderization and embracing a liberating matriarchal consciousness and a matriphallic sexuality. A work of tremendous insight and extraordinary intellectual energy, *The Castration of Oedipus* will provoke strong reactions in all readers regardless of ideology.

Trans-Sister Radio Chris Bohjalian. 2002-08-13 From the bestselling author of *The Flight Attendant* comes a thought-provoking story about gender, love, and new relationships. When Allison Banks develops a crush on Dana Stevens, she knows that

Downloaded from
gws.ala.org on

2020-03-23 by guest

he will give her what she needs most: attention, gentleness, kindness, passion. Her daughter, Carly, enthusiastically witnesses the change in her mother. But then a few months into their relationship, Dana tells Allison his secret: he has always been certain that he is a woman born into the wrong skin, and soon he will transition. Allison, overwhelmed by the depth of her passion, finds herself unable to leave Dana. By deciding to stay, she finds she must confront questions most people never even consider. Not only will her own life and Carly's be irrevocably changed, she will have to contend with the outrage of a small Vermont community and come to terms with her lover's new body—hoping against hope that her love will transcend the physical. Look for Chris Bohjalian's new novel, *The Lioness!*

The Perfect Servant Kathryn M. Ringrose.2007-11-01 The Perfect Servant reevaluates the place of eunuchs in Byzantium. Kathryn Ringrose uses the modern concept of gender as a social construct to identify eunuchs as a distinct gender and to illustrate how gender was defined in the Byzantine world. At the same time she explores the changing role of the eunuch in Byzantium from 600 to 1100. Accepted for generations as a legitimate and functional part of Byzantine civilization, eunuchs were prominent in both the imperial court and the church. They were distinctive in physical appearance, dress, and manner and were considered uniquely suited for important roles in Byzantine life.

Transcending conventional notions of male and female, eunuchs lived outside of normal patterns of procreation and inheritance and were assigned a unique capacity for mediating across social and spiritual boundaries. This allowed them to perform tasks from which prominent men and women were constrained, making them, in essence, perfect servants. Written with precision and meticulously researched, *The Perfect Servant* will immediately take its place as a major study on Byzantium and the history of gender.

Castration Gary Taylor.2002 First Published in 2001. Routledge

Total Dominance Over Her Boy-Toy: A Slave/Master Castration Fantasy Aaron Sans. Pamela's immense wealth and lack of morals makes her a devious woman, having trained young women as lovers and having taken more than one man into her home to dominant them and serve her own needs without returning the favor... when she meets a young boy at a horse stable and take him into her home, she devises a devious plan to remove his manhood in able to make him the perfect submissive.

The Skeleton in the Wardrobe David Holbrook.1991 A startling book from a prolific and admired British scholar-critic of literature and its place in education. Upon confronting the Narnia stories and adult fantasies of C. S. Lewis, Holbrook uncovers disturbing evidence of psychic fears and aggressive solutions that seem antithetical to Christian values and thus to Lewis's reputation. Writers of children's books must be able to depict a world as children envision it, but Lewis's childhood was marked by the death of his mother, neglect from his father, and perverse cruelty from a demented schoolmaster. Holbrook demonstrates how these traumatic experiences are reflected in each of the seven Narnia books, with additional chapters on *That Hideous Strength*, *Perelandra*, and *Till We Have Faces*. Such psychoanalytic interpretations can become doctrinaire and extreme, and Holbrook does at times transform seemingly innocent episodes and names into somber equivalents, yet this is a striking and highly original study that all C. S. Lewis enthusiasts must read.

Eunuchs and Castrati Katherine Crawford.2018-07-17 Eunuchs and Castrati examines the enduring fascination among historians, literary critics, musicologists, and other scholars around the figure of the castrate. Specifically, the book asks what influence such fascination had on the development and delineation of modern ideas around sexuality and physical impairment. Ranging from Greco-Roman times to the twenty-first century, Katherine

Crawford brings together travel accounts, diplomatic records, and fictional sources, as well as existing scholarship, to demonstrate how early modern interlocutors reacted to and depicted castrates. She reveals how medicine and law operated to maintain the privileges of bodily integrity and created and extended prejudice against those without it. In consequence, castrates were constructed as gender deviant, disabled social subjects and demarcated as inferior. Early modern cultural loci then reinforced these perceptions, encouraging an othering of castrates in public contexts. These extensive, almost obsessive accounts of appearance, social propensities, and gender characteristics of castrated men reveal the historical lineages of sexual stigma and hostility towards gender non-normative and physically impaired persons. For Crawford, they are the roots of sexual and physical prejudices that remain embedded in the western experience today.

Shelled Nuts Short Cuts Violet Reigns.2023-03-22 Women often joke about cutting off a man's nuts. What if they could? And what if they really enjoyed doing it? Shelled Nuts Short Cuts is a collection of wicked femdom castration fantasies that don't cut to the chase... they chase to the cut. Both cuts to be precise. Containing all the shortest stories never included in the first six volumes of the Shelled Nuts series, meet 18 more fabulous feminine femdoms with a wicked fetish for giving men two very naughty snips. These stories are pure fantasy for erotic entertainment. They do not contain blood or gore. This collection of femdom castration fantasies includes: Playing Patient, Mail Order Bride, The Agony Of Desire, Sex Education, Addicted To Bad Girls, A Fairy Tale, Coming Clean, Doctor For The Day, Going Nuts For A Girl, The Clinic, Wallflower, Saving The Planet, Relationship Therapy, Two For The Road, Unballed Melody, Size Does Matter, The Ex-Girlfriend, Cops And Ball Robbers.

Epistolary Encounters in Neo-Victorian Fiction K. Brindle.2014-01-24 Neo-Victorian writers invoke conflicting
