**A Political Biography of Maharaja Ripudaman Singh of Nabha** J. S. Grewal.2018 Maharaja Ripudaman Singh of Nabha (1883-1942) was an exceptional ruler, a princely 'rebel' who resisted the paramount power in different ways. Forced to abdicate in 1923 ostensibly on account of 'maladministration', Ripudaman Singh was sent to Kodaikanal in 1928, where he died after 14 years in captivity without any recourse to judicial appeal. Set against the backdrop of Indian nationalism, Sikh resurgence, and British paramountcy, J.S. Grewal and Indu Banga trace the Maharaja's political career, revealing the devious ways in which the paramount power dealt with traditional nobility. They explore his career, education, and upbringing to explain his ideological stance, appreciation for Indian nationalism, and his active involvement in the Sikh reformist movement. Moved by Panthic and nationalist concerns, the Maharaja of Nabha bridged 'Indian India' and British India through the concerns he affirmed, reforms he introduced, and the causes he espoused as a patriot.

'Smart and snappy ... provides the most cogent prediction of how the politics of a post-America world will play out' *New Statesman* What happens when nobody's running the world? The United States is in financial crisis and can't hold onto the reins of the G-20. But China has no interest in international leadership, Europe is trying to save the euro, and emerging powers like Brazil and India are focused on domestic development. No government has the time, resources or political capital needed to take an international lead. The world power structure is about to have a vacancy...at the top. Welcome to the G-Zero world, in which no single country has the power to shape a truly global agenda. That means we are about to see 20 years of conflict over economics, finance and climate change.

Bestselling author and strategist Ian Bremmer reveals how world powers are rapidly turning into gated communities, locked in competition. Who will prevail? 'A prodigy in the US global commentariat. Mr Bremmer's rehearsal of the consequences should make us all wise up' *Financial Times* 'An author who is always full of insights' *George Osborne* Ian Bremmer is the president of the world's leading global political risk research and consulting firm, Eurasia Group. *"All of My Body was Pain"* Skye Wheeler.2017 Burmese soldiers committed widespread rape against women and girls during the military's campaign of ethnic cleansing against Rohingya Muslims in Burma's Rakhine State. Since August 25, 2017, more than 600,000 Rohingya have fled killings, sexual violence, and mass arson, seeking refuge in neighboring Bangladesh. [This report] is based on 52 interviews with women and girls, including 29 survivors of rape. .. Bangladesh and international donors have provided funds and critical services to assist the refugees. But numerous crimes against humanity have been committed without accountability for senior military officials or others responsible for the worst abuses. The United Nations Security Council should urgently implement a full arms embargo on Burma, impose targeted sanctions against leaders responsible for grave violations of human rights, and refer the situation to the International Criminal Court. Attention to sexual violence and other abuses suffered by Rohingya women and girls should be integrated into every aspect of the response to this human rights and humanitarian crisis.--Back cover.

**Nikah Halala** Ziya Us Salam.2020-07-18 Muslim society in India remains in a state of denial when it comes to *nikah halala*. The Quran allows divorce twice. After that the spouses either live together happily or divorce gracefully. Nowhere does it allow marriage with a pre-arranged date of divorce to a new man only to go back to the former husband. *Nikah Halala: Sleeping with a Stranger* is a probing exercise that exposes the cycle of instant triple talaq followed by a fake marriage, which too ends with another instant triple talaq that allows the woman to marry the former husband. While the holy book does not mention instant triple talaq, this tradition is unique to the Indian subcontinent that claims to bring squabbling couples

together but ends up making a mockery of the faith and punishes women for the crimes of men. The first ever book to talk of the subject, Nikah Halala presents the sordid reality of mock marriages against the background of Quranic injunction on the subject and exposes the departure in practice from the teachings of the holy book that gives divorced women complete freedom to follow their path.

**Twelve Years a Slave** Solomon Northup.2024-01-04 Filmatized in 2013 and the official recipient of three Oscars, Solomon Northup's powerful slave narrative 'Twelve Years a Slave' depicts Northup's life as he is sold into slavery after having spent 32 years of his life living as a free man in New York. Working as a travelling musician, Northup goes to Washington D.C, where he is kidnapped, sent to New Orleans, and sold to a planter to suffer the relentless and brutal life of a slave. After a dozen years, Northup escapes to return to his family and pulls no punches, as he describes his fate and that of so many other black people at the time. It is a harrowing but vitally important book, even today. For further reading on this subject, try 'Uncle Tom's Cabin' by Harriet Beecher Stowe. Solomon Northup (c.1807-c.1875) was an American abolitionist and writer, best remembered for his powerful race memoir 'Twelve Years a Slave'. At the age of 32, when he was a married farmer, father-of-three, violinist and free-born man, he was kidnapped in Washington D.C and shipped to New Orleans, sold to a planter and enslaved for a dozen years. When he gained his freedom, he wrote his famous memoir and spent some years lecturing across the US, on behalf of the abolitionist movement. 'Twelve Years a Slave' was published a year after 'Uncle Tom's Cabin' by Harriet Beecher Stowe and built on the anti-slavery momentum it had developed. Northup's final years are something of a mystery, though it is thought that he struggled to cope with family life after being freed.
