Water Resources Engineering Ralph Allen Wurbs, Wesley P. James. 2002 For a basic course in water resources engineering. Also appropriate for more advanced undergraduate and graduate courses and as a reference for practicing engineers. Designed to provide a broad coverage of pertinent topics concerning water resource engineering, this text focuses on fundamental topics of hydraulics, hydrology, and water management. Water resources engineering concepts and methods are addressed from the perspective of practical applications in water management and associated environmental and infrastructure management. The focus is on mathematical modeling and analysis using state-of-the-art computational techniques and computer software. The text is written to easily adapt to the spectrum of ways that individual courses and sequences of undergraduate and graduate courses are organized at various universities, providing flexibility for the instructor.

The Highlander's Surrender Eliza Knight. 2019-09-10 Eliza Knight's bestselling Scottish historical romance series, The Stolen Bride Series, is back with another amazing tale of adventure, passion and love! Ceana Montgomery had notions of marrying for love after her first disastrous marriage ended in widowhood. But now Robert the Bruce has ordered her to marry a stranger, securing a strong alliance and ending a decades-old feud. Already used as a pawn once in marriage, she is devastated that she will once more have to give up her happiness in order to please the edicts of men. And while the braw warrior standing before her might incite feelings inside her she thought long since buried, desire is a far cry from love. The rivalry between Brochan Lamont and his twin brother, John, began in the womb, and only grew worse from there. They were pitted against each other in childhood, and their father left them with a legacy that was a race to the finish—whichever has an heir first inherits the lands. The only problem is that Brochan has given his loyalty to the Scots, and his brother to the English. In order to keep the lands and ships under Scottish control, Robert the Bruce demands Brochan marry to break the iron-clad will. His new bride harbors a fiery temperament that lures Brochan into stoking her passions instead of her ire. Aligned to strengthen the Scottish claims on the realm, Brochan and Ceana must work together to overcome the obstacles that bind them. But perhaps seeing their duties through does not have to be as painful as they both predicted. Is it possible that love can be forged from a union born in alliance? Maybe Fate knew all along just who was meant for who...

Miss Julia Delivers the Goods Ann B. Ross. 2009 Learning that Hazel Marie is pregnant with twins and that the father, private investigator J. D. Pickens, has left town, Miss Julia summons the wayward man to solve a local theft in the hopes of reuniting the couple. By the author of *Miss Julia Paints the Town*.

To My Arrogant Boss J. S. Cooper. 2021-01-01 To Mr. Tate Howard, You are quite possibly the most infuriating, annoying and grumpy man I've ever met in my life. I know you think that you're God's gift to women, but I have a secret to let you in on: you're not. You're God's gift to yourself. Get over your wanna-be cool surfer self and grow up. I thought it was time that someone addressed your big head and told you straight to your face that you're not all that. Just because you have an Ivy league education doesn't mean you're the smartest man in the world. In fact, I'm not even sure if you would have gotten in if you didn't have rich parents. Yes, I went there. Every woman doesn't want to sleep with you and I'm sure you're not even good in bed. And I'm someone that would know. From, Your Secret Not Admirer

The Widow Waltz Sally Koslow. 2014 Left penniless and shattered by devastating secrets revealed in the aftermath of her seemingly successful lawyer husband's sudden death, Georgia rallies herself to pursue a new relationship and support her two daughters.

The Aussie Next Door Stefanie London. 2019-08-27 A sweet, sexy read, featuring a couple that feels both true-to-life and aspirational." Kirkus Review, Starred Review American Angie Donovan has never wanted much. When you grow up getting bounced from foster home to foster home, you learn not to become attached to anything, anyone, or any place. But it only took her two days to fall in love with Australia. With her visa clock ticking, surely she can fall in love with an Australian—and get hitched—in two months. Especially if he's as hot and funny as her next-door neighbor... Jace Walters has never wanted much—except a bathroom he didn't have to share. The last cookie all to himself. And solitude. But when you grow up in a family of seven, you can kiss those things goodbye. He's finally living alone and working on his syndicated comic strip in privacy. Sure, his American neighbor is distractingly sexy and annoyingly nosy, but she'll be gone in a few months... Except now she's determined to find her perfect match by checking out every eligible male in the town, and her choices are even more distracting. So why does it suddenly feel like he—and his obnoxious tight-knit family, and even these two wayward dogs—could be exactly what she needs? To The Rude Guy in Apartment Five J. S. Cooper. 2021-01-01 To The Rude Guy in Apartment Five, I'm glad you're happy to have moved into a new apartment, but no: I do not want to have a beer with you. I do not want to have a nude sleepover. I do not want to make you breakfast, lunch or dinner, no matter how many lap dances you promise to give me. I do not need you to serenade me through the walls at 1am. And no, I have no interest in letting you take me on a date. Sincerely, Magnolia Allen P.S. And no, I do not want to know how many accents you can growl in during intimate moments. How is that even a thing? P. P. S. Also, you will never find me standing naked in your living room ever again, so please stop leaving lingerie packages on my welcome mat.

The Descendants Complete Series (Books 1, 1.5, 2, 3) L.D. Hall. 2019-10-04 "What? Naomi gasped. I'm not going anywhere with you! Alaric could already scent two more witches approaching her apartment. Whatever she'd done had clearly been an accident; he couldn't rely on her magic. They had to get out of here. She flinched as he reached down to cup her face, gazing into her eyes. Sorry about this, he murmured, as he probed her mind. Her thoughts were frantic, moving at an impossible speed. All will be well, he told her silently. Rest now. What—what are you—" she whispered, as her eyes drooped. She slumped forward into his arms. Cradling her, he moved over to the window, and leapt out. *** Alaric, a centuries-old vampire, lives a solitary life by choice. When he's assigned to protect Naomi, long dormant emotions stir to life. Naomi Feldman has never understood the strange energy that hums beneath her senses. But when she comes across an ancient artifact that seems to beckon to her, she may finally find the answers she's been seeking. Pursued by a dangerous enemy and battling their growing attraction, Naomi and Alaric follow the mystery of the artifact from the museums of Athens, the streets of London, towards a confrontation that will decide the fate of two worlds... The RV Lifestyle Manual Jeremy Frost.2020-03-06 Want More Freedom and Travel in Your Life? Read on to Discover an Increasingly Popular Lifestyle That's Surprisingly Affordable. In the words of Bob Dylan, The Times They Are A Changin'. And while this sentiment will always be true, right now it means some pretty exciting things are happening. They have the potential to revolutionize lifestyle and dramatically increase your quality of life. Ubiquitous technologies and flexible societal structures have created opportunities that were previously unimaginable. For example, remote and freelance work has become incredibly common and highly popular given its desirable flexibility and convenience. The RV lifestyle takes these ideals a step further. Living entirely in an RV, you untether completely from a traditional home base and start having a new experience of life. Despite what you might think, the RV lifestyle isn't just for the wealthy or the retired. While it's an alternative living arrangement, you can still continue to work, have a place to come home to every night, and raise a family. 9 million families in the US currently own an RV. Of those, nearly half a million live in theirs full time. This trend is only increasing. It's a fantastic opportunity to get out of the daily grind with more... Freedom Travel Connection to nature and outdoor activities Focus on experiences and relationships (rather than stuff) ...and adventure. It just takes some preparation, adjustment, and investment to get everything in place and in the swing of things. Though there's upfront effort and expenses, you'll end up saving time and more than \$5000 a year in the long run. The RV Lifestyle Manual helps you see if this is for you, get everything up and running, and plan while on the road. In the book, you'll discover: Tons of details and requirements covering every aspect of the RV lifestyle that most people don't think of until they're on the road Answers the riddle of how to live comfortably on the open road (easier than you think). Key requirements for earning an income while traveling Baby steps to downsizing your life and making money in the process RV Purchasing guide - what to look for in an RV based on your situation, intended use, and budget Unexpected things that come up regularly and how to deal with them like it's no big deal How to change things up to make RVing work with children and pets Surprisingly simple things you can do to make a small space feel bigger and homey. Planning your route with lesser-known campgrounds to save money and delight your soul. Frequently asked questions and concerns resolved And much more. Some people resist the idea of an RV lifestyle because it's different than conventional living. While the benefits are extraordinary, the apprehension about change and costs is understandable. By first learning about everything that's involved with the RV lifestyle, you can make an informed choice. Further, you can stagger the changes you're making so everything doesn't come all once. For instance, you can transition to working remotely, downsizing to a smaller fixed living arrangement, or renting an RV to experience it for a limited time. Death Waits in the Dark Mark Edward Langley.2020-08-04 It took all of thirty seconds for two shots to bring the world of Margaret Tabaaha crashing down around her. After losing her husband in Afghanistan during the first year of Operation Enduring Freedom, her two sons were all she had left. Now they had been taken from her violently, deliberately, plunging her into a whiskey bottle and stripping away her reason for living. When Arthur Nakai receives a call from his first love, Margaret, her voice pleading for his help, it comes as he is attending a wake for one of the men he considered a brother from his days in the Marines 6th LAR Wolf Pack Battalion. Feeling a deep and responsible obligation to help her, Arthur soon finds himself involved in the multi-billion-dollar world of the oil and gas industry and coming face-to-face with an old adversary, Elias Dayton. Their paths had crossed when Arthur was a member of the Shadow Wolves, an elite tactical unit within US Customs and Border Protection. Now Dayton runs Patriot Security, a Blackwater-type firm that keeps the oil rigs, gas wells, and man camps secure from the Water Protectors, protesters pushing to stop the fracking and poisoning of Native lands. As Arthur works through the case from his end, Navajo police chief Jake Bilagody tackles it from another angle, looking into the strained relationship between the oil company and the Navajo people, all while searching for a missing Navajo man that may have become an unwilling piece on the reservation checkerboard. But when Arthur learns the identity of the boys' killer, he struggles to make sense of it. Because if the clues are right, he will be forced to make a decision that will haunt him for the rest of his life.

The Undoing Jean Hanff Korelitz.2020-10-13 Get ready for The Undoing, soon to be the most talked about TV of 2020. From the creators of Big Little Lies, The Undoing premieres this autumn starring Nicole Kidman, Hugh Grant and Donald Sutherland. 'A great psychological thriller ... I couldn't put it down.' Daisy Goodwin'Gripping . . . had me in its thrall from page one . . . Brilliant.' MetroA New York Times bestseller Grace Sachs, a happily married therapist with a young son, thinks she knows everything about women, men and marriage. She is about to publish a book called You Should Have Known, based on her pet theory: women don't value their intuition about men, leading to serious trouble later on. But how well does Grace know her own husband? She is about to find out, and in the place of what she thought she knew, there will be a violent death, a missing husband, and a chain of terrible revelations. Left behind in the wake of a very public disaster, and horrified by the ways in which she has failed to heed her own advice, Grace must dismantle one life and create another for herself and her child. Published previously under the title You Should Have Known Pocket Field Guide Stewart.2017-03 In this fully illustrated 4x6 pocket sized field guide, survival instructor Creek Stewart details countless resources that can be gleaned in a survival scenario from 8 of his favorite survival trees. From food, water, shelter, fire, cordage, tools, containers and adhesives, it's incredible what trees provide. This 70 page manual is the culmination of over 20 years of training and testing. This book is not intended to be a tree identification guide. Rather, it should act as a supplement to other guides on the subject, offering survival specific information and insight that typically is not covered (or even mentioned) in the average identification guide. Creek highlights survival skills and uses with photos, illustrations and even supplemental downloads for more detailed skills. Prepare to see trees from a unique perspective rarely brought to the written page

The Numinous Legacy Adair Butchins.2002 Where is God in the universe if anywhere? Why did God make germs? Why should we be so special? Could the universe have been different? This is a book that brings home, in no uncertain fashion, the discrepancy between the universe envisaged by the ancient sages and prophets and that of modern scientific cosmology, where the possibility of divine intervention looks less and less likely. Butchins demonstrates with clarity how the scientific method may be used, despite certain drawbacks, in an attempt to verify objective truth. It describes how the effect of the Copernican Revolution in the seventeenth century has steadily undermined the basic structure of the three great monotheistic religions of our day, Judaism, Christianity, and Islam, especially with respect to their eschatological concepts. The Eastern religions, being less anthropomorphic, are less affected. The theistic argument from design is shown to be powerful enough to have caused disagreement among present-day scientists, in spite of the strictures of Professor Dawkins. In general, the book attempts to make some sense of the structure of the universe in terms of our own consciousness; it behoves the reader to consider the

The Girls in the Snow: A Completely Unputdownable Crime Thriller Stacy Green.2020-10-19 Madison walked through the fallen snow, looking left and right. It had been Kaylee's idea to use the trail through the forest; she said no one would follow them. But Madison lost sight of Kaylee for a moment and when she found her again she wasn't alone... In the remote forests of Stillwater, Minnesota, you can scream for days and no one will

hear you. So when the bodies of two fifteen-year-old girls are discovered frozen in the snow, Special Agent Nikki Hunt is sure the killer is local: someone knew where to hide the girls and thought they would never be found. Though Nikki hasn't been home in twenty years, she knows she must take over the case. The Sheriff's department in Stillwater has already made a mistake by connecting the girls' murders to those of a famous serial killer, refusing to consider the idea that the killer could be someone from town. Then another girl's body is found, a red silk ribbon tied in her hair, and Nikki realizes that the killer has a connection to her own dark past, and the reason she left Stillwater. Nikki is not the only person in town who wants those secrets to stay hidden. Will she be able to face her demons before another child is taken? Gripping and spine-chilling, *The Girls in the Snow* will make you gasp, unable to put it down until the final heart-pounding twist. Perfect for fans of Karin Slaughter, Lisa Gardner and Robert Dugoni. What readers are saying about *The Girls in the Snow* This is the thriller that I didn't know I was waiting for and needed in my life until I picked it up. SO GOOD. I'm still reeling and trying to catch my breath from this highly suspenseful and emotionally charged story... I need more ASAP. Reading in Autumn, 5 stars First time reading this author and I couldn't put it down. Suspense that will keep you hooked until the very last page. Even when I wasn't reading it, I couldn't stop thinking about it... I had to see what happened. Goodreads reviewer, 5 stars A dagger sharp crime thriller. Highly recommended... I loved Nikki Hunt... Engaging. I never figured out what was going to happen next until I read it myself. NetGalley reviewer, 5 stars This is the first book in a long time that I've given up all household responsibilities, all TV time for and all my study time for. [I] knew nothing was going to get done outside of my day job until I finished this book, which I did in 24 hours... Fast-paced and jam-packed from start to finish. Goodreads reviewer, 5 stars Kept me guessing throughout... This one gets 5 stars, great series starter... a compelling mystery that had me wondering whodunit right up until the killer was revealed. Goodreads reviewer, 5 stars This book was fantastic! Everything about it worked... I was hooked from page one and didn't put it down until I was done... I had no idea who the killer was until it was revealed. This is going to be a must read series! Goodreads reviewer, 5 stars

Swim Speed Secrets for Swimmers and Triathletes Sheila Taormina.2012-05-01 In *Swim Speed Secrets*, 4-time Olympian, gold medalist, and triathlon world champion Sheila Taormina reveals the swim technique used by the world's fastest swimmers. Over the course of 4 Olympic Games and throughout her career as a world champion triathlete, Taormina refined her exceptional technique as a student of the sport, studying the world's best swimmers using underwater photographs and video analysis. From Johnny Weissmuller to Michael Phelps, the world's fastest swimmers share two common elements: high stroke rate and a high-elbow underwater pull. Many swimmers and triathletes neglect the underwater pull, distracted by stroke count or perfecting less critical details like body position, streamlining, and roll. *Swim Speed Secrets* focuses on producing power—the most crucial element of swimming—to help triathletes and swimmers overhaul their swim stroke and find the speed that's been eluding them. With a commonsense approach that comes from decades of practice and years of hands-on coaching experience, Taormina shows swimmers how to transition to faster swimming. *Swim Speed Secrets* includes: The best drills to cultivate a more sensitive feel for the water Dryland and strength building exercises to develop arm position and upper body musculature Crisp photos of Olympic swimmers and variations in their high-elbow underwater pull Clear descriptions of the key moments of the underwater pull Tips that helped her perform at a world-class level for two decades Sheila Taormina's *Swim Speed Secrets* brings the focus back where it belongs—to a powerful underwater stroke. With this approach, triathletes and swimmers can stop swimming for survival and break through to new levels of speed and confidence in the water.

Heal Your Knees Robert L. Klapper,Lynda Huey.2004-07-25 Put an end to knee pain! An esteemed surgeon and a water therapy expert team up to tell you the essentials about your knees, how to get them back into shape, and how to prevent further pain and injury. Through careful explanation, they examine each part of the healing process—from basic function to long-term exercises—guiding you to a pain-free life. With detailed information on a variety of healing options, you will learn how to make the right decisions for your knees, understand when and why surgery is appropriate, and how simple exercise in your living room and in the pool can speed the post-surgical healing process.

The MELT Method (Enhanced Edition) Sue Hitzmann.2015-01-20 In this enhanced digital edition of *The MELT Method*, Sue Hitzmann shows you how to live without pain, illustrating her MELT techniques with 20 instructional videos plus 10 audio clips, so you can listen hands-free while you start your journey toward a pain-free body. In *The MELT Method*, therapist Sue Hitzmann offers a breakthrough self-treatment system to combat chronic pain and erase the effects of aging and active living—in as little as ten minutes a day. With a focus on the body's connective tissues and the role they play in pain, stress, weight gain, and overall health, Hitzmann's life-changing program features techniques that can be done in your own home. A nationally known manual therapist and educator, Hitzmann helps her clients find relief from pain and suffering by taking advantage of the body's natural restorative properties. *The MELT Method* shows you how to eliminate pain, no matter what the cause, and embrace a happier, healthier lifestyle.

Can you imagine what it would be like not to have any memory of your first ten years of life?

Jake Howard knows how that feels. He's a successful psychiatrist and writer. He has an apparently adoring lover and the respect of his peers. But he also has a huge gap where his childhood memories should be. What's more, Jake is tormented by the worst kind of nightmares. Nightmares he's not even sure are his.

Tormented by dreams and visions that threaten his sanity, he must find their source in order to understand and banish them.

His hunt will take him to a run-down seaside town, to the place where he was raised and also forty years back in time, to what he must confront to release himself from the grip of the visions and also to discover the hidden memories.

However, he will discover things about himself he did not dare imagine. Things he really didn't want to know.

And he will also discover that not everyone is what they appear to be. Those revelations will expose a darkness and horror that no one should have to confront.

Sometimes a lie is preferable.

Some truth is best left undiscovered...
