Wikisource: Online library of user-submitted and maintained content. While you won't technically find free books on

this site, at the time of this writing, over 200,000 pieces of content are available to read. eBookLobby is a free source of eBooks from different categories like, computer, arts, education and business. There are several sub-categories to choose from which allows you to download from the tons of books that they feature. You can also look at their Top10 eBooks collection that makes it easier for you to choose. These are some of our favorite free e-reader apps: Kindle Ereader App: This app lets you read Kindle books on all your devices, whether you use Android, iOS, Windows, Mac, BlackBerry, etc. A big advantage of the Kindle reading app is that you can download it on several different devices and it will sync up with one another, saving the page you're on across all your devices. After you register at Book Lending (which is free) you'll have the ability to borrow books that other individuals are loaning or to loan one of your Kindle books. You can search through

the titles, browse through the list of recently loaned books, and find eBook by genre. Kindle books can only be loaned once, so if you see a title you want, get it before it's gone. Think of this: When you have titles that you would like to display at one of the conferences we cover or have an author nipping at your heels, but you simply cannot justify the cost of purchasing your own booth, give us a call. We can be the solution. Free Kindle Books and Tips is another source for free Kindle books but discounted books are also mixed in every day. Much of its collection was seeded by Project Gutenberg back in the mid-2000s, but has since taken on an identity of its own with the addition of thousands of self-published works that have been made available at no charge.
