My Movie Business John Irving.2012-05-08 John Irving's memoir describes the author's involvement (and lack thereof) in five of the films that have (and have not) been made from his nine novels. My Movie Business focuses primarily on the thirteen years Mr. Irving spent writing and rewriting his screenplay of *The Cider House Rules*, for four different directors. A Miramax production, the film was finally shot in the fall of 1998 directed by the Swedish director Lasse Hallström (*My Life as a Dog*), with Michael Caine in the role of Dr. Larch. *The Cider House Rules* is a November 1999 release. Mr. Irving also writes about the failed effort to make his first novel, *Setting Free the Bears*, into a movie; about two of the films that were made from his novels (but not from his screenplays), *The World According to Garp* and *The Hotel New Hampshire*; and about his ongoing struggle to shepherd his screenplay of *A Son of the Circus* into production. In addition to its qualities as a memoir - anecdotal, comic, affectionate, and candid - My Movie Business is an insightful essay on the essential differences between writing a novel and writing a screenplay. Never have the two forms of storytelling been so lucidly compared and contrasted; the details are memorable, the examples clarifying. My Movie Business includes photos by Stephen Vaughan, the still photographer on the film set of *The Cider House Rules*.

Good Will Hunting Ben Affleck,Matt Damon.1997-12-25 As director Gus Van Sant observes in the introduction to Matt Damon's and Ben Affleck's screenplay *Good Will Hunting*, the two young actors somewhat resemble the characters they play in the film: they're best friends, and Affleck (who plays Chuckie) habitually chauffeurs Damon (Will), who doesn't drive. Van Sant says we can see how badly Damon drives by watching the film's last scene, in which he is actually driving the car with the camera mounted on it. But Damon and company write better than he drives; this script contains some of the boldest, best monologues since *Pulp Fiction*.Van Sant and cast member Robin Williams helped the young actors tame the tigers in their cranial tanks, trimming the script into a precision instrument. Though the stills from the film are not perfectly matched to their places in the script, this story remains as much a joy to read as it is to watch on the big screen.

Sleepless in Hollywood Lynda Obst.2013-06-11 The veteran producer and author of the bestseller *Hello, He Lied* takes a witty and critical look at the new Hollywood. Over the past decade, producer Lynda Obst gradually realized she was working in a Hollywood that was undergoing a drastic transformation. The industry where everything had once been familiar to her was suddenly disturbingly strange. Combining her own industry experience and interviews with the brightest

minds in the business, Obst explains what has stalled the vast moviemaking machine. The calamitous DVD collapse helped usher in what she calls the New Abnormal (because Hollywood was never normal to begin with), where studios are now heavily dependent on foreign markets for profit, a situation which directly impacts the kind of entertainment we get to see. Can comedy survive if they don't get our jokes in Seoul or allow them in China? Why are studios making fewer movies than ever—and why are they bigger, more expensive and nearly always sequels or recycled ideas? Obst writes with affection, regret, humor and hope, and her behind-the-scenes vantage point allows her to explore what has changed in Hollywood like no one else has. This candid, insightful account explains what has happened to the movie business and explores whether it'll ever return to making the movies we love—the classics that make us laugh or cry, or that we just can't stop talking about.

Get Out Jordan Peele.2019-11-19 Jordan Peele's celebrated screenplay combines horror and dark humor to reveal the terrifying realities of being Black in America Blending race-savvy satire with horror to especially potent effect, this bombshell social critique from first-time director Jordan Peele proves positively fearless. -Peter Debruge, Variety An exhilaratingly smart and scary freak out about a black man in a white nightmare. -Manohla Dargis, New York Times A major achievement, a work that deserves, in its own way, to be viewed alongside Barry Jenkins' Moonlight as a giant leap forward for the possibilities of black cinema; Get Out feels like it would have been impossible five minutes ago. -Brandon Harris, New Yorker Jordan Peele's powerful thriller Get Out debuted in 2017 to enormous public and critical acclaim, a Guess Who's Coming to Dinner? for the age of Obama and Trump that scared audiences and skewered white liberal pieties at the same time. Rather than rely on popular archetypes, Peele weaves together the material realities and daily manifestations of horror with sociopolitical fears and elements of true suspense, and combines them with pitch-perfect satire and a timely cultural critique. This companion paperback to the film presents Peele's Oscar-winning screenplay alongside supplementary material. Featuring an essay by author and scholar Tananarive Due and in-depth annotations by the director, this publication is richly illustrated with more than 150 stills from the motion picture and presents alternate endings, deleted scenes and an inside look at the concepts and behind-the-scenes production of the film. Continuing in the legacy of 1960s paperbacks that documented the era's most significant avant-garde films--such as Akira Kurosawa's Rashomon, Jean-Luc Godard's Masculin/Feminin and Michelangelo Antonioni's L'Avventura--Get Out is an indispensable guide to this pioneering and groundbreaking cinematic work. Jordan Peele (born 1979) is an American writer, director and producer. Peele's directorial debut, Get Out (2017), earned him an Academy Award for Best Original Screenplay as well as nominations for Best Picture and Best Director. In 2012, Peele founded Monkeypaw Productions, which amplifies traditionally underrepresented voices and unpacks contemporary social issues, while cultivating artistic, thought-provoking projects across film, television and digital platforms, including Peele's follow-up to Get Out, the critically acclaimed horror epic, Us (2019).

Four Screenplays Syd Field. 1994-08-01 Yes, you can write a great screenplay. Let Syd Field show you how. "I based *Like Water for Chocolate* on what I learned in Syd's books. Before, I always felt structure imprisoned me, but what I learned was structure really freed me to focus on the story."—Laura Esquivel Technology is transforming the art and craft of screenwriting. How does the writer find new ways to tell a story with pictures, to create a truly outstanding film? Syd Field shows what works, why, and how in four extraordinary films: *Thelma & Louise*, *Terminator 2: Judgement Day*, *The Silence of the Lambs*, and *Dances with Wolves*. Learn how: Callie Khouri, in her first movie script, *Thelma & Louise*, rewrote the rules for good road movies and played against type to create a new American classic. James Cameron, writer/director of *Terminator 2: Judgement Day*, created a sequel integrating spectacular special effects and a story line that transformed the Terminator, the quintessential killing machine, into a sympathetic character. This is how an action film is written. Ted Tally adapted Thomas Harris's chilling 350-page novel, *The Silence of the Lambs*, into a riveting 120-page script—a lesson in the art and craft of adapting novels into film. Michael Blake, author of *Dances with Wolves*, achieved every writer's dream as he translated his novel into an uncompromising film. Learn how he used transformation as a spiritual dynamic in this work of mythic sweep. Informative and utterly engrossing, *Four Screenplays* belongs in every writer's library, next to Syd Field's highly acclaimed companion volumes, *Screenplay*, *The Screenwriter's Workbook*, and *Selling a Screenplay*. Under the Eye of the Clock Christopher Nolan.2000 Oxygen-deprived for two hours at birth, Christopher Nolan lived to write, at age twenty-one, the autobiography of his childhood, told as the story of Joseph Meehan. He wrote the book, using a unicorn stick attached to his head, letter by painful letter. The result is astonishingly lyrical, filled with powerful description, touching moments of triumph and humiliation, and, above all, disarming wit. It is, in the words of London's Daily Express, a book of sheer wonder.

War of the Worlds Josh Friedman.2005-10-20 The Newmarket Shooting Script® book includes the film's screenplay, an introduction by screenwriter David Koepp, a Q&A with Koepp on adapting the classic book, a color photo section highlighting the acclaimed visual effects created by Spielberg and his team, and the cast and crew credits.

Movies Are Prayers Josh Larsen.2017-06-13 Movies are our way of telling God what we think about this world and our place in it. . . . Movies can be many things: escapist experiences, historical artifacts, business ventures, and artistic expressions, to name a few. I'd like to suggest that they can also be prayers. Movies do more than tell a good story. They are expressions of raw emotion, naked vulnerability, and unbridled rage. They often function in the same way as prayers, communicating our deepest longings and joys to a God who hears each and every one. In this captivating book, Filmspotting co-host Josh Larsen brings a critic's unique perspective to how movies function as expressions to God of lament, praise, joy, confession, and more. His clear expertise and passion for the art of film, along with his thoughtful reflections on the nature of prayer, will bring you a better understanding of both. God's omnipresence means that you can find him whether you're sitting on your sofa at home or in the seats at the theater. You can talk to him wherever movies are shown. And when words fail, the perfect film might be just what you need to jump-start your conversations with the Almighty.

Save the Cat! Blake Snyder.2005 This ultimate insider's guide reveals the secrets that none dare admit, told by a show biz veteran who's proven that you can sell your script if you can save the cat!

Lage Raho Munna Bhai Vinod Chopra.2010 Since its release on September 1, 2006, *Lage Raho Munna Bhai* has been watched by millions, broken box-office records, won unprecedented praise from the masses and critics alike, and most importantly, forced a nation of one billion people and the world's largest democracy to revisit their much misunderstood icon, Mahatma Gandhi. Following the release of the film, there has been a four hundred percent increase in the sale of literature about Gandhi. Schools and universities have introduced courses on Gandhigiri - a phrase from the film that has become a part of India's collective consciousness. Websites, fan clubs, discussion forums, and citizen groups have sprung across the nation to discuss the film's unique ideas. The Washington Post called the film, "A phenomenon that made Gandhi a pop icon." Amazingly, the movie that has inspired such an astonishing response is an unassuming comedy. A gangster has hallucinations that he can see Gandhi! With this simple premise, the movie explores the relevance of Gandhian ideals in the contemporary world beleaguered by violence and hate, while never forgetting to be, as The Guardian points out, "A magnificent entertainment."
