For the Love of My Mother John Rodgers.2008-08-07 For the Love of My Mother is the tragic and uplifting story of one Irish mother and her son. Born into a life of poverty and detained at the tender age of two for begging in the streets, Bridget Rodgers proceeded to spend the next 30 years of her life locked away in one institution or another. The orphanage came first but after being raped and falling pregnant, she was sent to a home for unmarried mothers where she gave birth, had her son taken away from her and then was sent to one of the infamous Magdalen Laundries. And that really is only the beginning of the story. A truly gripping tale told by the son she thought she'd lost for ever, it is a story of triumphing over poverty, a tale of hope when there seems to be none, and a tribute to a mother's love for her son.

Letter to My Mother Edith Bruck,Brenda Webster.2006 Through literary works and public appearances, Edith Bruck, born 1932 in Hungary, has devoted her life to bearing witness to what she experienced in the Nazi concentration camps. In 1954 she settled in Rome and is today the most prolific writer of Holocaust narrative in Italian. The book is composed in two parts. Lettera alla madre—an imaginary dialogue between Bruck and her mother, who died in Auschwitz—probes the question of self-identity, the pain of loss and displacement, the power of language to help recover the past, and the ultimate impossibility of that recovery. Tracce, a story of a journey without return, completes the diptych. Bruck's experimental fusion of memoir and fiction portrays the Holocaust from a female perspective and highlights the role of gender in the creation of memory.

What My Mother Gave Me Elizabeth Benedict.2013-04-02 In *What My Mother Gave Me*, women look at the relationships between mothers and daughters through a new lens: a daughter's story of a gift from her mother that has touched her to the bone and served as a model, a metaphor, or a touchstone in her own life. The contributors of these thirty-one original pieces include Pulitzer Prize winners, perennial bestselling novelists, and celebrated broadcast journalists. Whether a gift was meant to keep a daughter warm, put a roof over her head, instruct her in the ways of womanhood, encourage her talents, or just remind her of a mother's love, each story gets to the heart of a relationship. Rita Dove remembers the box of nail polish that inspired her to paint her nails in the wild stripes and polka dots she wears to this day. Lisa See writes about the gift of writing from her mother, Carolyn See. Cecilia Muñoz remembers both the wok her mother gave her and a lifetime of home-cooked family meals. Judith Hillman Paterson revisits the year of sobriety her mother bequeathed to her when Paterson was nine, the year before her mother died of alcoholism. Abigail Pogrebin writes about her middle-aged bat mitzvah, for which her mother provided flowers after a lifetime of guilt for skipping her daughter's religious education. Margo Jefferson writes about her mother's gold dress from the posh department store where they could finally shop as black women. Collectively, the pieces have a force that feels as elemental as the tides: outpourings of lightness and darkness; joy and grief; mother love and daughter love; mother love and daughter rage. In these stirring words we find that every gift, no matter how modest, tells the story of a powerful bond. As Elizabeth Benedict points out in her introduction, "whether we are mothers, daughters, aunts, sisters, or cherished friends, we may not know for quite some time which presents will matter the most.

Please Send this Book to My Mother Sarah Entwistle.2015 In Please send this book to my mother, artist Sarah Entwistle dismantles the traditional form of the architectural monograph and artist biography. In 2011, the astounding personal effects of her grandfather, architect Clive Entwistle (1916-76), emerged from a Manhattan storeroom. This book welds together original text fragments and extensive visual material from the collection and Clive Entwistle's years in Paris, London, Tangiers, and New York. Clive Entwistle described his cardinal points as: Philosophy, Architecture, Intellect, and Sex. He was an autodidact whose unconsolidated practice tackled utopian city plans, product design, structural engineering, formal experimentation, and architectural critique. The one-time translator and collaborator of Le Corbusier, Entwistle's proposal for the Crystal Palace (1946) was described by Corbusier as, one of the great projects of our time. However, none of his ambitious proposals was realized, and Entwistle's presence was largely erased from the landscape of modernism. Sarah Entwistle has constructed an ambiguous portrait, an evocative rendition of an extraordinary life, which provokes questions on the authority of the biographer and the monograph. This publication reaches beyond these genres to resemble an artist's book of poetry and prose fiction. Published to coincide with Sarah Entwistle's solo exhibition of new sculptural works, He was my father and I an atom destined to grow into him, Fondation Le Corbusier, Paris, October 23-December 6, 2015.

When You Thought I Wasn't Looking Mary Rita Schilke Korzan.2013-02-05 When I wrote a tribute for my mother years ago, I never anticipated it would take a worldwide journey. Nonetheless, that is exactly what happened. The story I am about to share with you may read like fiction. I can assure you, there is nothing in the world that has ever been more true. --Mary Rita Korzan Mary Rita Schilke Korzan wrote a poem to her mother 24 years ago, thanking her for all she had done as a mother, friend, and role model. She gave the poem to her mother and, a few months later, offered it as a tribute when Mary and her husband were married. So many wedding guests asked for a copy that Mary included one in her thank-you notes. Thus began the strange and heartwarming journey of Mary's poem to her mom. Friends passed it on to those they knew. A minister in her hometown couldn't recall who gave it to him, but he included the by-then anonymously written poem in his book about loving others. Another author picked it up from there for her compilation of heartfelt works, and Mary finally noticed her poem, now listed as Author Unknown, in A Fourth Course of Chicken Soup for the Soul, which her husband and children gave her as a Mother's Day gift. With When You Thought I Wasn't Looking, readers have the chance to experience Mary's poem in its entirety and from its creator. This is the special kind of book that reminds us that sometimes the little things we do just because mean more to someone than we can imagine. Those little things teach love, compassion, and understanding. In other words, they're priceless. This sweet gift book brings that lesson home to the heart.

The Mother of All Questions Rebecca Solnit.2017-02-12 A collection of feminist essays steeped in “Solnit’s unapologetically observant and truth-speaking voice on toxic, violent masculinity” (The Los Angeles Review). In a timely and incisive follow-up to her national bestseller *Men Explain Things to Me*, Rebecca Solnit offers sharp commentary on women who refuse to be silenced, misogynistic violence, the fragile masculinity of the literary canon, the gender binary, the recent history of rape jokes, and much more. In characteristic style, “Solnit draw[s] anecdotes of female indignity or male aggression from history, social media, literature, popular culture, and the news . . . The main essay in the book is about the various ways that women are silenced, and Solnit focuses upon the power of storytelling—the way that who gets to speak, and about what, shapes how a society understands itself and what it expects from its members. *The Mother of All Questions* poses the thesis that telling women’s stories to the world will change the way that the world treats women, and it sets out to tell as many of those stories as possible” (The New Yorker). “There’s a new feminist revolution—open to people of all genders—brewing right now and Rebecca Solnit is one of its most powerful, not to mention beguiling, voices.”—Barbara Ehrenreich, *New York Times*—bestselling author of *Natural Causes* “Short, incisive essays that pack a powerful punch.” —Publishers Weekly “A keen and timely commentary on gender and feminism. Solnit’s voice is calm, clear, and unapologetic; each essay balances a warm wit with confident, thoughtful analysis, resulting in a collection that is as enjoyable and accessible as it is incisive.” —Booklist

Crash Carolyn Roy-Bornstein.2012-09-06 In these pages she explores all of these boundaries: between then and now, grief and gratitude, before and after, us and them. Tears of My Mother Wendy Osefo.2022-09-20 When star of Bravo’s *The Real Housewives of Potomac* Dr. Wendy Osefo was growing up, her mother was her everything. But when she became a mother herself, everything changed. In this “exquisitely-drawn portrait of the intense bond that only a mother can have with a daughter” (Katie Haufner, author of *Mother Daughter Me*), Wendy explores how her Nigerian upbringing has affected her life, her success, and her role as a parent. Wendy Osefo’s mother, Iyom Susan Okuzu, arrived in the United States from Nigeria with two things: a single suitcase and the fierce determination to make a better life for herself and her future family. And she succeeded: starting out working in a fast-food restaurant and ultimately becoming the director of nursing at a major metropolitan hospital. While Susan may have taken pride in triumphing over every financial and emotional challenge, in Nigerian culture, a parent is only as successful as his or her children. And so her daughter, with gratitude and appreciation for her mother’s sacrifices, worked hard to meet every demand Susan made of her. With four advanced degrees and a position at Johns Hopkins University as a professor—as well as being a highly sought-after political commentator, a cherished wife, and a loving mother of three—Dr. Wendy has given her mother bragging rights for life. But at what cost to herself? In *Tears of My Mother*, the star of *The Real Housewives of Potomac* describes growing up as a first-generation American, balancing two distinct cultures. And she takes a critical look at the paradox of her mother’s parenting: approval conditioned by achievement. As a teenager, Wendy struggled to carve out her own identity while still walking the narrow path of her mother’s expectations. Unwavering family loyalty and obedience gave Wendy the road map to making it in America, but it also drove a wedge between mother and daughter, never more so than when she began to build her own family. “A love letter to Dr. Osefo’s mother and first-generation immigrants all across America” (Library Journal), this book is for anyone who has faced conflict in the mother-daughter relationship or wondered how much of their own upbringing they want to pass on to the next generation.
