The Art of Cake Pops Noel Muniz.2016-08-02 Cake pops are the hottest bestselling confections in bakeries today, but anyone can make these fun little treats at home with this essential guide. Though they may look intricate and difficult to make, with a little practice and imagination, kids and adults will be making these colorful creations in no time! Noel Muniz shows you the basics of making these small, delectable sweets, with tips that will guide you in every step of the process. The Art of Cake Pops covers everything you need to become a cake pop pro, including the different types of chocolates to use, how to use cookie cutters as molds, coloring chocolate, and when it's best to use homemade or boxed cake. There are also sections about preventing or fixing common baking problems and mistakes like cake pops that crack, leaking oil, or streaking, with detailed photos to help you along the way. Filled with delicious recipes for cake flavors such as chocolate, banana, strawberry, and lemon, and seventy-five colorful and creative designs for silly frogs, cute babies, and vibrant butterflies—along with twenty-five party theme ideas—you'll make a splash at any gathering, and your cake pops will be the talk of the event. America loves foods on sticks, and with full cake flavor and a quarter of the guilt, these cakes on a stick are no exception.

Maps of the Disney Parks Vanessa Hunt, Kevin Neary, Susan Neary.2016-10-18 It all started with a map. . . . Maps of the Disney Parks are more than just atlases used by guests to find their way to Big Thunder Mountain Railroad. They are snapshots of a place and time, relics treasured by collectors, and gorgeous pieces of artwork. In fact, it was a map-imagined by Walt Disney and drawn by Herbert Ryman-that was used to sell the idea of Disneyland to investors. Unfold this book bursting with beautiful maps from when the very first Disney Park opened in 1955 right up to today. Discover details on how and why the domestic and international parks have changed over time, and enjoy six decades worth of skillful creativity.

The Art of Disney Costuming Jeff Kurtti, Staff of the Walt Disney Archives.2019-09-17 Celebrate the imagination, passion, and attention to detail invested in each Disney costume within this gorgeous coffee table book! The elegant and adventurous array of dresses, uniforms, and other attire is a feast for the eyes and a fascinating examination of pure craft and of the brilliant, creative minds behind it. The collection begins with a summation of the costumes created for Disney animation, early live action, and television, along with show wardrobes sported at the Disney Parks by Audio-Animatronics figures and Cast Members. The next section details a timeless case study: Cinderella's ball gown. A diverse group of designers has been called upon over the years to address and improvise the creative and practical needs each time the fairy tale Cinderella has been reimagined. Each project has brought with it inherent cultural challenges when bringing a familiar and beloved tale to life again and again, and all have yielded stunning and distinct results. At last, the full galleries (organized by the character archetypes of heroes and villains, and those complex, always interesting, spaces between) showcase costumes across more than thirty Disney films. At each turn, this volume offers a one-of-a-kind backstage view of remarkable works of art, and it inspires a true appreciation for the highly skilled and talented costumers who created them.

Art of Coloring: Tim Burton's The Nightmare Before Christmas Disney Book Group.2017-07-18 Whimsically macabre artwork, patterns, and designs permeate the story of Tim Burton's The Nightmare Before Christmas. These images are ideal for adding your own brand of color and style. Perfect for cultivating creativity, relaxation, and focus, these pages are filled with artwork evocative of the delightfully frightful world of Jack Skellington.

Holiday Magic at the Disney Parks Graham Allan, Rebecca Cline, Charles Price.2020-08-25 The autumn and winter holidays are more than individual, celebrated feasts; they are an exceptional concoction of feelings, dreams, hopes, reawakened memories, and (perhaps more than at any other time of year) a renewal of traditions. Sounds a bit like the Disney theme park experience already, doesn't it? Disney magic and holiday enchantment blend smoothly, and the result has delighted guests for decades. This spectacular oversized coffee table book offers visual storytelling at its best. More than 1,800 photographs (more than half of them taken just for this book) showcase Disney's key locations filled with special holiday menu offerings, the big biggest parade and stage productions and nighttime spectacles, the tiniest decorating details from amazing artists and designers, and of course the most significant historical holiday events. A harmonic trio of researchers, writers, and photographers logged more than 150,000 miles in visiting every Disney park and resort across the globe, personally documenting the holiday installations through fifty-five thousand photographs and, wherever possible, meeting the talented and endlessly passionate artisans behind it all. With twelve theme parks and dozens of resorts, plus numerous cruise ships, dining and shopping districts, and more than six decades of holiday experiences, there're a lot of pumpkin treatments and ornate trees to reflect upon. (The smallest holiday tree at a Disney property is just four inches high, while very tallest ever put up was seventy feet.) Every parade or show requires dozens (sometimes hundreds) of creative magicians both onstage and off. And each decoration is chosen carefully to fit within a story and is placed on its tree or garland by craftspeople backstage. The decor is installed onstage, maintained, and, ultimately, de-installed and disassembled by small armies of technicians before it is once again cleaned, prepared, and stored in vast warehouses for the next year's use. The stories and contributions from so many unsung employees (usually working hard at hours of the night when so many people are asleep) fill these pages, along with the joys of Halloween, Christmas, Hanukkah, and New Year celebrations. Time to join the party!

Insignificant Events in the Life of a Cactus Dusti Bowling.2017-09-05 "Aven is a perky, hilarious, and inspiring protagonist whose attitude and humor will linger even after the last page has turned." —School Library Journal (Starred review) Aven Green loves to tell people that she lost her arms in an alligator wrestling match, or a wildfire in Tanzania, but the truth is she was born without them. And when her parents take a job running Stagecoach Pass, a rundown western theme park in Arizona, Aven moves with them across the country knowing that she'll have to answer the question over and over again. Her new life takes an unexpected turn when she bonds with Connor, a classmate who also feels isolated because of his own disability, and they discover a room at Stagecoach Pass that holds bigger secrets than Aven ever could have imagined. It's hard to solve a mystery, help a friend, and face your worst fears. But Aven's about to discover she can do it all . . . even without arms. Disney Movie Posters Kevin Luperchio.2015-09-15 Anyone who has ever seen a Disney movie knows that the iconic images are beautifully conveyed via the magnificent posters. The tone of the movie and the full range of emotions we experience in seeing the film are often captured in a single poster. After having seen and experienced a wonderful Disney motion picture, the mere sight of the poster can bring back the feelings of having taken the journey by watching the film. Disney Movie Posters is a tribute to those posters, which tell the story both before and after we see the movie. Disney Movie Posters have been an important part of the motion picture process since Disney began making motion pictures. Not only are they eye-catching pieces of artwork, they are also designed to entice the movie-going audience. From Steamboat Willie, to Frozen and countless movies in between, Disney Movie Posters have been an important part of the films themselves. Disney shorts, animated movies, live action movies and Pixar movies can be remembered and honored by the posters that so efficiently capture the magic of the film.

Delicious Disney: Walt Disney World Pam Brandon, Marcy Carriker Smothers.2022-04-19 Walt Disney World honors its fiftieth anniversary with The World's Most Magical Celebration, an incredible 18-month event that begins October 1, 2021. As part of the festivities, Delicious Disney: Walt Disney World is a holistic look at the Florida resort's culinary past, present, and future—all organically woven around diverse recipes from the Disney Chefs and fit for home chefs of varying skill levels. After the success of Disneyland, Walt Disney wanted to build something more elaborate and with more room. Ultimately, it was Walt's brother and business partner, Roy O. Disney, who brought forth his sibling's dream—and made it a reality—when the Magic Kingdom opened in 1971. More than fifty years later, we still celebrate Walt's dream, Roy's vision and commitment, plus the dedication of those who serve up a world of magic. And all of it is deliciously Disney. Filled with a heartfelt narrative and behind-the-scenes anecdotes, mouth-watering food photos, gorgeous Walt Disney Imagineering concept artwork, nostalgic restaurant menus and ephemera, and a little Disney magic, this cookbook-meets-culinary-history coffee table book enchants with more than sixty recipes. Including an assortment of appetizers, main courses, sides, desserts, and even joyful libations, these dishes come from fine-dining and quick-service establishments across the resort. Each has been tested by home chefs to help you bring your cherished vacation memories to life . . . and inspire new ones for years to come.
