**Becoming Billie Holiday** Carole Boston Weatherford.2022-01-11 The stunning voice and hard life of legendary jazz singer Billie Holiday is revealed through evocative, accessible poetry. In 1915, Sadie Fagan gave birth to a daughter she named Eleanora. The world, however, would know her as Billie Holiday, possibly the greatest jazz singer of all time. Eleanora's journey to become a legend took her through pain, poverty, and run-ins with the law. By the time she was fifteen, she knew she possessed something that could possibly change her life--a voice. Eleanora could sing. Her remarkable voice led her to a place in the spotlight with some of the era's hottest big bands. Through a sequence of raw and poignant poems, New York Times best-selling and award-winning poet Carole Boston Weatherford chronicles the singer's young life, her fight for survival, and the dream she pursued with passion.

*Lady sings the Blues* Billie Holiday.2014-11-14 Die Autobiografie der legendären Jazzsängerin Billie Holiday! Man hat mir gesagt, dass niemand das Wort ›Hunger‹ so singt wie ich. Genauso das Wort ›Liebe‹. Vielleicht liegt das daran, dass ich weiß, was diese Worte bedeuten. Vielleicht liegt das daran, dass ich stolz genug bin, mich an all das erinnern zu wollen, an Baltimore und Welfare Island, das katholische Heim und das Jefferson-Gericht, an den Sheriff vor unserm Haus in Harlem und die Städte in ganz Amerika, wo ich meine Beulen und Narben abbekommen habe, Philadelphia und Alderson, Hollywood und San Francisco, an jede Kleinigkeit. Alle Cadillacs und Nerze der Welt - und ich hatte von beiden schon einige - können das nicht aufwiegen oder vergessen machen. Alles was ich je von den Menschen gelernt habe, liegt in diesen beiden Worten. Zuerst braucht man etwas zu essen und ein bisschen Liebe, bevor man sich die Predigt von irgendjemandem über richtiges Verhalten anhören kann. Alles, was ich bin und was ich vom Leben will, sagen diese beiden Wörter.

*Billie Bradley and Her Inheritance* Janet D. Janet D. Wheeler.2013-07-25 Aren't you glad that we are only going back to school for a little while? cried

Billie Bradley, as she gave a little exultant skip. Suppose it were fall and we were beginning high- Billie, stop it, commanded Laura Jordon, turning a pair of very blue and very indignant eyes upon her chum. I thought we were going to forget school for a little while. Well, we're not going back for anything I forgot, Billie was asserting when Violet Farrington, the third of the trio, interposed: If you two are going to quarrel on a day like this, I'm going home. Who said we were quarreling? cried Billie, adding with a chuckle: We're just having what Miss Beggs (Miss Beggs being their English teacher) would call an 'amiable discussion.' Listen to the bright child! cried Laura mockingly. I don't see how you ever get that way, Billie. Neither do I, replied Billie, adding with a chuckle as they turned to stare at her: Just natural talent, I guess.

Billie Holiday: The Last Interview Billie Holiday.2019-07-30 The first-ever collection of interviews with the tortured but groundbreaking singer Billie Holiday, part of Melville House's beloved Last Interview series Legendary singer Billie Holiday comes alive in this first-ever collection of interviews from throughout her career. Included is her last interview, given from her deathbed in a New York City hospital, where police were standing by ready to arrest her for a parole violation should she recover. Also included: The transcript of an interrogation by a US Customs official questioning about whether she'd violated her parole by using drugs on a foreign tour. But the book is more than a look at just the famously tragic side of her life. In other conversations, drawn from music magazines, late-night radio programs, and newspapers across the US and Canada, she discusses her childhood, musicians who influenced her, her friendship -- and falling out -- with the influential sax player Lester Young, why she chose the gardenia as her symbol, why she quit Count Basie's band, her substance abuse problems, writing songs and whether she wrote her own memoir, and more. In frank and open conversations, Billie Holiday proves herself far more articulate, aware, intelligent, and even heroic than the way she's often portrayed. This collection is an essential volume for all who have been moved by her music.
