Modernizing Composition Garrett Field.2017-03-22 A free ebook version of this title is available through Luminos, University of California Press's Open Access publishing program. Visit www.luminosoa.org to learn more. The study of South Asian music falls under the purview of ethnomusicology, whereas that of South Asian literature falls under South Asian studies. As a consequence of this academic separation, scholars rarely take notice of connections between South Asian song and poetry. Modernizing Composition overcomes this disciplinary fragmentation by examining the history of Sinhala-language song and poetry in twentieth-century Sri Lanka. Garrett Field describes how songwriters and poets modernized song and poetry in response to colonial and postcolonial formations. The story of this modernization is significant in that it shifts focus from India's relationship to the West to little-studied connections between Sri Lanka and North India.

Bharata Natyam Adavus Gayathri Keshavan.2020-12-02 This book, elucidates the basic steps called Adavus of Bharata Natyam in the traditional Pandanallur style, as taught by the revered Gurus Sri Meenakshi Sundaram Pillai and Sri Muthukumara Pillai, to Sri T.K Narayan and Smt. Jayalakshmi Narayan, parents of the author. It is an honest attempt to explain the various steps with unerring and accurate execution technique. The book offers a visual representation of the Adavus with the help of stick diagrams in a sequential manner so that the beginners and practitioners can understand the finer points of each movement. The author has developed simple schematics to show the various moves, such as jump, stretch, turn, hit etc. The author endeavours to illustrate Adavus in a precise manner in this book. Classification and categorization of each step is the salient feature of this work. Gayathri Keshavan makes a humble effort to pass on the knowledge of this ancient and sacred art to the present and future generations of Bharata Natyam dancers.
