**National Code of Practice for the Preparation of Material Safety Data Sheets** Australia. National Occupational Health and Safety Commission.2001 This national code of practice provides guidance on the preparation of MSDS to enable manufacturers and importers to meet their responsibilities for MSDS as required under the National model regulations for control of workplace hazardous substances. The code outlines the major sections to be included in an MSDS. General guidelines specify how information is to be provided. The publication contains significant appendices following the body of the text. An extensive list of referenced documents concludes the publication 1994.
