Bibliomania: Bibliomania gives readers over 2,000 free classics, including literature book notes, author bios, book summaries, and study guides. Free books are presented in chapter format. In some cases, you may also find free books that are not public domain. Not all free books are copyright free. There are other reasons publishers may choose to make a book free, such as for a promotion or because the author/publisher just wants to get the information in front of an audience. Here's how to find free books (both public domain and otherwise) through Google Books. We now offer a wide range of services for both traditionally and self-published authors. What we offer. **Newsletter Promo.** Promote your discounted or free book. Note that some of the "free" eBooks listed on Centsless Books are only free if you're part of Kindle Unlimited, which may not be worth the money. Our comprehensive range of products, services, and resources includes books supplied from more than 15,000 U.S., Canadian, and U.K. publishers and more. **Freebooksy** is a free eBook blog that lists primarily free Kindle books but also has free Nook books as well. There's a new book listed at least once a day, but often times there are many listed in one day, and you can download one or all of them. **FreeBooksHub.com** is another website where you can find free Kindle books that are available through Amazon to everyone, plus some that are available only to Amazon Prime members. However, Scribd is not free. It does offer a 30-day free trial, but after the trial you'll have to pay \$8.99 per month to maintain a membership that grants you access to the sites entire database of books, audiobooks, and magazines. Still not a terrible deal! Don't forget about Amazon Prime! It now comes with a feature called Prime Reading, which grants access to thousands of free eBooks in addition to all the other amazing benefits of Amazon Prime. And if you don't want to bother with that, why not try some free audiobooks that don't require downloading?
