*The Cambridge Companion to Black Theology* Dwight N. Hopkins, Edward P. Antonio. 2012-07-26 A comprehensive look at black theology and its connection with major doctrinal themes within Christianity from a global perspective.

**Cross and Cosmos** John D. Caputo. 2019-07-23 John D. Caputo stretches his project as a radical theologian to new limits in this groundbreaking book. Mapping out his summative theological position, he identifies with Martin Luther to take on notions of the hidden god, the theology of the cross, confessional theology, and natural theology. Caputo also confronts the dark side of the cross with its correlation to lynching and racial and sexual discrimination. Caputo is clear that he is not writing as any kind of orthodox Lutheran but is instead engaging with a radical view of theology, cosmology, and poetics of the cross. Readers will recognize Caputo's signature themes—hermeneutics, deconstruction, weakness, and the call—as well as his unique voice as he writes about moral life and our strivings for joy against contemporary society and politics.

**Sexuality and the Black Church** Douglas, Kelly Brown. 2018-09-26

*The New Abolition* Gary Dorrien. 2015-09-29 The black social gospel emerged from the trauma of Reconstruction to ask what a “new abolition” would require in American society. It became an important tradition of religious thought and resistance, helping to create an alternative public sphere of excluded voices and providing the intellectual underpinnings of the civil rights movement. This tradition has been seriously overlooked, despite its immense legacy. In this groundbreaking work, Gary Dorrien describes the early history of the black social gospel from its nineteenth-century founding to its close association in the twentieth century with W. E. B. Du Bois. He offers a new perspective on modern Christianity and the civil rights era by delineating the tradition of social justice theology and activism that led to Martin Luther King Jr.

The Cross and the Lynching Tree James H. Cone. 2011 Examines the symbols of the cross and the lynching tree in African Americans daily life, spiritual life and history.

**My Soul Looks Back** James H. Cone. 1986 What is the relationship, James Cone asks, between my training as a theologian and the black struggle for freedom? For what reason has God allowed a poor black boy from Bearden to become a professional systematic theologian? As I struggled with these questions...I could not escape the overwhelming conviction that God's spirit was calling me to do what I could for the enhancement of justice in the world, especially on behalf of my people. 'My Soul Looks Back' chronicles the author's grappling with these questions, as well as his formulation of an answer—an answer that would lead to the development of a black theology of liberation. Firmly rooted in the black church tradition, James Cone relates the formative features of his faith journey, from his childhood experience in Bearden, Arkansas, and his father's steadfast resistance to racism, through racial discrimination in graduate school, to his controversial articulation of a faith that seeks to break the shackles of racial oppression. In describing his more recent encounters with feminist, Marxist, and Third World thinkers, James Cone provides a compelling description of liberation theology, and a vivid portrayal of what it means to profess a faith that does justice. Lynched Angela D. Sims. 2017-09-15 By tending to the words of these witnesses, *Lynched* exposes not only a culture of fear and violence but the practice of story and memory, as well as the narrative of hope within a renewed possibility for justice.

**FAITH IN THE FACE OF EMPIRE** RAHEB. 2014-02-10 A Palestinian Christian theologian shows how the reality of empire shapes the context of the biblical story, and the ongoing experience of Middle East conflict.

Introducing Black Theology of Liberation Hopkins, Dwight N..2014-04-10 A book that reviews the principles of modern Black Theology, its roots and contributions to the Christian world. It also discusses what challenges Black theologians face in their minister and their religious communities.

**Theology and Race** Andrew Prevot.2018-07-03 This study develops a Christian theological response to the problems of race and anti-black racism in conversation with black theology and womanist theology. It interprets multiple voices, developments, and tensions in these two theological traditions over the last half century.

The Genesis of Liberation Emerson B. Powery,Rodney S. Sadler Jr..2016-04-04 Considering that the Bible was used to justify and perpetuate African American enslavement, why would it be given such authority? In this fascinating volume, Powery and Sadler explore how the Bible became a source of liberation for enslaved African Americans by analyzing its function in pre-Civil War freedom narratives. They explain the various ways in which enslaved African Americans interpreted the Bible and used it as a source for hope, empowerment, and literacy. The authors show that through their own engagement with the biblical text, enslaved African Americans found a liberating word. The Genesis of Liberation recovers the early history of black biblical interpretation and will help to expand understandings of African American hermeneutics.

**Creation and the Cross** Johnson, Elizabeth A..2018-02-22

God of the Oppressed James H. Cone.1997

**American Honey** Sarah M. Wells.2021-11-11 Sarah M. Wells had one degree in mind when she went off to college: to secure her Mrs. and become a stay-at-home mom. Ten years later, life does not look the way she expected. Instead of staying home, she's the primary breadwinner while her husband raises their kids. Together, they've weathered miscarriages, job changes, role reversals, community shifts, family vacations, and even youth league recreational soccer. Now, in the midst of their tenth year of marriage, temptations saunter in and threaten to shake everything they've built together to the ground. In *American Honey*, Wells digs in deep to uncover the foundation of what made her and what it is that will help sustain her relationships. What keeps a marriage together? Could it fall apart? Through intimate details, vulnerability, humor, and love, Wells explores the depths of mercy and faith it's going to take to weather the storms of married life.

The Spirituals and the Blues Cone, James H..2022-11-03 How two forms of song helped sustain slaves and their children in the midst of tribulation. With a new introduction by Cheryl Townsend Gilkes--

*Risks of Faith* James Cone.2000-11-17 *Risks of Faith* offers for the first time the best of noted theologian James H. Cone's essays, including several new pieces. Representing the breadth of his life's work, this collection opens with the birth of black theology, explores its relationship to issues of violence, the developing world, and the theological touchstone embodied in African-American spirituals. Also included here is Cone's seminal work on the theology of Martin Luther King, Jr., and the philosophy of Malcolm X, and a compelling examination of their contribution to the roots of black theology. Far-reaching and provocative, *Risks of Faith* is a must-read for anyone interesting in religion and its political and social impact on our time.

Why is the Negro Lynched? Frederick Douglass.2019-11-22 *Why is the Negro Lynched?* by Frederick Douglass Frederick Douglass was an American social reformer, abolitionist, orator, writer, and statesman. After escaping from slavery in Maryland, he became a national leader of the abolitionist movement in Massachusetts and New York, becoming famous for his oratory and incisive antislavery writings. In this book, he tackles the horrific practice of lynching in an attempt to educate ignorant readers of the nonsensical nature of this sort of cruelty.

**The Cross and the Lynching Tree** James H. Cone.2011 The cross and the lynching tree are the two most emotionally charged symbols in the history of the African American community. In this work, Cone explores these symbols and their interconnection in the history and souls of African American folk.

*God in the Age of Science?* Herman Philipse.2012-02-23 Herman Philipse puts forward a powerful new critique of belief in God. He examines the strategies that have been used for the philosophical defence of religious belief, and by careful reasoning casts doubt on the legitimacy of relying on faith instead of evidence, and on probabilistic arguments for the existence of God.

*Said I Wasn't Gonna Tell Nobody* James H. Cone.2018 This autobiographical work is truly the capstone to the career of the man widely regarded as the Father of Black Theology. Dr. Cone, a distinguished professor at Union Theological Seminary, died April 27, 2018. During the 1960s and 1970s he argued for racial justice and an interpretation of the Christian Gospel that elevated the voices of the oppressed.

**A Black Theology of Liberation** James H. Cone.2020 The classic text in black theology, with a new foreword by Peter J. Paris and a new afterword by Kelly Brown Douglas--

**The Black Christ** Douglas, Kelly Brown.2019-04-24

**The Crucifixion** Fleming Rutledge.2017-02-09 Few treatments of the death of Jesus Christ have made a point of accounting for the gruesome, degrading, public manner of his death by crucifixion, a mode of execution so loathsome that the ancient Romans never spoke of it in polite society. Rutledge probes all the various themes and motifs used by the New Testament evangelists and apostolic writers to explain the meaning of the cross of Christ. She shows how each of the biblical themes contributes to the whole, with the Christus Victor motif and the concept of substitution sharing pride of place along with Irenaeus's recapitulation model.

**The Executed God** Mark Lewis Taylor.2015-11-01 The new edition of Mark Lewis Taylor's award-winning *The Executed God* is both a searing indictment of the structures of "Lockdown America" and a visionary statement of hope. It is also a call for action to Jesus followers to resist US imperial projects and power. Outlining a "theatrics of state terror," Taylor identifies and analyzes its instruments—mass incarceration, militarized police tactics, surveillance, torture, immigrant repression, and capital punishment—through which a racist and corporatized Lockdown America enforces in the US a global neoliberal economic and political imperialism. Against this, *The Executed God* proposes a "counter-theatrics to state terror," a declamation of the way of the cross for Jesus followers that unmask the powers of US state domination and enacts an adversarial politics of resistance, artful dramatic actions, and the building of peoples' movements. These are all intrinsic to a Christian politics of remembrance of the Jesus executed by empire. Heralded in its first edition, this new edition is thoroughly revised, updated, and expanded, offering a demanding rethinking and recreating of what being a Christian is and of how Christianity should dream, hope, mobilize, and act to bring about what Taylor terms "a liberating material spirituality" to unseat the state that kills.

**By the Grace of the Game** Dan Grunfeld, Ray Allen.2021-11-30 A multi-generational family epic detailing history's only known journey from Auschwitz to the NBA When Lily and Alex entered a packed gymnasium in Queens, New York in 1972, they barely recognized their son. The boy who escaped to America with them, who was bullied as he struggled to learn English and cope with family tragedy, was now a young man who had

discovered and secretly honed his basketball talent on the outdoor courts of New York City. That young man was Ernie Grunfeld, who would go on to win an Olympic gold medal and reach previously unimaginable heights as an NBA player and executive. In *By the Grace of the Game*, Dan Grunfeld, once a basketball standout himself at Stanford University, shares the remarkable story of his family, a delicately interwoven narrative that doesn't lack in heartbreak yet remains as deeply nourishing as his grandmother's Hungarian cooking, so lovingly described. The true improbability of the saga lies in the discovery of a game that unknowingly held the power to heal wounds, build bridges, and tie together a fractured Jewish family. If the magnitude of an American dream is measured by the intensity of the nightmare that came before and the heights of the triumph achieved after, then *By the Grace of the Game* recounts an American dream story of unprecedented scale. From the grips of the Nazis to the top of the Olympic podium, from the cheap seats to center stage at Madison Square Garden, from yellow stars to silver spoons, this complex tale traverses the spectrum of the human experience to detail how perseverance, love, and legacy can survive through generations, carried on the shoulders of a simple and beautiful game.

*The Whole Language* Gregory Boyle. 2021-10-19 Gregory Boyle, the beloved Jesuit priest and author of the inspirational bestsellers *Tattoos on the Heart* and *Barking to the Choir*, returns with a call to witness the transformative power of tenderness, rooted in his lifetime of experience counseling gang members in Los Angeles. Over the past thirty years, Gregory Boyle has transformed thousands of lives through his work as the founder of Homeboy Industries, the largest and most successful gang-intervention program in the world. Boyle's new book, *The Whole Language*, follows the acclaimed bestsellers *Tattoos on the Heart*, hailed as an "astounding literary and spiritual feat" (Publishers Weekly) that is "destined to become a classic of both urban reportage and contemporary spirituality" (Los Angeles Times), and *Barking to the Choir*, deemed "a beautiful and important and soul-transporting book" by Elizabeth Gilbert, and declared by Ann Patchett to be "a book that shows what the platitudes of faith look like when they're put into action." In a community struggling to overcome systemic poverty and violence, *The Whole Language* shows how those at Homeboy Industries fight despair and remain generous, hopeful, and tender. When Saul was thirteen years old, he killed his abusive stepfather in self-defense; after spending twenty-three years in juvenile and adult jail, he enters the Homeboy Industries training and healing programs and embraces their mission. Declaring, "I've decided to grow up to be somebody I always needed as a child," Saul shows tenderness toward the young men in his former shoes, treating them all like his sons and helping them to find their way. Before coming to Homeboy Industries, a young man named Abel was shot thirty-three times, landing him in a coma for six months followed by a year and a half recuperating in the hospital. He now travels on speaking tours with Boyle and gives guided tours around the Homeboy offices. One day a new trainee joins Abel as a shadow, and Abel recognizes him as the young man who had put him in a coma. "You give good tours," the trainee tells Abel. They both have embarked on a path to wholeness. Boyle's moving stories challenge our ideas about God and about people, providing a window into a world filled with fellowship, compassion, and fewer barriers. Bursting with encouragement, humor, and hope, *The Whole Language* invites us to treat others—and ourselves—with acceptance and tenderness.

*Cross Examinations* Marit Trelstad. In today's theological landscape the significance of the cross has become strongly affirmed and radically questioned. This exciting volume gathers theologians and historians who have thought through these critical and constructive issues: Do traditional understandings of the cross valorize suffering or violence? Are the older soteriological models, which see redemption as a kind of ransom or debt satisfaction, fitting for the contemporary worldview? Do they produce a piety that acquiesces in needless suffering, or does the cross precisely meet the massive suffering and injustice of today's world? Following an expert introduction to the issues and options by editor Marit Trelstad, each author addresses the Christian symbol of the cross in the context of current theological, sociological, political, or environmental issues.

*Hanging by a Thread* Samuel Wells. 2017-11-01 This brilliant series of theological reflections from internationally known scholar and Anglican cleric

Samuel Wells reflects on the challenges of our understanding of Christ's crucifixion that arise today using contemporary ideas in history, biblical studies, and philosophy. Wells deals with such questions as: "Does the improbability of one event having significance for everything, everywhere, for all time leave our faith hanging by a thread?" "Does the possibility that elements of the story did not actually happen leave our Christian heritage hanging by a thread?" "Does the history of persecution that flowed from the classical belief that the Jews were responsible for Jesus' death leave our morality hanging by a thread?" After reflecting upon six biblical stories, Wells discovers that the cross has an enduring power to shape how we live, how we relate to one another, and how we allow ourselves to be enfolded in God's story.

Anti-Blackness and Christian Ethics Lloyd, Vincent W.,Prevot, Andrew.2017-11-16

*The Family Tree* Karen Branan.2016 The provocative true account of the hanging of four black people by a white lynch mob in 1912--written by the great-granddaughter of the sheriff charged with protecting them.

Political Theology of the Earth Catherine Keller.2018-10-30 Amid melting glaciers, rising waters, and spreading droughts, Earth has ceased to tolerate our pretense of mastery over it. But how can we confront climate change when political crises keep exploding in the present? Noted ecotheologian and feminist philosopher of religion Catherine Keller reads the feedback loop of political and ecological depredation as secularized apocalypse. Carl Schmitt's political theology of the sovereign exception sheds light on present ideological warfare; racial, ethnic, economic, and sexual conflict; and hubristic anthropocentrism. If the politics of exceptionalism are theological in origin, she asks, should we not enlist the world's religious communities as part of the resistance? Keller calls for dissolving the opposition between the religious and the secular in favor of a broad planetary movement for social and ecological justice. When we are confronted by populist, authoritarian right wings founded on white male Christian supremacism, we can counter with a messianically charged, often unspoken theology of the now-moment, calling for a complex new public. Such a political theology of the earth activates the world's entangled populations, joined in solidarity and committed to revolutionary solutions to the entwined crises of the Anthropocene.

*Theology Brewed in an African Pot* Agbonkhianmeghe E. Orobator.

**Practicing Christian Doctrine** Beth Felker Jones.2023-07-11 This introductory theology text helps students articulate basic Christian doctrines, think theologically so they can act Christianly in a diverse world, and connect Christian thought to their everyday lives of faith. Written from a solidly evangelical yet ecumenically aware perspective, this book models a way of doing theology that is generous and charitable. It attends to history and contemporary debates and features voices from the global church. Sidebars made up of illustrative quotations, key Scripture passages, classic hymn texts, and devotional poetry punctuate the chapters. The first edition of this book has been well received (over 25,000 copies sold). Updated and revised throughout, this second edition also includes a new section on gender and race as well as new end-of-chapter material connecting each doctrine to a spiritual discipline.

**The Cross and the Lynching Tree** James H. Cone.2011 A landmark in the conversation about race and religion in America. They put him to death by hanging him on a tree. Acts 10:39 The cross and the lynching tree are the two most emotionally charged symbols in the history of the African American community. In this powerful new work, theologian James H. Cone explores these symbols and their interconnection in the history and souls of black folk. Both the cross and the lynching tree represent the worst in human beings and at the same time a thirst for life that refuses to let the worst determine our final meaning. While the lynching tree symbolized white power and black death, the cross symbolizes divine power and black life God overcoming the power of sin and death. For African Americans, the image of Jesus, hung on a tree to die, powerfully grounded their faith that God was with them, even in the suffering of the lynching era. In a work that spans social history, theology, and cultural studies, Cone explores the

message of the spirituals and the power of the blues; the passion and of Emmet Till and the engaged vision of Martin Luther King, Jr.; he invokes the spirits of Billie Holliday and Langston Hughes, Fannie Lou Hamer and Ida B. Well, and the witness of black artists, writers, preachers, and fighters for justice. And he remembers the victims, especially the 5,000 who perished during the lynching period. Through their witness he contemplates the greatest challenge of any Christian theology to explain how life can be made meaningful in the face of death and injustice.

*Ida: A Sword Among Lions* Paula J. Giddings, Paula Giddings. 2008-03-11 In the tradition of towering biographies that tell us as much about America as they do about their subject, *Ida: A Sword Among Lions* is a sweeping narrative about a country and a crusader embroiled in the struggle against lynching: a practice that imperiled not only the lives of blackmen and women, but also a nation based on law and riven by race. At the center of the national drama is Ida B. Wells (1862-1931), born to slaves in Mississippi, who began her activist career by refusing to leave a first-class ladies' car on a Memphis railway and rose to lead the nation's first campaign against lynching. For Wells the key to the rise in violence was embedded in attitudes not only about black men but about women and sexuality as well. Her independent perspective and percussive personality gained her encomiums as a hero -- as well as aspersions on her character and threats of death. Exiled from the South by 1892, Wells subsequently took her campaign across the country and throughout the British Isles before she married and settled in Chicago, where she continued her activism as a journalist, suffragist, and independent candidate in the rough-and-tumble world of the Windy City's politics. In this eagerly awaited biography by Paula J. Giddings, author of the groundbreaking book *When and Where I Enter*, which traced the activist history of black women in America, the irrepressible personality of Ida B. Wells surges out of the pages. With meticulous research and vivid rendering of her subject, Giddings also provides compelling portraits of twentieth-century progressive luminaries, black and white, with whom Wells worked during some of the most tumultuous periods in American history. Embattled all of her activist life, Wells found herself fighting not only conservative adversaries but icons of the civil rights and women's suffrage movements who sought to undermine her place in history. In this definitive biography, which places Ida B. Wells firmly in the context of her times as well as ours, Giddings at long last gives this visionary reformer her due and, in the process, sheds light on an aspect of our history that is often left in the shadows.

**Acting Liturgically** Nicholas Wolterstorff. 2018-03-03 Participation in religious liturgies and rituals is a pervasive and remarkably complex form of human activity. This book opens with a discussion of the nature of liturgical activity and then explores various dimensions of such activity. Over the past fifty years there has been a remarkable surge of interest, within the analytic tradition of philosophy, in philosophy of religion. Most of what has been written by participants in this movement deals with one or another aspect of religious belief. Yet for most adherents of most religions, participation in the liturgies and rituals of their religion is at least as important as what they believe. One of the aims of this book is to call the attention of philosophers of religion to the importance of religious practice and to demonstrate how rich a topic this is for philosophical reflection. Another aim is to show liturgical scholars who are not philosophers that a philosophical approach to liturgy casts an illuminating light on the topic that supplements their own approach. Insofar as philosophers have written about liturgy, they have focused most of their attention on its formative and expressive functions. This book focuses instead on understanding what liturgical agents actually do. It is what they do that functions formatively or expressively. What they do is basic.

by title and by author. There are plenty of genres available and you can search the website by keyword to find a particular book. Each book has a full description and a direct link to Amazon for the download. Project Gutenberg is a wonderful source of free ebooks - particularly for academic work. However, it uses US copyright law, which isn't universal; some books listed as public domain might still be in copyright in other countries. RightsDirect explains the situation in more detail. FreeBooksHub.com is another website where you can find free Kindle books that are available through Amazon to everyone, plus some that are available only to Amazon Prime members. However, Scribd is not free. It does offer a 30-day free trial, but after the trial you'll have to pay \$8.99 per month to maintain a membership that grants you access to the site's entire database of books, audiobooks, and magazines. Still not a terrible deal! If your books aren't from those sources, you can still copy them to your Kindle. To move the ebooks onto your e-reader, connect it to your computer and copy the files over. In most cases, once your computer identifies the device, it will appear as another storage drive. If the ebook is in the PDF format and you want to read it on your computer, you'll need to have a free PDF reader installed on your computer before you can open and read the book. How to Download Your Free eBooks. If there's more than one file type download available for the free ebook you want to read, select a file type from the list above that's compatible with your device or app.
