In some cases, you may also find free books that are not public domain. Not all free books are copyright free. There are other reasons publishers may choose to make a book free, such as for a promotion or because the author/publisher just wants to get the information in front of an audience. Here's how to find free books (both public domain and otherwise) through Google Books. The browsing interface has a lot of room to improve, but it's simple enough to use. Downloads are available in dozens of formats, including EPUB, MOBI, and PDF, and each story has a Flesch-Kincaid score to show how easy or difficult it is to read. FreeBooksHub.com is another website where you can find free Kindle books that are available through Amazon to everyone, plus some that are available only to Amazon Prime members. After you register at Book Lending (which is free) you'll have the ability to borrow books that other individuals are loaning or to loan one of your Kindle books. You can search through the titles, browse through the list of recently loaned books, and find eBook by genre. Kindle books can only be loaned once, so if you see a title you want, get it before it's gone. Freebook Sifter is a no-frills free kindle book website that lists hundreds of thousands of books that link to Amazon, Barnes & Noble, Kobo, and Project Gutenberg for download. is one of the publishing industry's leading distributors, providing a comprehensive and impressively high-quality range of fulfilment and print services, online book reading and download. If you keep a track of books by new authors and love to read them, Free eBooks is the perfect platform for you. From self-help or business growth to fiction the site offers a wide range of eBooks from independent writers. You have a long list of category to choose from that includes health, humor, fiction, drama, romance, business and many more. You can also choose from the featured eBooks, check the Top10 list, latest arrivals or latest audio books. You simply need to register and activate your free account, browse through the categories or search for eBooks in the search bar, select the TXT or PDF as preferred format and enjoy your free read. BookBub is another website that will keep you updated on free

Kindle books that are currently available. Click on any book title and you'll get a synopsis and photo of the book cover as well as the date when the book will stop being free. Links to where you can download the book for free are included to make it easy to get your next free eBook. If you're already invested in Amazon's ecosystem, its assortment of freebies are extremely convenient. As soon as you click the Buy button, the ebook will be sent to any Kindle ebook readers you own, or devices with the Kindle app installed. However, converting Kindle ebooks to other formats can be a hassle, even if they're not protected by DRM, so users of other readers are better off looking elsewhere.
