Dessert First Hallie Durand.2012-07-24 Dessert Schneider has her very own personal style. But sometimes walking to the beat of her own drum means walking right into a heap of mischief, especially when it comes to the legendary family recipe (and Dessert's all-time favorite treat), Grandma Reine's Double-Decker Chocolate Bars. As the oldest in a rambunctious, restaurant-owning family, with a four-year-old sister who is going through a "phase" and two little brothers called "the Beasties," Dessert seems to be better at getting into trouble than getting out of it. And that's because for this eight-year-old, saying sorry is definitely not a piece o'cake!

*A Fine Dessert: Four Centuries, Four Families, One Delicious Treat* Emily Jenkins.2015-01-27 A New York Times Best Illustrated Book From highly acclaimed author Jenkins and Caldecott Medal-winning illustrator Blackall comes a fascinating picture book in which four families, in four different cities, over four centuries, make the same delicious dessert: blackberry fool. This richly detailed book ingeniously shows how food, technology, and even families have changed throughout American history. In 1710, a girl and her mother in Lyme, England, prepare a blackberry fool, picking wild blackberries and beating cream from their cow with a bundle of twigs. The same dessert is prepared by an enslaved girl and her mother in 1810 in Charleston, South Carolina; by a mother and daughter in 1910 in Boston; and finally by a boy and his father in present-day San Diego. Kids and parents alike will delight in discovering the differences in daily life over the course of four centuries. Includes a recipe for blackberry fool and notes from the author and illustrator about their research.
