All of the free books at ManyBooks are downloadable — some directly from the ManyBooks site, some from other websites (such as Amazon). When you register for the site you're asked to choose your favorite format for books, however, you're not limited to the format you choose.

When you find a book you want to read, you can select the format you prefer to download from a drop down menu of dozens of different file formats. Finding the Free Ebooks. Another easy way to get Free Google eBooks is to just go to the Google Play store and browse. Top Free in Books is a browsing category that lists this week's most popular free downloads. This includes public domain books and promotional books that legal copyright holders wanted to give away for free. There are plenty of genres available and you can search the website by keyword to find a particular book. Each book has a full description and a direct link to Amazon for the download. It's disappointing that there's no convenient menu that lets you just browse freebies. Instead, you have to search for your preferred genre, plus the word 'free' (free science fiction, or free history, for example). It works well enough once you know about it, but it's not immediately obvious. You can search Google Books for any book or topic. In this case, let's go with "Alice in Wonderland" since it's a well-known book, and there's probably a free eBook or two for this title. The original work is in the public domain, so most of the variations are just with formatting and the number of illustrations included in the work. However, you might also run into several copies for sale, as reformatting the print copy into an eBook still took some work. Some of your search results may also be related works with the same title. To provide these unique information services, Doody Enterprises has forged successful relationships with more than 250 book publishers in the health sciences ...As of this writing, Gutenberg has over 57,000 free ebooks on offer. They are available for download in EPUB and MOBI formats (some are only available in one of the two), and they can be read online in HTML format. Monthly "all you can eat" subscription services are now mainstream for music, movies, and TV. Will they be as popular for e-books as well? The browsing interface has a lot of room to improve, but it's simple enough to use. Downloads are available in dozens of formats, including EPUB, MOBI, and PDF, and each story has a Flesch-Kincaid score to show how easy or difficult it is to read.
