

This Is A For Parents Of Gay Kids A Question

The Family Book Todd Parr.2011-06-01 There are so many different types of families, and THE FAMILY BOOK celebrates them all in a funny, silly, and reassuring way. Todd Parr includes adopted families, step-families, one-parent families, and families with two parents of the same sex, as well as the traditional nuclear family. His quirky humor and bright, childlike illustrations will make children feel good about their families. Parents and teachers can use this book to encourage children to talk about their families and the different kinds of families that exist.

Queer Kathy Belge,Marke Bieschke.2019 Teen life is hard enough, but for teens who are LGBTQ, it can be even harder. When do you decide to come out? Will your friends accept you? And how do you meet people to date? Queer is a humorous, engaging, and honest guide that helps LGBTQ teens come out to friends and family, navigate their social life, figure out if a crush is also queer, and challenge bigotry and homophobia. Personal stories from the authors and sidebars on queer history provide relatable context. This completely revised and updated edition is a must-read for any teen who thinks they might be queer or knows someone who is.

Raising Boys without Men Dr. Peggy Drexler,Linden Gross.2005-08-20 Nominated for a Books for a Better Life Award in Parenting Backed by peer-reviewed research, this hotly debated bestseller (San Francisco Chronicle) continues to open eyes with its finding that raising thriving, emotionally healthy sons does not require a man in the house. As the number of single-mom and two-mom households has grown, so have concerns about the possible damage caused by the lack of a stable male role model in the house. Determined to find the truth, research psychologist Peggy Drexler embarked on a long-term study comparing boys raised in nontraditional families with those whose fathers were present throughout their childhood. The results were startling. Female-headed households can provide even better parenting for boys than households with men. Sons from female-headed families can grow up emotionally stronger and more well-rounded than boys from traditional mother-father families—more in touch with their feelings yet masculine in all the ways defined by our culture.

This Is How It Always Is Laurie Frankel.2017-01-24 This is Claude. He's five years old, the youngest of five brothers. He also loves peanut butter sandwiches. He also loves wearing a dress, and dreams of being a princess.When he grows up, Claude says, he wants to be a girl. Rosie and Penn want Claude to be whoever Claude wants to be. They're just not sure they're ready to share that with the world. Soon the entire family is keeping Claude's secret. Until one day it explodes.--

Parenting Your LGBTQ+ Teen Allan Sadac,Jane Smith.2021-09-21

Now that You Know Betty Fairchild,Nancy Hayward.1979 One of the most important books about gay people yet published, Now that you Know is a challenging and enlightening guide for the 20 to 40 million parents in the United States who may be faced with the knowledge that a son or daughter is homosexual. It was written by two mothers of gay children and draws on dozens of candid interviews with gay men and women and their parents. The authors discuss the nature of homosexuality, its effect on the lives and careers of children, the prospects for gay relationships, and the troubling question of religion. They tell parents how to respond supportively to gay children and how to keep families together in a bond of understanding and affection. Finally, they describe the nationwide Parents of Gays groups, which encourage parents to share their experiences and learn to help one another.--Publisher's description.

My Child is Gay Bryce McDougall.2007-02 Each year a number of brave men and women will sit down and tell their parents that they are gay. By the time they tell their parents they will have lived with this knowledge for some time. It is often the parents who have only a split second to react. My Child is Gay is a compilation of letters written by parents who have a gay or lesbian child. The letters have been written to be shared - both to help parents cope with and come to term with their feelings, and for gay men and women who are contemplating sharing the truth. Few parents are accepting from the start and many feel perplexed. They are unsure where to turn to for help and how to deal with their feelings of grief and loss. Here the parents talk about how they dealt with the many emotions they experienced - anger, embarrassment, guilt and confusion. Together these letters reaffirm the regenerative power of love and allow those with first hand experience to outline the important steps on the road to understanding. My Child is Gay shows how ordinary families have found love and happiness again.

Families Like Mine Abigail Garner.2009-05-19 Abigail Garner was five years old when her parents divorced and her dad came out as gay. Like the millions of children growing up in these families today, she often found herself in the middle of the political and moral debates surrounding lesbian, gay, bisexual, and transgender (LGBT) parenting.Drawing on a decade of community organizing, and interviews with more than fifty grown sons and daughters of LGBT parents, Garner addresses such topics as coming out to children, facing homophobia at school, co-parenting with ex-partners, the impact of AIDS, and the children's own sexuality.Both practical and deeply personal, Families Like Mine provides an invaluable insider's perspective for LGBT parents, their families, and their allies.

How It Feels to Have a Gay or Lesbian Parent Judith E. Snow.2013-04-15 Sometimes I fantasize about having a magic wand. How awesome it would be to wave it and completely eliminate prejudice, hate, and ignorance. Just imagine what it would be like to live in a world like that. How It Feels to Have a Gay or Lesbian Parent: A Book by Kids for Kids of All Ages gives voice to the thoughts, feelings, and experiences of children, adolescents, and young adults who have a gay or lesbian parent. In their own words, they talk openly and candidly about how and when they learned of their parent's sexual orientation and the effect it had on them—and their families. Their stories echo themes of prejudice and harassment, conflict and confusion, adaptation and adjustment, and hope for tolerance and a family that can exist in harmony. "Because it's an issue for other people, it becomes an issue for me. I'm angry about the way it works against me." The stories told in How It Feels to Have a Gay or Lesbian Parent not only reflect the day-to-day struggle of children with a GLBT parent, they also reveal the pain inherent in high-conflict divorce and child custody cases. Children of gay/lesbian parents ranging in age from seven to 31 recall the confusion and grief created when the disclosure of their parent's true sexual orientation ended a marriage and divided a family. The "straight" parent's resentment can lead to angry remarks that—intentionally or unintentionally—disparage the gay/lesbian parent and threaten the natural love and affection the child feels for both. "I guess the hardest part about having a gay dad is that no matter how okay you are with it, there's always going to be someone who will dislike you because of it." The one-on-one interviews presented in How It Feels to Have a Gay or Lesbian Parent document first-hand the effects of homophobia on family life. Children struggle with the choice between living in a closet, shamed by peers and family members, or dealing with discrimination as a parent's sexual orientation is used against them. Taken together, these stories make a statement for acceptance, understanding, and tolerance as children do their best to make the transition from a traditional family to a nontraditional lifestyle. "My mom is a normal person just like everyone else. The only thing that's different

about her is that she's gay and if you can't deal with it, you're just going to have to live with it." *How It Feels to Have a Gay or Lesbian Parent: A Book by Kids for Kids of All Ages* offers comfort and support to children from those who share their journey. The book is a valuable aid for practitioners working with children of GLBT parents and an educational tool for GLBT adults considering children.

Rainbow Relatives Sudi "Rick" Karatas.2018-05-08 Whether you have your own questions because you're preparing to come out to your kids, or you aren't sure how to explain to your kids why their uncle has a boyfriend or why their friend has two mommies, this book can help. With an entertaining and educational approach to educating yourself and your peers about the issues and topics surrounding the LGBTQ+ community, *Rainbow Relatives* will provide answers to your kids' questions and help you raise them to be open-minded and accepting adults. First and foremost, this book will help you approach the conversations you need to have and predict what you can expect from them. Author Sudi Karatas tells a variety of stories, such as that of a Mormon woman's transition from fighting against gay rights to becoming a crusader for them. Also included are the voices of filmmakers, actors, musicians, mental health professionals, and more. Through *Rainbow Relatives*, Karatas helps parents support, advocate for, and educate their children, relatives, and family friends.

Saving Alex Alex Cooper,Joanna Brooks.2016-03-01 When Alex Cooper was fifteen years old, life was pretty ordinary in her sleepy suburban town and nice Mormon family. At church and at home, Alex was taught that God had a plan for everyone. But something was gnawing at her that made her feel different. These feelings exploded when she met Yvette, a girl who made Alex feel alive in a new way, and with whom Alex would quickly fall in love. Alex knew she was holding a secret that could shatter her family, her church community, and her life. Yet when this secret couldn't be hidden any longer, she told her parents that she was gay, and the nightmare began. She was driven from her home in Southern California to Utah, where, against her will, her parents handed her over to fellow Mormons who promised to save Alex from her homosexuality. For eight harrowing months, Alex was held captive in an unlicensed "residential treatment program" modeled on the many "therapeutic" boot camps scattered across Utah. Alex was physically and verbally abused, and many days she was forced to stand facing a wall wearing a heavy backpack full of rocks. Her captors used faith to punish and terrorize her. With the help of a dedicated legal team in Salt Lake City, Alex eventually escaped and made legal history in Utah by winning the right to live under the law's protection as an openly gay teenager. Alex is not alone; the headlines continue to splash stories about gay conversion therapy and rehabilitation centers that promise to "save" teenagers from their sexuality. *Saving Alex* is a courageous memoir that tells Alex's story in the hopes that it will bring awareness and justice to this important issue. A bold, inspiring story of one girl's fight for freedom, acceptance, and truth.

"Mom, I'm Gay," Revised and Expanded Edition Susan Cottrell.2016-05-01 When your child reveals that he or she is attracted to the same sex, how you respond may have a lot to do with your faith. Doesn't the Bible say that's wrong? Will we have to leave our church? Worst of all, you may wonder, Do I have to choose between my Christian faith and my child? Susan Cottrell is a mom who has been there and wants you to know that loving and accepting your gay child does not mean abandoning or even compromising your faith. This is not a book about the politics or morality of homosexuality. This is a book about how to respond with love and support during this vulnerable time for your child. With practical advice and heartfelt encouragement, Cottrell guides readers through the fear and uncertainty Christian parents of LGBTQ children often feel.

This Is a Book for Parents of Gay Kids Dannielle Owens-Reid,Kristin Russo.2014-09-09 Written in an accessible Q&A format, here, finally, is the go-to resource for parents hoping to understand and communicate with their gay child. Through their LGBTQ-oriented site, the authors are uniquely experienced to answer parents' many questions and share insight and guidance on both emotional and practical topics. Filled with real-life experiences from gay kids and parents, this is the book gay kids want their parents to read.

Any Questions? Marie-Louise Gay.2020-05-15 Where does the story start? Marie-Louise Gay explains the creative process with typical fun and whimsy. Many children want to know where stories come from and how a book is made. Marie-Louise Gay's new picture book provides them with some delightfully inspiring answers in a fictional encounter between an author and some very curious children, who collaborate on writing and illustrating a story. Marie-Louise has scribbled, sketched, scrawled, doodled, penciled, collaged and painted the words and pictures of a story-within-a-story that show how brilliant ideas creep up on you when you least expect it and how words sometimes float out of nowhere asking to be written. *Any Questions?* presents a world inhabited by lost polar bears, soaring pterodactyls, talking trees and spotted snails, with cameo appearances by some of Marie-Louise's favorite characters — a world where kids can become part of the story and let their imaginations run wild... and just maybe they will be inspired to create stories of their own. At the end of the book, Marie-Louise provides answers to many of the questions children have asked her over the years, such as "Are you Stella?" "How did you learn to draw?" "Can your cat fly?" "How many books do you make in one day?" Correlates to the Common Core State Standards in English Language Arts: CCSS.ELA-LITERACY.RL.2.6 Acknowledge differences in the points of view of characters, including by speaking in a different voice for each character when reading dialogue aloud. CCSS.ELA-LITERACY.RL.3.1 Ask and answer questions to demonstrate understanding of a text, referring explicitly to the text as the basis for the answers.

How to Understand and Accept Your Gay Son Grant Andrews,Malan van der Walt.2015-02-08 This book will give you all the tools you need to understand and accept your gay sonHow can you accept your gay son?If you have just found out that your son is gay, or if you think he might be, you might find it overwhelming and have lots of questions and confusion. You might wonder what made him this way, or wonder what it means for his life. You could be feeling afraid, heartbroken or disappointed. Maybe you're hoping that this is just a phase that he will grow out of. You might even feel like you don't know who he is anymore and wonder if there is any way to truly accept him. Our parents have been there tooWe struggled immensely with coming out to our parents, and they struggled to understand and accept us. That is why we decided to write this book. We both had deeply religious backgrounds and in our families being gay was never even talked about. When we realized that we were gay, we started out hating ourselves and trying everything to change. When we told our parents, they were angry and confused. They couldn't reconcile what they believed in about gay people with the fact that their own sons were gay. This book can help you to understand what being gay meansIn the book, we offer all of the information that you need about what being gay means. We give you clear, direct, and no-nonsense answers to the questions you might still have, such as: - Is homosexuality a choice - Is there a way to change him? - Whose fault is it that my son is gay? - How does it relate to my religious views? - What does this mean for my son's future? Learn what to say to your sonIt might be very difficult to know what the right thing is to say to your son when you find out he is gay. We offer many examples of the types of things you can say during those difficult, awkward conversations. The dialogues we provide are written in loving, supportive language. You can use them to make sure that your son knows how you feel while talking to him in a way that can make your relationship stronger. There are a variety of these example dialogues for many different situations, including: - What to say if you think he might be gay - What to say when he comes out to you - What to say if he finds a partner - How to talk to him about your confusion - What not to say if you want to keep your relationship intact - What to say to other family members Learn some practical steps to accept your sonThe final section of the book gives you lots of clear, practical steps that you can take in order to learn to accept your son for who he is. Once you understand what it means to be gay, you can start the work of building a new and stronger relationship with your son. We give you guidelines to overcome your discomfort and resources that you can rely on during your journey. Highly trained authors who are experts in the fieldWe have personal experience as we both walked a long path with our parents once we came out. We also work in fields relevant to LGBT issues and family research. Grant Andrews is currently completing his PhD at the University of the Western Cape, with a focus on fatherhood and masculinities. He is a researcher and lecturer. His professional focus is on leadership development and capacity building. Malan van der Walt is a student program coordinator at the University of Stellenbosch, working with young lesbian, gay, bisexual and transgender people. He studies psychology with a focus on gender and sexuality. He works as a counselor and runs support groups. Get this book today and start a journey of acceptance with your sonWe wrote this book to make sure that families have all of the resources they need to work through this difficult time. This book will give you vital tools to strengthen your bond with your gay son.

The Kids Gabriela Herman.2017-10-10 PAPERBACK ORIGINAL A stunning new photobook featuring more than fifty portraits of children brought up by gay parents in America, sixth in a groundbreaking series that looks at LGBTQ communities around the world Judges, academics, and activists keep

wondering how children are impacted by having gay parents. Maybe it's time to ask the kids. For the past four years, award-winning photographer Gabriela Herman, whose mother came out when Herman was in high school and was married in one of Massachusetts' first legal same-sex unions, has been photographing and interviewing children and young adults with one or more parent who identify as lesbian, gay, trans, or queer. Building on images featured in a major article for the New York Times Sunday Review and The Guardian and working with the Colage organization, the only national organization focusing on children with LGBTQ parents, *The Kids* brings a vibrant energy and sensitivity to a wide range of experiences. Some of the children Herman photographed were adopted, some conceived by artificial insemination. Many are children of divorce. Some were raised in urban areas, other in the rural Midwest and all over the map. These parents and children juggled silence and solitude with a need to defend their families on the playground, at church, and at holiday gatherings. This is their story. *The Kids* was designed by Emerson, Wajdowicz Studios (EWS).

My Son Wears Heels Julie Tarney.2016-09-06 A loving mother shares her journey of parenting a gender creative child, from toddler to adult.

This is a Book for Parents of Gay Kids Dannielle Owens-Reid,Kristin Russo.2014-09-09 Written in an accessible Q&A format, here, finally, is the go-to resource for parents hoping to understand and communicate with their gay child. Through their LGBTQ-oriented site, the authors are uniquely experienced to answer parents' many questions and share insight and guidance on both emotional and practical topics. Beyond Acceptance Carolyn W. Griffin,Marian J. Wirth,Arthur G. Wirth.2016-01-05 Mom, Dad, I'm gay. When a parent hears these words, the initial shock is often followed by feelings ranging from anger and denial to fear and guilt. It's also the beginning of a difficult journey that, with understanding and emotional support, can lead to acceptance and beyond. Now fully revised and updated, *Beyond Acceptance* by co-authors Carolyn W. Griffin, Marian J. Wirth, and Arthur G. Wirth remains a ground-breaking book that provides parents the comfort and knowledge they need to accept the gay children and build stronger family relationships. Based on the experiences of other parents, this book lets them know they are not alone and helps them through the emotional stages leading to reconciliation with their children.

Beyond Acceptance Carolyn Welch Griffin,Marian J. Wirth,Arthur G. Wirth.1996 Mom, Dad, I'm gay. When a parent hears these words, the initial shock is often followed by feelings ranging from anger and denial to fear and guilt. It's also the beginning of a difficult journey that, with understanding and emotional support, can lead to acceptance and beyond. Now fully revised and updated, *Beyond Acceptance* is a ground-breaking book that provides parents the comfort and knowledge they need to accept the gay children and build stronger family relationships. Based on the experiences of other parents, this book lets them know they are not alone and helps them through the emotional stages leading to reconciliation with their children.

Uncommon Love Mary Comm.2018-08-07 *Uncommon Love* is a landmark Bible study and the first of its kind. In a culture where gay rights, gay marriage, and a surplus of gender issues have recently exploded in the media, more and more kids are coming out—and many of these are from Christian homes with Christian parents who don't know what to do, how to respond, where to draw boundaries or if they even should. Scripture, which is the foundational basis for how to live the Christian life, has even been brought into question, further confusing the hearts and minds of Christian parents. Mary Comm presents a comprehensive navigational map for Christian parents whose kids (whether minor or adult) have Same-Sex Attraction or are living the LGB lifestyle. The primary purpose of *Uncommon Love* is to help parents maintain a loving, mutually respectful relationship with their LGB children and shows parents how to offer compassionate understanding and unconditional love without compromising their own identity, faith, and values.

Fortunate Families Mary Ellen Lopata,Casimer Lopata.2003 *Fortunate Families* addresses the experience of Catholic parents who love their gay sons and lesbian daughters. The book had its genesis in a descriptive survey of over 200 such parents. It integrates results from the survey, church documents and stories so readers can access what they need most. Some readers will search for accurate information about Catholic teaching, others may connect with the lived experience of other Catholic parents. Still others will find examples of ministerial advocacy and support within the Catholic Church. *Fortunate Families* has all this and more. Conventional wisdom emphasizes the stories of parents who react to the news that their child is gay in verbally or physically abusive ways. These stories are told so often they take on an aura of normalcy. But there are other stories - of parents who struggle against the pressures of society and church to find and believe in the goodness of their gay child. It is critically important for parents to hear the stories of others who walked the same road before them—who have come through the experience closer to their gay or lesbian child, and who are willing to work to make the church more welcoming. Equally important is the opportunity for pastoral ministers to hear the voices of these parents and understand the need for outreach and pastoral care for gay and lesbian Catholics and their families. *Fortunate Families* will help prepare pastoral ministers help families come out of their isolation, work through their confusion and pain, and celebrate how fortunate they actually are.

Now that You Know Betty Fairchild,Nancy Hayward.1979 One of the most important books about gay people yet published, *Now that you Know* is a challenging and enlightening guide for the 20 to 40 million parents in the United States who may be faced with the knowledge that a son or daughter is homosexual. It was written by two mothers of gay children and draws on dozens of candid interviews with gay men and women and their parents. The authors discuss the nature of homosexuality, its effect on the lives and careers of children, the prospects for gay relationships, and the troubling question of religion. They tell parents how to respond supportively to gay children and how to keep families together in a bond of understanding and affection. Finally, they describe the nationwide Parents of Gays groups, which encourage parents to share their experiences and learn to help one another.--Publisher's description.

God Loves Hair Vivek Shraya.2014-08-18 A touching poetic exploration of budding sexuality, the mysticism of religion, and family dynamics.

Shraya's text and Neufeld's illustrations capture the confusion, innocence, and de3lusions of adolescence bang on. -Brian Francis, author of *Fruit I am often mistaken for a girl*. Not just because I like to wear dresses or makeup. I don't mind. My parents are from India and here is not quite home. School isn't always safe and neither is my body. But I feel safe in my love for God. And God loves hair. First published to acclaim in 2011, Vivek Shraya's first book, now published by Arsenal Pulp Press for the first time, is a collection of twenty-one short stories following a tender, intellectual, and curious child of Indian origin as he navigates the complex realms of sexuality, gender, racial politics, religion, and belonging. Told with the poignant insight and honesty that only the voice of a young mind can convey, *God Loves Hair* is a moving and ultimately joyous portrait of youth that celebrates diversity in all shapes, sizes, and colors. A Lambda Literary Award finalist in the category of children's books. The stories are accompanied by the award-winning full-color illustrations of Juliana Neufeld. Vivek Shraya is a multimedia artist, working in the mediums of music, performance, literature, and film. He is also author of *She of the Mountains*.

Social Q's Philip Galanes.2012-11-27 A series of whimsical essays by the New York Times Social Q's columnist provides modern advice on navigating today's murky moral waters, sharing recommendations for such everyday situations as texting on the bus to splitting a dinner check.

Embracing the Journey Greg McDonald,Lynn McDonald.2020-01-07 A sympathetic, compassionate, and inspiring guide for parents—from the founders of one of the first Christian ministries for parents of LGBTQ children. Greg and Lynn McDonald had never interacted with members of the LGBTQ community until they discovered that their son was gay. Without resources or support, they had no idea how to come to terms with this discovery. At first they tried to “fix” him, to no avail. But even in the earliest days of their journey, the McDonalds clung to two absolutes: they would love God, and they would love their son. “An essential resource for Christian parents of LGBTQ kids,” (Matthew Vines, Executive Director of The Reformation Project) this book follows the McDonald family's journey over the next twenty years, from a place of grief to a place of gratitude and acceptance that led the McDonalds to start one of the first Christian ministries for parents of LGBTQ children. Based on their experience from counseling and coaching hundreds of struggling Christian parents, they offer tools for understanding your own emotional patterns and spiritual challenges. They also help you experience a deeper relationship with God while handling difficult or unexpected situations that are out of your

control. You will discover tested principles, patterns, and spiritual lessons that can change the way we all see our families, and help Christians at large think through Christ-like ways to respond to the LGBTQ community. Written in an unvarnished, honest, reassuring, and relatable voice, this is a practical guide for parents and a roadmap to learning to love God, the people He created, and the church, even when they seem to be at odds.

If Your Child Is Gay Steven F Kindle.2016-03-15 This book is intended for both the parent newly acquainted with a child's gay sexuality, and those parents who are still struggling to make sense out of it. It's meant to be a reassuring book from a pastor who has been involved with these parents and issues over a lifetime. Why reassuring? Because, as you will discover in these pages, there is nothing wrong with your child that is related to sexual orientation. Yes, there will be challenges and obstacles to overcome such as declining societal rejection, potential bullying, reorientation of true friendships and family relationships, job and other overt forms of discrimination, and the like. But these all can be met without any lasting harm to the parties involved. This book will help you sort out your feelings and provide you with up to date information that will help you navigate the uncharted course. Many others have successfully navigated these waters before you and we will be drawing on their successes.

Heather Has Two Mommies Leslea Newman.2015-03-11 Candlewick relaunches a modern classic for this generation with a beautifully illustrated edition. Heather's favorite number is two. She has two arms, two legs, and two pets. And she also has two mommies. When Heather goes to school for the first time, someone asks her about her daddy, but Heather doesn't have a daddy. Then something interesting happens. When Heather and her classmates all draw pictures of their families, not one drawing is the same. It doesn't matter who makes up a family, the teacher says, because "the most important thing about a family is that all the people in it love one another." This delightful edition for a new generation of young readers features fresh illustrations by Laura Cornell and an updated story by Lesléa Newman.

Unconditional Telaina Eriksen.2017-04-18 Parents of LGBT Children. Looking for LGBTQ books that offer guidance on providing loving support to your LGBT child? Parents of LGBT children guide: Unconditional: A Guide to Loving and Supporting Your LGBTQ Child provides parents of a LGBTQ (lesbian, gay, bisexual, transgender or questioning) child with a framework for helping their LGBTQ child navigate through a world that isn't always welcoming. Author Telaina Eriksen, a professor at Michigan State University and the mother of a gay daughter, explains what she and her husband have learned through experience, including how to:

- Deal with gay children coming out
- Confront bullying of gay children
- Become an advocate for gay children
- Build a support system in a gay family

Gender and sexuality: Eriksen also covers the science on gender and sexuality and how to help a transgender child through the various stages of development. Throughout the book parents and kids who have been there, share their stories. She also directs gay family parents to various resources online to help them. LGBTQ parents will learn...

- How to help their child navigate locker rooms, sleepovers, proms, etc.
- When to involve the police or school administration when it comes to bullying
- How to advocate for local, state and national policies that protect your child
- Ways to educate well-meaning, but misguided extended family members
- How to help start a Gay-Straight Alliance at your child's school
- Strategies for keeping your child talking after he or she comes out
- Signs of unhealthy relationships
- When to consider therapy for your child and/or your family
- How to find an LGBTQ-friendly community (including inclusive churches)

Gay Children, Straight Parents Richard Cohen.2009-11 HOPE AND HEALING FOR FAMILIES Out of his own experience and the experience of many of those he has served in his counseling practice, Richard Cohen sets out a step-by-step plan that offers a path toward renewed family relationships grounded in love, faith and mutual respect....

Straight Parents, Gay Children Robert A. Bernstein.2003-06-25 Straight Parents, Gay Children is Robert Bernstein's moving account of how he came to terms with his daughter's homosexuality and how the experience has enriched his life. Bernstein -- winner of the 1996 Award for Best Scholarship on the Subject of Intolerance, awarded by the Gustaves Myers Center for the Study of Human Rights in North America -- discusses the myths surrounding homosexuality, accepting the news, parents who speak out, public figures who have gay children, and more. Straight Parents, Gay Children is a survival guide for all parents who wish to help their gay children cope with the inevitable cruelty from which they cannot hide. This revised and updated edition includes an introduction by Robert MacNeil of MacNeil/Lehrer Productions and a foreword by Candace Gingrich, author of The Accidental Activist Bob Bernstein has done a wonderful job. I wish his book could be required reading for the world.—Betty DeGeneres, spokesperson, Human Rights Campaign, National Coming Out Project Bernstein's tone is personal, his advice is sound ... a valuable addition to the psychological self-help collections.—Charles Harmon, Booklist A succinct, moving book about parents who have defied the social stigma of homosexuality to publicly support their gay children.—Washington Blade

Unconditional Telaina Eriksen.2022-04-26 Providing Support if Your Child is Transgender or LGBTQ+ Winner of the Sixth Annual Bisexual Book Award for Non-fiction, 2017 #1 Bestseller in Lesbian Studies Unconditional is a parenting guide book that provides parents of an LGBTQ (lesbian, gay, bisexual, transgender, or questioning) child with a framework for helping their LGBT child navigate a world that isn't always welcoming. Tips from a mother with experience. In Unconditional, author Telaina Eriksen, a professor at Michigan State University, explains what she and her husband have learned through the experience of parenting a gay child. She covers topics like how to handle kids coming out, being an advocate for LGBTQ+ children, how to help your child deal with stress unique to LGBTQ+ kids, and finding a LGBTQ+ family. This book is a must read for anyone who thinks their child is transgender or otherwise LGBTQ+. A guide for supporting your LGBT child. What if my child is transgender? Eriksen covers the science of gender, understanding gender dysphoria, and how to help a transgender child through the stages of development. What if I have more general LGBTQ+ family needs? Throughout the book, both parents and kids share their stories, and Eriksen directs parents to various resources online for help. This LGBT family book teaches the principles of unconditional parenting, love, and learning. Inside, learn: How to advocate for policies that protect your child Ways to educate well-meaning, but misguided friends or family Strategies keep your kid talking if your child is transgender or LGBTQ+ Signs of unhealthy relationships When to consider therapy for your child or your family How to find an LGBTQ+ community (including inclusive churches) If you liked LGBT books, best sellers like The Gender Identity Guide for Parents, The Savvy Ally, or The End of Gender, you'll love Unconditional.

Coming Out, Coming Home Michael C. LaSala.2010-06-25 The discovery that a child is lesbian or gay can send shockwaves through a family. A mother will question how she's raised her son; a father will worry that his daughter will experience discrimination. From the child's perspective, gay and lesbian youth fear their families will reject them and that they will lose financial and emotional support. All in all, learning a child is gay challenges long-held views about sexuality and relationships, and the resulting uncertainty can produce feelings of anger, resentment, and concern. Through a qualitative, multicultural study of sixty-five gay and lesbian children and their parents, Michael LaSala, a leading expert on this issue, outlines effective, practice-tested interventions for families in transition. His research reveals surprising outcomes, such as learning that a child is homosexual can improve familial relationships, including father-child relationships, even if a parent reacts strongly or negatively to the revelation. By confronting feelings of depression, anxiety, and grief head on, LaSala formulates the best approach for practitioners who hope to reestablish intimacy among family members and preserve family connections& mdash;as well as individual autonomy& mdash;well into the child's maturation. By restricting his study to parents and children of the same family, LaSala accurately captures the reciprocal effects of family interactions, identifying them as targets for effective treatment. Coming Out, Coming Home is also a valuable text for families, enabling adjustment through relatable scenarios and analyses.

The GayBCs M. L. Webb.2019-10-08 A Moms Demand Action Book Club Pick "The perfect way to teach your kiddos LGBTQ+ vocab while celebrating the beauty of embracing yourself and others."—KIWI Magazine A joyful celebration of LGBTQ+ vocabulary for kids of all ages! A playdate extravaganza transforms into a joyful celebration of friendship, love, and identity as four young friends sashay out of all the closets, dress up in a

wardrobe fit for kings and queens, and discover the wonders of their imagination. In *The GayBCs*, M. L. Webb's playful illustrations and lively poems delight in the beauty of embracing one's truest self—from A is for Aro and Ace to F is for Family to T is for Trans. *The GayBCs* is a heartwarming and accessible gift to show kids and adults alike that every person is worthy of being celebrated. A bonus glossary offers opportunities for further discussion of complete terms, communities, and inclusive identities.

The Ultimate Guide for Gay Dads Eric Rosswood. 2017-10-24 If you are thinking of becoming a gay dad – or if you are already a gay dad – this book is for you! Are you ready to have kids? More and more gay men are turning to adoption and surrogacy to start their own families. An estimated two million American LGBTQ people would like to adopt and an estimated 65,000 adopted children are living with a gay parent. In 2016, *The Chicago Tribune* reported that 10 to 20 percent of donor eggs went to gay men expanding their families via surrogacy, and in many places the numbers were up 50 percent from the previous five years. Gay parenting: Having a kid is like coming out all over again, on a daily basis, especial if you have an infant. Was coming out stressful for you? It's about to get more intense and you will have a child watching your every move and listening to your every word. If you stutter or pause, they may pick up on your discomfort and could start to feel like something is wrong about their family unit. *The Ultimate Guide For Gay Dads* is jam packed with parenting tips and advice to help you build confidence and become the awesome gay dad you were meant to be! How Is This Parenting Guide Different From Others? Unlike other parenting books that have whole chapters focusing on things specifically related to mothers (such as how to get the perfect latch when breastfeeding), this parenting book replaces those sections with things relevant to gay dads. It covers topics like how to find LGBT friendly pediatricians, how to find LGBT friendly schools, how to childproof your home with style, how to answer awkward and prying questions about your family from strangers, examples for what two-dad families can do on Mother's Day, and much more. The book also includes parenting tips and advice from pediatricians, school educators, lawyers, and other same-sex parents. Top LGBT parenting expert: Bestselling author Eric Rosswood covers every aspect of fatherhood for gay men in this essential guide to growing your family in the post-DOMA era. He is a major influencer on social media with over 100,000 followers on Twitter alone, as well as thousands on other platforms. Exploring LGBTQ issues: Rosswood is an in-demand authority and commentator on LGBTQ issues, including civil rights, parenting, marriage and politics. The author has been featured in major media including *The Washington Post*, *Cosmopolitan*, *CBS News*, *The Huffington Post*, *Elite Daily*, *Yahoo! News*, *AOL News*, *NY Daily News*, *IB Times*, and regional LGBTQ press.

Your Child Says, I'm Gay Tim Geiger. 2013-09-30 Four little words that will rock any parent's world: "I think I'm gay." If your child said this, you are probably experiencing a combination of shock, denial, anger, confusion, and uncertainty. Despite your shock, you still want to respond well. What should you say? What questions should you ask? How do you move forward in your relationship? ...

Transforming Austen Hartke. 2018-04-07 In 2014, *Time* magazine announced that America had reached the transgender tipping point, suggesting that transgender issues would become the next civil rights frontier. Years later, many people—even many LGBTQ allies—still lack understanding of gender identity and the transgender experience. Into this void, Austen Hartke offers a biblically based, educational, and affirming resource to shed light and wisdom on this modern gender landscape. *Transforming: The Bible and the Lives of Transgender Christians* provides access into an underrepresented and misunderstood community and will change the way readers think about transgender people, faith, and the future of Christianity. By introducing transgender issues and language and providing stories of both biblical characters and real-life narratives from transgender Christians living today, Hartke helps readers visualize a more inclusive Christianity, equipping them with the confidence and tools to change both the church and the world.

Immerse yourself in heartwarming tales of love and emotion with D Kirk's touching creation, *Tender Moments: This Is A For Parents Of Gay Kids A Question*. This emotionally charged ebook, available for download in a PDF format (*), is a celebration of love in all its forms. Download now and let the warmth of these stories envelop your heart.

This Is A For Parents Of Gay Kids A Question Introduction

In this digital age, the convenience of accessing information at our fingertips has become a necessity. Whether its research papers, eBooks, or user manuals, PDF files have become the preferred format for sharing and reading documents. However, the cost associated with purchasing PDF files can sometimes be a barrier for many individuals and organizations. Thankfully, there are numerous websites and platforms that allow users to download free PDF files legally. In this article, we will explore some of the best platforms to download free PDFs. One of the most popular platforms to download free PDF files is Project Gutenberg. This online library offers over 60,000 free eBooks that are in the public domain. From classic literature to historical documents, Project Gutenberg provides a wide range of PDF files that can be downloaded and enjoyed on various devices. The website is user-friendly and allows users to search for specific titles or browse through different categories. Another reliable platform for downloading This Is A For Parents Of Gay Kids A Question free PDF files is Open Library. With its vast collection of over 1 million eBooks, Open Library has something for every reader. The website offers a seamless experience by providing options to borrow or download PDF files. Users simply need to create a free account to access this treasure trove of knowledge. Open Library also allows users to contribute by uploading and sharing their own PDF files, making it a collaborative platform for book enthusiasts. For those interested in academic resources, there are websites dedicated to providing free PDFs of research papers and scientific articles. One such website is Academia.edu, which allows researchers and scholars to share their work with a global audience. Users can download PDF files of research papers, theses, and dissertations covering a wide range of subjects. Academia.edu also provides a platform for discussions and networking within the academic community. When it comes to downloading This Is A For Parents Of Gay Kids A Question free PDF files of magazines, brochures, and catalogs, Issuu is a popular choice. This digital publishing platform hosts a vast collection of publications from around the world. Users can search for specific titles or explore various categories and genres. Issuu offers a seamless reading experience with its user-friendly interface and allows users to download PDF files for offline reading. Apart from dedicated platforms, search engines also play a crucial role in finding free PDF files. Google, for instance, has an advanced search feature that allows users to filter results by file type. By specifying the file type as "PDF," users can find websites that offer free PDF downloads on a specific topic. While downloading This Is A For Parents Of Gay Kids A Question free PDF files is convenient, its important to note that copyright laws must be respected. Always ensure that the PDF files you download are legally available for free. Many authors and publishers voluntarily provide free PDF versions of their work, but its essential to be cautious and verify the authenticity of the source before downloading This Is A For Parents Of Gay Kids A Question. In conclusion, the internet offers numerous platforms and websites that allow users to download free PDF files legally. Whether its classic literature, research papers, or magazines, there is something for everyone. The platforms mentioned in this article, such as Project Gutenberg, Open Library, Academia.edu, and Issuu, provide access to a vast collection of PDF files. However, users should always be cautious and verify the legality of the source before downloading This Is A For Parents Of Gay Kids A Question any PDF files. With these platforms, the world of PDF downloads is just a click away.

FAQs About This Is A For Parents Of Gay Kids A Question Books

How do I know which eBook platform is the best for me? Finding the best

eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer webbased readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. This Is A For Parents Of Gay Kids A Question is one of the best book in our library for free trial.
