International Digital Children's Library: Browse through a wide selection of high quality free books for children here. Check out Simple Search to get a big picture of how this library is organized: by age, reading level, length of book, genres, and more. Get free eBooks for your eBook reader, PDA or iPOD from a collection of over 33,000 books with ManyBooks. It features an eye-catching front page that lets you browse through books by authors, recent reviews, languages, titles and more. Not only that you have a lot of free stuff to choose from, but the eBooks can be read on most of the reading platforms like, eReaders. Kindle, iPads, and Nooks. The eReader Cafe has listings every day for free Kindle books and a few bargain books. Daily email subscriptions and social media profiles are also available if you don't want to check their site every day. The browsing interface has a lot of room to improve, but it's simple enough to use. Downloads are available in dozens of formats, including EPUB, MOBI, and PDF, and each story has a Flesch-Kincaid score to show how easy or difficult it is to read. If you're having a hard time finding a good children's book amidst the many free classics available online, you might want to check out the International Digital Children's Library, where you can find award-winning books that range in length and reading levels. There's also a wide selection of languages available, with everything from English to Farsi. Free Kindle Books and Tips is another source for free Kindle books but discounted books are also mixed in every day. Because this site is dedicated to free books, there's none of the hassle you get with filtering out paid-for content on Amazon or Google

Play Books. We also love the fact that all the site's genres are presented on the homepage, so you don't have to waste time trawling through menus. Unlike the bigger stores, Free-Ebooks.net also lets you sort results by publication date, popularity, or rating, helping you avoid the weaker titles that will inevitably find their way onto open publishing platforms (though a book has to be really quite poor to receive less than four stars). Authorama is a very simple site to use. You can scroll down the list of alphabetically arranged authors on the front page, or check out the list of Latest Additions at the top. Myanonamouse is a private bit torrent tracker that needs you to register with your email id to get access to its database. It is a comparatively easier to get into website with easy uploading of books. It features over 2 million torrents and is a free for all platform with access to its huge database of free eBooks. Better known for audio books, Myanonamouse has a larger and friendly community with some strict rules.
