Tasting Rome Katie Parla,Kristina Gill.2016-03-29 A love letter from two Americans to their adopted city, Tasting Rome is a showcase of modern dishes influenced by tradition, as well as the rich culture of their surroundings. Even 150 years after unification, Italy is still a divided nation where individual regions are defined by their local cuisine. Each is a mirror of its city's culture, history, and geography. But cucina romana is the country's greatest standout. Tasting Rome provides a complete picture of a place that many love, but few know completely. In sharing Rome's celebrated dishes, street food innovations, and forgotten recipes, journalist Katie Parla and photographer Kristina Gill capture its unique character and reveal its truly evolved food culture—a culmination of 2000 years of history. Their recipes acknowledge the foundations of Roman cuisine and demonstrate how it has transitioned to the variations found today. You'll delight in the expected classics (cacio e pepe, pollo alla romana, fiore di zucca); the fascinating but largely undocumented Sephardic Jewish cuisine (hrami con couscous, brodo di pesce, pizzarelle); the authentic and tasty offal (guanciale, simmenthal di coda, insalata di nervitti); and so much more. Studded with narrative features that capture the city's history and gorgeous photography that highlights both the food and its hidden city, you'll feel immediately inspired to start tasting Rome in your own kitchen. eBook Bonus Material: Be sure to check out the directory of all of Rome's restaurants mentioned in the book!

Xero For Dummies Heather Smith.2017-02-07 Take your books to the cloud with the ultimate guide to Xero Xero For Dummies is your one-stop resource for working with this revolutionary accounting software. Whether you're brand new to Xero or converting from another program, you'll get up and running in a flash; if you're already using Xero, this book will show you how to take advantage of the software's full functionality. Easy to use and deceptively powerful, Xero is so much more than a spreadsheet &ndash it can help you streamline reporting; manage inventory; simplify accounts; and organise suppliers, customers and more. Automatic imports, intuitive coding and seamless synching across multiple business platforms gets the paperwork done quickly so you can get back to running your business. This new third edition includes coverage of the newest features, including updates on payroll, purchase orders, reporting and inventory so you can optimise your system to help your business thrive. Xero's cloud-based single-ledger accounting system is user-friendly and efficient, but expert guidance will help you get the absolute most out of the software's features and functionality. This book shows you every nook and cranny, with screenshots and best practices, so you can let Xero handle the books while you focus on running your business. Fine-tune your set-up, or convert from another accounting program Manage daily activities with contacts, accounts, sales and payables Master weekly and monthly reporting routines Track inventory, monitor your business and get the most out of Xero You didn't start your business in order to become an accountant, but bookkeeping is critically important to the short- and long-term health of your company. Xero simplifies the process and saves you time, and Xero For Dummies helps you leverage every feature Xero has to offer. In addition to the book, visit www.dummies.com/go/xerofd3e for an online-only appendix you can download for free, which gives you all the info you need to master your payrun.

Introduction to Community Oral History Mary Kay Quinlan, Nancy MacKay, Barbara W Sommer. 2016-06-16 The first book of the five-volume Community Oral History Toolkit sets the stage for an oral history project by placing community projects into a larger context of related fields and laying a sound theoretical foundation. It introduces the field of oral history to newcomers, with discussions of the historical process, the evolution of oral history as a research methodology, the nature of community, and the nature of memory. It also elaborates on best practices for community history projects and presents a detailed overview of the remaining volumes of the Toolkit, which cover Planning, Management, Interviewing, and After-the-Interview processing and curation. Introduction to Community Oral History features a comprehensive glossary, index, bibliography, and references, as well as numerous sample forms that are needed throughout the process of conducting community oral history projects.

Books Pics is a cool site that allows you to download fresh books and magazines for free. Even though it has a premium version for faster and unlimited download speeds, the free version does pretty well too. It

features a wide variety of books and magazines every day for your daily fodder, so get to it now! You won't find fiction here - like Wikipedia, Wikibooks is devoted entirely to the sharing of knowledge. Free Kindle Books and Tips is another source for free Kindle books but discounted books are also mixed in every day. A few genres available in eBooks at Freebooksy include Science Fiction, Horror, Mystery/Thriller, Romance/Chick Lit, and Religion/Spirituality. You can search for a specific title or browse by genre (books in the same genre are gathered together in bookshelves). It's a shame that fiction and non-fiction aren't separated, and you have to open a bookshelf before you can sort books by country, but those are fairly minor quibbles. My favorite part about DigiLibraries.com is that you can click on any of the categories on the left side of the page to quickly see free Kindle books that only fall into that category. It really speeds up the work of narrowing down the books to find what I'm looking for. The \$domain Public Library provides a variety of services available both in the Library and online, pdf book. ... There are also book-related puzzles and games to play. Updated every hour with fresh content, Centsless Books provides over 30 genres of free Kindle books to choose from, and the website couldn't be easier to use. Freebooksy is a free eBook blog that lists primarily free Kindle books but also has free Nook books as well. There's a new book listed at least once a day, but often times there are many listed in one day, and you can download one or all of them.
