Jeep CJ 1972-1986 Michael Hanssen.2017-11-15 Identifying the Jeep CJ series vehicles as the most popular off-road vehicles of all time may actually qualify as an understatement. They really are that popular. The CJ series arguably started after World War II with the CJ-2A being introduced to the masses, and while the early CJs have their share of enthusiasts, the largest group of enthusiasts began their love affair with the AMC-powered Jeep CJ-5s beginning in 1972. Joined by the longer-wheelbase CJ-7 models introduced in 1976, the CJ models were wildly popular through their discontinuation in 1986, when the Wrangler was introduced. These were the only models originally equipped with V-8 engines in any meaningful way. This era combined the ruggedness of the early Jeeps with some of the advancements and horsepower of a more modern era; it makes a platform that is both fun to own and to modify. Jeep guru Michael Hanssen covers all of the systems that can be upgraded to improve your Jeep's performance. Upgrades include suspension components such as springs, shocks, and steering modifications; driveline components including differentials, transmissions, transfer cases, and axles; engine upgrades including engine swaps; wheel and tire upgrades; aftermarket accessories; and armor such as skid plates, bumpers, brake upgrades, and more. Whether you are looking to get into serious off-roading or just want to make your classic CJ a little more fun, this book will be a valuable tool in your shop or library. p.p1 {margin: 0.0px 0.0px 0.0px 0.0px; font: 12.0px Arial}

See Jamaica by Automobile (Classic Reprint) L. L. Phillips.2015-07-01 Excerpt from See Jamaica by Automobile In compiling this booklet describing the various trips in Jamaica, the arrangement has been made with reference to the length of the rides, commencing with the shorter ones from Kingston. On the tours, stopping places have been arranged only at points where good hotel accommodations can be obtained. Many visitors in arranging their cruises have only allowed for a few hours stay in Jamaica. To these and others who are unable to take more than one motor ride while in Kingston, we unhesitatingly recommend the trip to Castleton Gardens as the most scenic and typical half day tour from Kingston.
