Sanskrit for Beginners (Cornell Workbook) StudyGo Official.2018-08-23 This would make the ideal adaptable notebook for those seeking to learn the Sanskrit language. The workbook contains a customised, glossy front cover and 108 pages of blank 8.5 x 11 inch Cornell note paper, the perfect size for plenty of note writing space. The Cornell note taking system is designed to provide a methodical and accessible format for writing and organising notes. This can be particularly helpful in educational and professional settings. Each page is split into four sections, providing segmented areas to record the Sanskrit phrases, alphabet and vocabulary you wish to learn, which you can then prioritise and refer back to. A summary section is also provided to reflect on the main learning points. This process makes recalling and retaining new information simpler. We would like to thank you very much for your interest in the blank workbook, and hope you make good use of it.
