The Seven Spiritual Weapons Catherine of Bologna.2011-07-18 St. Catherine of Bologna, much venerated in her own city, has been little known outside of her native region but interest in her is now increasing. The outline of her life is clear and her own work, *The Seven Spiritual Weapons*, tells a good deal about her inner experiences and early years in the cloister. The introduction to this translation situates her life in the history of Ferrara and Bologna and studies how the external history of the community impinged on Catherine's own religious experience and how it was interwoven with her successful struggle against depression.

Too Much Happiness Alice Munro.2009-11-17 WINNER OF THE NOBEL PRIZE® IN LITERATURE 2013 Ten superb new stories by one of our most beloved and admired writers—the winner of the 2009 Man Booker International Prize. With clarity and ease, Alice Munro once again renders complex, difficult events and emotions into stories about the unpredictable ways in which men and women accommodate and often transcend what happens in their lives. In the first story a young wife and mother, suffering from the unbearable pain of losing her three children, gains solace from a most surprising source. In another, a young woman, in the aftermath of an unusual and humiliating seduction, reacts in a clever if less-than-admirable fashion. Other tales uncover the “deep-holes” in a marriage, the unsuspected cruelty of children, and, in the long title story, the yearnings of a nineteenth-century female mathematician.

Don't miss this breathtaking collection of stories set in the world of the best-selling *Darkest Minds* trilogy, now in paperback: **IN TIME** A desperate young man is forced to make a terrible choice between his own survival and the future of a little girl who won't speak, but who changes his life in ways he could never imagine. **SPARKS RISE** A spark of light brightens a brutal world when a girl named Sam encounters her childhood best friend at the government-run rehabilitation camp, Thurmond. Lucas and Sam form a risky escape plan, but sometimes even love isn't powerful enough to overcome unspeakable cruelty. **BEYOND THE NIGHT** The camps are closed. A tyrant president has been deposed. But for many Psi kids living rough, there is no home to return to, no place for them in a country devastated by the past and anxious about the future. Every day is a struggle for Sam, who knew all the rules at Thurmond and has been thrown into a terrifying and uncertain new life. But there's more at stake than Sam's own survival. She once made a promise to someone she loves, and the time has come to fulfill it. From New York Times best-selling author Alexandra Bracken comes a collection of three hauntingly beautiful novellas set in the world of the *Darkest Minds* series. In the most harrowing of times, it takes a ferocious strength not only to survive, but to stand up for those who cannot fight their own battles.
