Madame McGinty est morte (Nouvelle traduction révisée) Agatha Christie.2015-04-08 Lorsque la vieille Madame McGinty est retrouvée morte, assassinée à coups de hachoir, tout semble accuser James Bentley, son locataire. Non seulement parfaitement antipathique, l'homme est de surcroît sans alibi. Malgré tout, le commissaire Spence craint d'avoir fait fausse route. Pour lever le doute sur l'innocence du condamné, il fait appel au détective Hercule Poirot et à ses légendaires cellules grises. Traduction de Janine Lévy entièrement révisée

Tales of Fashionable Life: The absentee (Concluded) Madame de Fleury. Émilie de Coulanges. The modern Griselda Maria Edgeworth.1833

Madame de Mauves Henry James.2008-11-01 She had begun to speak slowly, with reserve and effort; but she went on quickly and as if talk were at last a relief. My marriage introduced me to people and things which seemed to me at first very strange and then very horrible, and then, to tell the truth, of very little importance. At first I expended a great deal of sorrow and dismay and pity on it all; but there soon came a time when I began to wonder if it were worth one's tears. If I could tell you the eternal friendships I've seen broken, the inconsolable woes consoled, the jealousies and vanities scrambling to outdo each other, you'd agree with me that tempers like yours and mine can understand neither such troubles nor such compensations.

'The Philosophes' by Charles Palissot Charles Palissot.2021-01-21 In 1760, the French playwright Charles Palissot de Montenoy wrote *Les Philosophes* – a scandalous farcical comedy about a group of opportunistic self-styled philosophers. *Les Philosophes* emerged in the charged historical context of the pamphlet wars surrounding the publication of Diderot and d'Alembert's *Encyclopédie*, and delivered an oblique but acerbic criticism of the intellectuals of the eighteenth-century Enlightenment, including the likes of Diderot and Rousseau. This book presents the first high-quality English translation of the play, including critical apparatus. The translation is based on Olivier Ferret's edition, and renders the text into iambic pentameter to preserve the character of the original. Adaptations are further provided of Ferret's introduction and notes. This masterful and highly accessible translation of *Les Philosophes* opens up this polemical text to a non-specialist audience. It will be a valuable resource to non-Francophone scholars and students working on the philosophical exchanges of the Enlightenment. Moreover, this translation – the result of a year-long project undertaken by Jessica Goodman with six of her undergraduate French students – expounds the value of collaboration between scholar and student, and, as such, provides a model for other language tutors embarking on translation projects with their students.

Madame de Mauves James Henry.2017-02-16 A wealthy American man named Longmore is introduced to his countrywoman Euphemia de Mauves, wife of the Comte Richard de Mauves. Longmore and Madame de Mauves become friends, and he visits her frequently in Paris. Superficially, Madame de Mauves leads a happy life with a wealthy and irreproachably polite husband, but Longmore soon becomes convinced that she harbours a deep sadness. It gradually

becomes clear that the Comte is an unscrupulous and dissipated man who married his wife for her money alone. As a youth, Madame de Mauves had been naive and idealistic, believing that the Comte de Mauves' title guaranteed a fine character.

Madame X J. W. McConaughy.2015-09-27 Excerpt from Madame X: A Story of Motherlove A night lamp - the chosen companion of illness, misery and murder - burned dimly on a little table in the midst of a grim array of bottles and boxes. In a big armchair between the table and the bed, and within easy reach of both, sat a young man. It was his fourteenth night in that chair and he leaned his head back against the cushions in an attitude of utter exhaustion. The hands rested on the arms with the palms turned up. But the strong, clean-cut face - that for two weeks had been a mask of fear and suffering - was transfigured with joy and thanksgiving when he reached over every few minutes and touched the forehead of the little boy in the bed. There was moisture under the dark curls and the fever flush had given way to the pallor of weakness. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Principles of Copyright Law - Cases and Materials .2002 This publication aims to provide a valuable and practical tool for those countries where court decisions in the copyright domain are scarce or non-existent - either because copyright law is a fairly new phenomenon or because legislation has not been extensively applied. To that effect, this publication examines a carefully selected number of court decisions illustrating general principles of copyright law, drawn from common law, civil law and the legislative systems of Arab countries. As the basic principles illustrated here are to a large extent commonly shared, many of the cases presented have a wider relevance, going beyond the confines of the legal system of which they form a part. L'objet du présent recueil est d'offrir un outil précieux et commode aux pays dont la jurisprudence en matière de droit d'auteur est restreinte ou inexistante, soit parce que le droit d'auteur est une réalité relativement nouvelle pour eux, soit parce que la législation en vigueur dans ce domaine n'a pas été

largement appliquée. À cette fin, le présent ouvrage expose un certain nombre de décisions de justice, soigneusement sélectionnées, qui illustrent les principes généraux du droit d'auteur et qui émanent de la common law, du droit civil et des systèmes législatifs des pays arabes. Compte tenu de la valeur quasi universelle de ces principes fondamentaux, la pertinence des cas présentés va bien souvent au-delà des limites du système juridique dont ils relèvent.
