Politics and Ethics of the Indian Constitution Rajeev Bhargava.2008 Much of the germinal work on the Indian Constitution has been done by legal experts and historians. The distinctiveness of this collection of essays is its focus on the Indian Constitution from the perspective of political theory. Contributors to this volume view the Constitution either as a political or as an ethical document, reflecting configurations of power and interests or articulating a moral vision. Critically analysing the various aspects of the constitution, the essays discuss equality, freedom, citizenship, minority rights, democracy, rights, property and welfare.

Who Are You, Really? Brian R. Little.2017-08-15 Traditionally, scientists have emphasized what they call the first and second natures of personality--genes and culture, respectively. But today the field of personality science has moved well beyond the nature vs. nurture debate. In *Who Are You, Really?* Dr. Brian Little presents a distinctive view of how personality shapes our lives--and why this matters. Little makes the case for a third nature to the human condition--the pursuit of personal projects, idealistic dreams, and creative ventures that shape both people's lives and their personalities. Little uncovers what personality science has been discovering about the role of personal projects, revealing how this new concept can help people better understand themselves and shape their lives--Provided by publisher.

The Problem of the Rupee Bhimrao Ramji Ambedkar.1923

The RSS and the BJP Abdul Gafoor Abdul Majeed Noorani.2000 The fascist Rashtriya Swayamsevak Sangh, through its political arm, the BJP, is now at the centre of Indian politics. This poses a grave danger to Indian democracy and secularism. What was the role of the Hindutva forces in the struggle against the British? What links did Gandhiji's killer Nathuram Godse have with the RSS? How did the political arm of the RSS, the Jan Sangh, and its later incarnation, BJP, come into being? What actually happened on that fateful day of Dec. 6, 1992? What are the current agendas of the RSS? What does the elevation of the hardliner Sudarshan to the post of the Sarsanghchalak of the RSS mean? Marshalling a wealth of factual and archival detail, eminent lawyer and political commentator A.G. Noorani answers these and a host of other questions in his characteristically forthright and hard hitting style. Reprinted and updated til Feb. 2001.

REVISITING THE CONSTITUTION OF INDIA P. Anand.2024-04-11 A unique experiment by the author through a fictional story parallelly suggests an essential review required in the Constitution of India to bring in positive changes in the interest of the world. Today's argument of Judiciary, Legislature and Executive is that they are one of the three pillars or arm or wing of Government i.e Constitution are ordinarily unquestionable. A number of instances where Thrimoorthis, so-called professionals would be better understood by the common man through the three wise monkeys of Mahatma Gandhi being dumb, deaf and blind. In other words, see no justice, hear no complaints of citizens and speak no regulations "Executives don't want to speak, Legislators don't want to see and Judiciary doesn't want to hear. Inclusiveness can happen if the present three pillars of the Constitution are revisited and find scope to incorporate other important aspects of life. Seven pillars namely Legislative, Judiciary, Executive, Health, Security, Education and Agriculture required to be given adequate representation while revising the Constitution to encourage the participation of the common man. In addition, the fictional story of a family brings out human values of compassion, devotion and service to society by guiding readers to find an answer to the purpose of life. "THE GREATNESS OF PROPOSED REVISION IS IN THE SPIRIT AND THE INTENTION OF CREATING WORLD LEADERS FOR THE SAFETY OF MANKIND" Surgeon Captain Anand (Retd) "Contribution from AdvaySvaraPrema and family members"

At The Feet of Mahatma Gandhi Dr. Rajendra Prasad.2015-01-01 I have sometimes felt that Mahatma Gandhi is a modern replica in human form of the sacred Ganga. Descending from heavenly heights like our seers and prophets; rishis and munis; of yore; he has delivered his life-giving message; not only helping us in our material well-being by showing us the way to political independence; social justice and economic prosperity; but also to catch a glimpse of the moral and spiritual heights and to climb at least a few steps in the long and arduous course leading to those heights. Even so will Mahatma Gandhi's message of Love and Truth; Ahimsa and Satya bear fruit only for those who will follow his straight and narrow path and regulate their lives according to his strict and strenuous regimen; and give ultimate material prosperity only to those who order and fashion their affairs in conformity with his policy and programme. —From this book Beautiful tribute to the Father of the Nation Mahatma Gandhi by one of the greatest sons of motherland Bharat which brings to light all the characteristics which made Mohandas Karamchand Gandhi— the Mahatma.
