No trace of them is found, except for film footage of strange artifacts buried under the ice. Everyone who saw the film is warned to never talk about what they have seen - EVER AGAIN. More than a decade later, in Boulder, Colorado, Professor Charles Summers is intrigued by the discovery of a 16th century map showing the coastline of Antarctica so accurately that when NASA investigates the maps they find that they must

update their own current maps! But this map predates any record of the discovery of Antarctica by 300 years! Who Drew Those Maps and When? Did They See Antarctica Without Its Icecap? Did Humans Live On Antarctica Before? But...Antarctica Has Been Under Its Icecap For 200 Million Years! Is it possible that beneath the ice we will find the remains of an impossibly ancient civilization? The Rossler Foundation arranges an expedition to Antarctica to search for evidence of such a civilization. The Orion Society immediately mobilizes their resources to infiltrate the expedition. Will their treachery and hunger for power stop this expedition from reaching its goals? Is There An Ancient City Under The Ice Of Antarctica? About NINTH CYCLE ANTARCTICA, the second book in the Rossler Foundation Series, is a full-length novel, a stimulating thriller about an attempt at uncovering true human history in the face of adversity. This adventure takes readers back into the Mysteries of the Rossler Foundation which began with JC Ryan's THE TENTH CYCLE. Profit Without Honor Stephen M. Rosoff, Henry N. Pontell, Robert Tillman. 1998 Profit Without Honor: White-Collar Crime and the Looting of America seeks to elucidate a very broad subject: white-collar crime. How broad? Its domain stretches from the small price-gouging merchant to the huge price-fixing cartel. It can breed in an antiseptic hospital or a toxic dump. It is at home on Main Street, Wall Street, Madison Avenue, and countless other addresses - including, at times, 1600 Pennsylvania Avenue. **The Rowen** Kadin Rixx, J. C. Ryan. 2017-03-21 The team of people at the Rossler Foundation had two mottos: One: Our present circumstances will not determine where we will go; it will merely dictate where we will start. Two. Never doubt that a small group of thoughtful, committed people can change the world. Indeed, it's the only thing that ever has. During The Phoenix Agenda, when John Brideaux, took over control of the world and established his One World Government, a tyranny the likes of which the world had never seen, the Rosslerites went into hiding

and refused to accept the loss of their freedom. Under the leadership of Daniel and Sarah Rossler, through sheer brilliance, hard work, and perseverance, the Rosslerites topple the evil John Brideaux and his Supreme Council. The Rosslerites had given the people of the world a new lease on life, with hopes and dreams of restoring their lives in peace and quiet. But they soon find that their euphoria would be fleeting, as two malevolent forces are already at work to return the world to the frightening nightmare from which it had just escaped. ~~~

*Duty of Care* Jc Ryan. 2019-04-08 It's Rome. It's August. It's early morning. It's going to be a perfect day. Rex and Digger, his former military dog and best friend, are in Rome. They are at a trattoria not far from the famous Spanish Steps. Rex is hoping that Catia Romano, the woman he fell in love with four years ago, would make an appearance. It's been two years. Rex's memory stirs. He can see her auburn curls fall across her face, her blue eyes sparkling beneath her lashes, and he wonders if her smile still reaches them. But then her image fades from his mind's eye as his hand reaches for the vibrating phone, and within seconds he knows that his plan to see Catia will come to nothing, as he listens with growing alarm to Rehka, his IT expert in India, telling him that former CRC colleagues of his came to her apartment and wanted to know where they could find him. My cover is blown, my extended vacation is over, and John Brandt could be in perilous danger. John Brandt, the CEO of CRC, whom they all referred to as the Old Man, has been abducted, and CRC needs Rex's help. It's a matter of life and death. Do I have a duty of care? Just when he puts the phone down, Catia is there. Stunning as ever, breathtaking, more beautiful than in his most romantic dreams. His eyes flick to her hands, no rings. Damn! Come on Digger. He stood, grabbed Digger's leash, and walked away. Damn! Thus, begins another nerve-wracking quest for Rex and Digger to save someone. This time, someone from Rex's past. **Nothing New Under the Sun** J. C. Ryan. 2016-03-21 The more Cater Devereux, a professor of archeology, researches and studies the history of the human species, the more he becomes convinced that Solomon was onto something when he said: The thing that hath been, it is that which shall be; and that which is done is that which shall be done: and there is no new thing under the sun. Is there anything whereof it may be said, See, this is new? It hath been already of old time, which was before us. There

is no remembrance of former things; neither shall there be any remembrance of things that are to come with those that shall come after. Ecclesiastes 1:9 -11 (Circa 940 BC). Carter's research and exploration into this history take him to South America, India and the Middle East where he makes mind-boggling discoveries which challenge our entire view of human history. And before long, Carter finds himself with not only a large number of critics from across the world but also a number of ardent followers. Through the ages kings, rulers, power seekers and governments have been trying to secretly, and sometimes not so secretly, to get their hands on artifacts believed to have immense power. Examples include the Holy Grail, the Ark of the Covenant, Bachal Isu - the staff of Moses, carried by David, and the King of Kings, Jesus Christ, the Spear of Destiny, the time machine the glock created by the Germans during WWII, and ancient lost cities with hidden fortunes of gold and artifacts with unimaginable powers. There is a no shortage of unscrupulous, power hungry people who will do anything, including kill, to possess these relics- if they exist. Most frightening of them all are the ancient texts that speak of earth's destruction by nuclear weapons thousands of years ago. Do those nuclear weapons still exist? If so where are they? Can Carter Devereux discover them before anyone else can? Carter is drawn into the secret world of archeology which he never knew existed where phrases such as; above top secret, - never existed, - will be denied if uncovered, - and black ops budgets, are part of the language. NOTHING NEW UNDER THE SUN is a full-length novel, a thought-provoking mystery about the discovery of antediluvian human civilizations and the terrifying consequences of digging up the past. It is the first book in J C Ryan's Carter Devereux Mystery Thriller series, the prequel to the stimulating, fast paced thriller, The Wolves Of Freydis.
