The Road to Goonong David Cox.2011-08-01 This glorious story of a bush childhood - growing up on the family farm with horses and animals, eccentric neighbours and a loving family - captures the enduring spirit of Australian country people. The road to Goonong was just a pair of wheel tracks packed down by buggies and drays that had travelled that way over the years. It ran through forest and passed by farmhouses and the hut where the Schmidt boys lived. Goonong, our farm, was at the end of the road. We had beef cattle and dairy cattle, and there was plenty of room to play and

plenty of horses to ride. It was a time when timber-cutters felled big ironbarks and blacksmiths' hammers rang out from the forge. The skies were always blue over Goonong.
