

Star Of The East

Star in the East Hans Holzer.2016-01-03 Hans Holzer rediscovers Christmas, from its pre-Christian beginnings to its celebration in many lands yesterday and today; from the Star in the East to the origins of holly, hymns, trees, and Santa Claus (yes, Virginia, he lived!). Through ancient astrological and astronomical charts he shows how the Three Wise Men were led from opposite ends of the earth to Bethlehem, and why they undertook the long and dangerous journey—separately—to the birthplace of Christ. Using his skills as an archaeologist, historian, and numismatist, Professor Holzer reveals the true identities of the three Kings called Caspar, Melchior, and Balthazar, focusing new light on the spiritual significance of Christmas.

A Crimson Warning Tasha Alexander.2011-10-25 Secrets prove deadly in this new novel from Tasha Alexander featuring Lady Emily Hargreaves. Some very prominent people in London are waking up to find their doorsteps smeared with red paint, the precursor to the revelation of a dark secret - and worse - by someone who enjoys destroying lives. Newly returned to her home in Mayfair, Lady Emily Hargreaves is looking forward to enjoying the delights of the season. The delights, that is, as defined by her own eccentricities—reading *The Aeneid*, waltzing with her dashing husband, and joining the Women's Liberal Federation in the early stages of its campaign to win the vote for women. But an audacious vandal disturbs the peace in the capital city, splashing red paint on the neat edifices of the homes of London's elite. This mark, impossible to hide, presages the revelation of scandalous secrets, driving the hapless victims into disgrace, despair and even death. Soon, all of London high

society is living in fear of learning who will be the next target, and Lady Emily and her husband, Colin, favorite agent of the crown, must uncover the identity and reveal the motives of the twisted mind behind it all before another innocent life is lost.

The Star of Bethlehem Mark Kidger. 2017-03-14 Two thousand years ago, according to the Bible, a star rose low in the east and stopped high above Bethlehem. Was it a miracle, a sign from God to herald the birth of Christ? Was there a star at all, or was it simply added to the Bible to fulfill the Old Testament prophecy concerning the birth of the Messiah? Or was the Star of Bethlehem an actual astronomical event? For hundreds of years, astronomers as prominent as Johannes Kepler have sought an answer to this last baffling question. In *The Star of Bethlehem*, Mark Kidger brings all the tools of modern science, years of historical research, and an infectious spirit of inquiry to bear on the mystery. He sifts through an astonishing variety of ideas, evidence, and information—including Babylonian sky charts, medieval paintings, data from space probes, and even calculations about the speed of a camel—to present a graceful, original, and scientifically compelling account of what it may have been that illuminated the night skies two millennia ago. Kidger begins with the stories of early Christians, comparing Matthew's tale of the Star and the three Magi who followed it to Bethlehem with lesser-known accounts excluded from the Bible. Crucially, Kidger follows the latest biblical scholarship in placing Christ's birth between 7 and 5 B.C., which leads him to reject various phenomena that other scientists have proposed as the Star. In clear, colorful prose, he then leads us through the arguments for and against the remaining astronomical candidates. Could the Star have been Venus? What about a meteor or a rare type of meteor shower? Could it have been Halley's Comet, as featured in Giotto's famous painting of the Nativity? Or, as Kidger suspects, was the Star a combination of events—a nova recorded in ancient Chinese and Korean manuscripts preceded by a

series of other events, including an unusual triple conjunction of planets? Originally published in 1999. The Princeton Legacy Library uses the latest print-on-demand technology to again make available previously out-of-print books from the distinguished backlist of Princeton University Press. These editions preserve the original texts of these important books while presenting them in durable paperback and hardcover editions. The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905.

The Star in the East George Oliver.2019-02-21 This work has been selected by scholars as being culturally important, and is part of the knowledge base of civilization as we know it. This work was reproduced from the original artifact, and remains as true to the original work as possible. Therefore, you will see the original copyright references, library stamps (as most of these works have been housed in our most important libraries around the world), and other notations in the work. This work is in the public domain in the United States of America, and possibly other nations. Within the United States, you may freely copy and distribute this work, as no entity (individual or corporate) has a copyright on the body of the work. As a reproduction of a historical artifact, this work may contain missing or blurred pages, poor pictures, errant marks, etc. Scholars believe, and we concur, that this work is important enough to be preserved, reproduced, and made generally available to the public. A Star in the East Rodney Stark,Xiuhua Wang.2015-05-02 What is the state of Christianity in China, really? Some scholars say that China is invulnerable to religion. Some say that past efforts of missionaries have failed, writing off those who were converted as nothing more than “rice

Christians,” or cynical souls who had frequented the missions for the benefits they provided. Some wonder if the Cultural Revolution extinguished any chances of Christianity in China. Rodney Stark and Xiuhua Wang offer a different perspective, arguing that Christianity is alive, well, and even on the rise. Stark approaches the topic from an extensive research background in both Christianity and Chinese history, and Wang provides an inside look at Christianity and its place in her home country of China. Both authors cover the history of religion in China, disproving older theories concerning not only the number of Christians, but the kinds of Christians that have emerged in the past 155 years. Stark and Wang claim that when just considering the visible Christians, those not part of underground churches, there are still thousands of Chinese being converted to Christianity each day, and forty new churches opening each week. *A Star in the East* draws on two major national surveys to sketch a close-up of religion in China. A reliable estimate is that by 2007 there were approximately 60 million Christians in China. If the current rate of growth were to hold until 2030, there would be more Christians in China—about 295 million—than in any other nation on earth. This has significant implications, not just for China but for the greater world order. It is probable that Chinese Christianity will splinter into denominations, likely leading to the same kinds of political, social, and economic ramifications seen in the West today. Whether you’re new to studying Christianity in China, or whether this has been your area of interest for years, *A Star in the East* provides a reliable, thought-provoking, and engaging account of the resilience of the Christian faith in China and the implications it has for the future.

[The Star of Bethlehem](#) MR Dwight Reed Hutchison. 2017-10-10 A Jewish and Babylonian Perspective About the Star of Bethlehem The biblical account of the wise men and the star that announced the coming of the Messiah of Israel has inspired and puzzled people for two millennia. Important aspects

of Babylonian astronomy seem to be involved in understanding the star's appearing. But in addition, this short book also explores the men and events from a profoundly Jewish perspective. The traditional Jewish names of stars and planets, Jewish symbols, as well as Jewish dates, all seem to be keys to unlocking the mystery of the famous star. Who were the biblical Magi? Various wise men were important in the history of the vast region to the east of Judaea. Zoroastrian, Babylonian, Greek and even Jewish wise men all played a role there in several successive empires. A possible Jewish connection with the story of the biblical wise men has been long neglected. Tens of thousands of Jews lived in Mesopotamia and Iran when Jesus was born. As they came to understand the star, the Magi apparently made a connection between aspects of Babylonian astronomy and the Jewish messianic hope. Book website: www.star-of-bethlehem.info

Star in the East Roland Vernon. 2002 The story of Krishnamurti, one of the twentieth century's most influential and controversial spiritual figures, takes place in the crucible of sexual scandal, mysticism, and an extraordinary personal history. Discovered by a leader of the Theosophical Society, Krishnamurti was hailed as a messiah and groomed to be the new World Leader. Rejecting the society's claims, he then set out on a teaching career that covered six decades, and produced fifty books and thousands of talks. Until his death in 1986, he continued to challenge many generally cherished ideas of spirituality. His lectures, books, and interviews are still widely read and studied. In this first truly objective biography, English author Roland Vernon uses primary and secondary sources as well as numerous unattributed interviews with Krishnamurti's friends and students to provide a wealth of detail. With unflinching and non-judgmental clarity, Vernon describes the details of Krishnamurti's life, including his formative years with the allegedly pedophilic Charles Leadbeater and the notorious Anne Besant, and the painful purification process

that he was forced to undergo. Vernon also provides insight into Krishnamurti's highly-private personal life, including an extended clandestine affair with longtime friend Rosalind Williams Rajagopal. By painting full pictures of the people who most influenced Krishnamurti, especially in his formative years, the author gives valuable clues to some of the often less well-illuminated aspects of Krishnamurti's character.

The Star in the East Doyle Clark, George Oliver. 2015-05-04 In this work, George Oliver uses testimonies from other Masonic writers along with historic and moral examples in the Masonic lectures to attempt proof of a connection and complete compatibility between Christianity and Freemasonry.

The Sacred Books of the East .1899

The Southern Harmony and Musical Companion Glenn C. Wilcox. 1993-09-29 William Walker's Southern Harmony, first published in 1835, was the most popular tune book of the nineteenth century, containing 335 sacred songs, dominated by the folk hymns of oral tradition and written in the old four-shape notation that was for generations the foundation of musical teaching in rural America. Born in 1809 in South Carolina, William Walker grew up near Spartanburg and early became devoted to the Welsh Baptist Church of his ancestors and to the musical heritage that church had brought to early America. Walker became a singing master, and Southern Harmony was compiled for his students in hundreds of singing schools all over North and South Carolina and Georgia and in eastern Tennessee. Southern Harmony reached Kentucky in the company of music-loving pioneers, and today an annual singing in Benton, Kentucky, remains the only such occasion on which Southern Harmony is consistently the source of the music. The CD included with the book

contains 29 tunes, hymns, psalms, odes, and anthems, including New Britain (Amazing Grace), Happy Land, O Come, Come Away, Wondrous Love, and many, many more.

The Star of Bethlehem Michael R. Molnar.2013 Tracing the possible origins of the Magi's star, the author uses an ancient Roman coin as a starting point to investigate the possibility that the legendary star may in fact have been an eclipse of Jupiter and the star Aries.

The Gospel According to Matthew .1999 The publication of the King James version of the Bible, translated between 1603 and 1611, coincided with an extraordinary flowering of English literature and is universally acknowledged as the greatest influence on English-language literature in history. Now, world-class literary writers introduce the book of the King James Bible in a series of beautifully designed, small-format volumes. The introducers' passionate, provocative, and personal engagements with the spirituality and the language of the text make the Bible come alive as a stunning work of literature and remind us of its overwhelming contemporary relevance.

Four Songs. The Star of the East. The Clown's Courtship. The Fair Maiden. And O Poortith Cauld .1800

The Christmas Carol Reader William E Studwell, Frank Hoffmann, B Lee Cooper.2012-10-12 Like that Biblical, astronomical star of Bethlehem, The Christmas Carol Reader guides readers on their quest for information about Christmas songs. Studwell gathers a composite picture of the world's most important and famous carols and includes an ample selection of lesser-known Christmas songs. All of the carols are presented in their historical and cultural contexts which adds to readers' understanding and appreciation of the songs. As the only book that covers this elusive topic, The Christmas Carol Reader informs and entertains readers on over 200 songs of all types (sacred and secular), of all periods (Middle Ages through the 20th century), and from a number of countries and cultures. Because many of the songs in The Christmas Carol Reader fit into more than one distinct category, Studwell wisely divides the songs into two major groups--those that reflect Christmas as a Holy Day and those that celebrate Christmas as a Holiday. Here is just a sample of the breadth of coverage of songs: Sacred: From Heaven Above to Earth I Come; O Come, O Come Emmanuel; Angels From the Realms of Glory; As With Gladness Men of Old; O Holy Night (Cantique de Noël); Thou Didst Leave Thy Throne Secular: Happy Holiday; A Holly Jolly Christmas; God Rest You Merry, Gentlemen; Silver Bells; Here Comes Santa Claus; I'll Be Home for Christmas Medieval: Puer Natus in Bethlehem (A Boy Is Born in Bethlehem); Coventry Carol; I Sing of a Maiden; La marche des rois (The March of the Kings); In Dulci Jubilo 1500--1700's: Bring a Torch, Jeanette, Isabella; I Saw Three Ships; Carol of the Bagpipers 1800's: Adeste Fideles (O Come All Ye Faithful);

O Little Town of Bethlehem; What Child Is This?; It Came Upon a Midnight Clear; Stille Nacht, Heilige Nacht (Silent Night) Spirituals: Go Tell It on the Mountain; I Wonder as I Wander; Mary Had a Baby; Rise Up, Shepherd, and Follow Little Known: O Bethlehem!; The Sleep of the Infant Jesus; Song of the Nuns of Chester Countries and Cultures: O Tannenbaum; Lulajze Jezuniu (Polish Lullaby); Fum, Fum, Fum; Carol of the Bells; Patapan; El rorro (The Babe) As readers learn about the history and nature of the Christmas carol in general and the specific history of individual religious and secular carols, they will learn some history and nature of the holiday season which can bring more enjoyment into their celebrations for years to come. On long winter nights, The Christmas Carol Reader can be read continuously as a series of fact-based commentaries on Christmas music. For shorter periods in between holiday activities, readers can peruse one of the topical sections or select, with the aid of the title index, an individual essay of interest. As a library reference, this book can provide facts for research on Christmas songs or just provide an entertaining education for curious library patrons.

Death in the Floating City Tasha Alexander.2012-10-16 The Huffington Post calls Tears of Pearl author Tasha Alexander one to watch—and read and her new Lady Emily mystery set in Venice proves it! Years ago, Emily's childhood nemesis, Emma Callum, scandalized polite society when she eloped to Venice with an Italian count. But now her father-in-law lies murdered, and her husband has vanished. There's no one Emma can turn to for help but Emily, who leaves at once with her husband, the dashing Colin Hargreaves, for Venice. There, her investigations take her from opulent palazzi to slums, libraries, and bordellos. Emily soon realizes that to solve the present day crime, she must first unravel a centuries old puzzle. But the past does not give up its secrets easily, especially when these revelations might threaten the interests of some very powerful people.

Star of the East P. Royce.1985

Azoth - Or, The Star in the East Arthur Edward Waite.2020-08-06 "Azoth - Or The Star in the East" is a 1893 work by A. E. Waite. Arthur Edward Waite (1857 - 1942), more commonly referred to as A. E. Waite, was an American-born British mystic and poet. He wrote profusely on the subject of the occult and esoteric matters, and is famous for being the co-creator of the Rider-Waite Tarot deck. His work arguably constitutes the first attempt to systematically studying the history of western occultism, which he viewed more of a spiritual tradition than proto-science or pseudo-religion, as was the more common conception. Contents include: "The Agnostic Standpoint as the Threshold of Mysticism", "Intellectual Difficulties of a Certain Class of Thinkers". "Connection between Religion and Morality", "Certain Consolation to be Derived from the Mysteries of Life", "Philosophical Basis of this Statement", "Appeal of Material Philosophy", "Ultimately Worthless Nature of this Life Except as a Preparation for the Higher Life", etc. Many vintage books such as this are becoming increasingly scarce and expensive. It is with this in mind that we are republishing this volume now in

a modern, high-quality edition complete with a specially-commissioned new biography of the author. **Star Readers: from out of the east** D.A. Nygaard.2014-11-04 Ancient star readers are amazed by a conjunction of wandering and royal stars, and connect the mysterious event with a long-ago prophesy by an exalted member of their order. Their quest to uncover this mystery becomes a dangerous marathon into a slave empire. Deceit surrounds them and a frightening entity haunts them. The journey carries the star readers through storms, battles, crossroads and palaces before finally leading them to a one-room mud hut in an insignificant village. Darker questions then confront them. Meres, a young man of noble birth, and Jenu, a servant-healer, are swept up in this quest, and it changes their destiny. What they witness will change the world. An innovative re-telling of the journey of the wise men to Bethlehem. Respectful of the ancient text and historically accurate, Star Readers offers a logical rationale behind one of the world's most mesmerizing stories.

The Star in the East Claudius Buchanan.1809

Star of the East Tasha Alexander.2014-10-28 From New York Times bestselling author Tasha Alexander comes STAR OF THE EAST, a Lady Emily holiday story that will enchant readers and keep them guessing until the very last page... Emily and Colin Hargreaves make it a rule to spend as little

time as possible with her parents in Kent, but are unable to refuse Lady Catherine Bromley's invitation to join them for a pre-Christmas party that includes the family of Ala Kapur Singh, a powerful Punjabi maharaja who has come to England after receiving the Order of the Star of India. Lady Bromley, quite taken with the exotic beauty and spectacular jewels of the maharani and her daughter, Sunita, throws herself with abandon into her own version of Indian culture, planning a feast she is certain will be more spectacular than any seen on the sub-continent. When a priceless diamond maang tika and a simple gold bangle disappear from Sunita's room, a diplomatic incident seems imminent, particularly after the maang tika turns up in Emily's possession. Emily may have what appears to be the more valuable of the two pieces, but the maang tika cannot be worn without the bangle, upon which is engraved the words necessary to ward off a curse placed on the set five hundred years ago by a princess forced to forsake the man she loved. Sunita must wear the maang tika at her wedding but cannot do so without the bangle. Can Emily convince the maharaja that she is not a thief? And, more important, can she and Colin find the bangle?

Manners and Customs of the Bible James Midwinter Freeman.1996 This is a valuable resource book through the Bible, explaining many customs practiced in Bible times. Not only is it easy to understand, but it is also filled with many helpful illustrations.

Star of the East Colleen Coover.2003

Star of the East Kathryn Guare.2021-11-26 An escapade of stolen treasure, with deadly consequences. As part-time operatives, Conor McBride and Kate Chatham are trained for unexpected developments, but their current troubles have nothing to do with undercover work. Overwhelmed by meddling relatives, an engagement party they didn't want, and their own short tempers, they'd welcome any stress-relieving antidote. They just didn't expect it to appear in the

form of stolen treasure, buried in a bloody mound of snow on a deserted back road. Their startling discovery quickly turns to unstoppable escapade, and unlike others Conor barely lived through, it feels like a Sherlock Holmes caper more than any MI6 enterprise. In pursuit of an unknown thief, the mystery sends him north to the border, teamed with a deceptively folksy police chief, and a sergeant from the Royal Canadian “Mounties” who’s keen for the adventure. While they follow a trail of clues into the mountains of Quebec, Kate remains in Vermont to identify the treasure and its owner. Working with an eccentric gem expert and two FBI agents, she learns its incredible history points directly to Fifth Avenue, and one of the most celebrated names in New York. Once there, Kate uncovers an international connection that raises the stakes beyond anything they’d imagined. The game is afoot and every bit the distraction they wished for, but as Conor chases their elusive thief up the St. Lawrence Seaway and into the teeth of a blizzard, the odds of missing his own engagement party grow with every mile. Even more troubling, the whispered warnings of his sixth sense are proving once again prophetic. Their escapade is turning deadly, looking more like an MI6 mission, after all. Now, he and Kate will need all their operational skills to finish what they started, and to make it home alive.

manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information. No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free Star Of The East PDF books and manuals is the internet's largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website

interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily

searchable, enabling readers to locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making research and finding relevant information a breeze. This efficiency saves time and effort, streamlining the learning process and allowing individuals to focus on extracting the information they need. Furthermore, the availability of free PDF books and manuals fosters a culture of continuous learning. By removing financial barriers, more people can access educational resources and pursue lifelong learning, contributing to personal growth and professional development. This democratization of knowledge promotes intellectual curiosity and empowers individuals to become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while accessing free Star Of The East PDF books and manuals is convenient and cost-effective, it is vital to respect copyright laws and intellectual property rights. Platforms offering

free downloads often operate within legal boundaries, ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to knowledge while supporting the authors and publishers who make these resources available. In conclusion, the availability of Star Of The East free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.

FAQs About Star Of The East Books

1. Where can I buy Star Of The East books?

Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.

2. What are the different book formats available? Hardcover: Sturdy and durable, usually more expensive. Paperback: Cheaper, lighter, and more portable than hardcovers. E-books: Digital books available for e-readers like Kindle or software like Apple Books, Kindle, and Google Play Books.

3. How do I choose a Star Of The East book to read? Genres: Consider the genre you enjoy (fiction, non-fiction, mystery, sci-fi, etc.). Recommendations: Ask friends, join

book clubs, or explore online reviews and recommendations. Author: If you like a particular author, you might enjoy more of their work.

4. How do I take care of Star Of The East books? Storage: Keep them away from direct sunlight and in a dry environment. Handling: Avoid folding pages, use bookmarks, and handle them with clean hands. Cleaning: Gently dust the covers and pages occasionally.

5. Can I borrow books without buying them? Public Libraries: Local libraries offer a wide range of books for borrowing. Book Swaps: Community book exchanges or online platforms where people exchange books.

6. How can I track my reading progress or manage my book collection? Book Tracking Apps: Goodreads, LibraryThing, and Book Catalogue are popular apps for tracking your reading progress and

managing book collections. Spreadsheets: You can create your own spreadsheet to track books read, ratings, and other details.

7. What are Star Of The East audiobooks, and where can I find them? Audiobooks: Audio recordings of books, perfect for listening while commuting or multitasking. Platforms: Audible, LibriVox, and Google Play Books offer a wide selection of audiobooks.
8. How do I support authors or the book industry? Buy Books: Purchase books from authors or independent bookstores. Reviews: Leave reviews on platforms like Goodreads or Amazon. Promotion: Share your favorite books on social media or recommend them to friends.
9. Are there book clubs or reading communities I can join? Local Clubs: Check for local book clubs in libraries or community centers. Online Communities:

Platforms like Goodreads have virtual book clubs and discussion groups.

10. Can I read Star Of The East books for free? Public Domain Books: Many classic books are available for free as they're in the public domain. Free E-books: Some websites offer free e-books legally, like Project Gutenberg or Open Library.

Find Star Of The East

OpenLibrary is a not for profit and an open source website that allows to get access to obsolete books from the internet archive and even get information on nearly any book that has been written. It is sort of a Wikipedia that will at least provide you with references related to the book you are looking for like, where you can get the book online or offline, even if it doesn't store itself. Therefore, if you know a book that's not listed you can simply add the information on the

site. It's easy to search Wikibooks by topic, and there are separate sections for recipes and childrens' textbooks. You can download any page as a PDF using a link provided in the left-hand menu, but unfortunately there's no support for other formats. There's also Collection Creator – a handy tool that lets you collate several pages, organize them, and export them together (again, in PDF format). It's a nice feature that enables you to customize your reading material, but it's a bit of a hassle, and is really designed for readers who want printouts. The easiest way to read Wikibooks is simply to open them in your web browser. Sacred Texts contains the web's largest collection of free books about religion, mythology, folklore and the esoteric in general. Freebooksy is a free eBook blog that lists primarily free Kindle books but also has free Nook books as well. There's a new book listed at least once a day, but often times there are many listed in one day, and you can download one or all of them. The free Kindle books here can be

borrowed for 14 days and then will be automatically returned to the owner at that time. Browsing books at eReaderIQ is a breeze because you can look through categories and sort the results by newest, rating, and minimum length. You can even set it to show only new books that have been added since you last visited. It's easier than you think to get free Kindle books; you just need to know where to look. The websites below are great places to visit for free books, and each one walks you through the process of finding and downloading the free Kindle book that you want to start reading. PixelScroll lists free Kindle eBooks every day that each includes their genre listing, synopsis, and cover. PixelScroll also lists all kinds of other free goodies like free music, videos, and apps. eReaderIQ may look like your typical free eBook site but they actually have a lot of extra features that make it a go-to place when you're looking for free Kindle books.
