Ebook Bike is another great option for you to download free eBooks online. It features a large collection of novels and audiobooks for you to read. While you can search books, browse through the collection and even upload new creations, you can also share them on the social networking platforms. If you want to stick to PDFs only, then you'll want to check out PDFBooksWorld. While the collection is small at only a few thousand titles, they're all free and guaranteed to be PDF-optimized. Most of them are literary classics, like *The Great Gatsby*, *A Tale of Two Cities*, *Crime and Punishment*, etc. If you are admirer for books, FreeBookSpot can be just the right solution to your needs. You can search through their vast online collection of free eBooks that feature around 5000 free eBooks. There are a whopping 96 categories to choose from that occupy a space of 71.91GB. The best part is that it does not need you to register and lets you download hundreds of free eBooks related to fiction, science, engineering and many more. Baen is an online platform for you to read your favorite eBooks with a section consisting of limited amount of free books to download. Even though small the free section features an impressive range of fiction and non-fiction. So, to download eBooks you simply need to browse through the list of books, select the one of your choice and convert them into MOBI, RTF, EPUB and other reading formats. However, since it gets downloaded in a zip file you need a special app or use your computer to unzip the zip folder. Another site that isn't strictly for free books, Slideshare does offer a large amount of free content for you to read. It is an online forum where anyone can upload a digital presentation on any subject. Millions of people utilize SlideShare for research, sharing ideas, and learning about new technologies. SlideShare supports documents and PDF files, and all these are available for free download (after free registration). Most of the eBooks are available in EPUB, MOBI, and PDF formats. They even come with word counts and reading time estimates, if you take that into consideration when choosing what to read. The Open Library: There are over one million free books here, all available in PDF, ePub, Daisy, DjVu and ASCII text. You can search for eBooks specifically by checking the Show only eBooks option under the main search box. Once you've found an eBook, you will see it available in a variety of formats. The time frame a book is available as a free download is shown on each download page, as well as a full description of the book and sometimes a link to the author's website.
