**Max and the Tag-Along Moon** Floyd Cooper.2015-03-10 Experience the wonder of the moon following you home with a Coretta Scott King Award-winning illustrator! Great for Father's Day and Grandparent's Day! Max loves his grandpa. When they must say good-bye after a visit, Grandpa promises Max that the moon at Grandpa's house is the same moon that will follow him all the way home. On that swerby-curvy car ride back to his house, Max watches as the moon tags along. But when the sky darkens and the moon disappears behind clouds, he worries that it didn't follow him home after all. Where did the moon go—and what about Grandpa's

promise? Floyd Cooper received the Coretta Scott King Award for *The Blacker the Berry*, three Coretta Scott King Honors for *Brown Honey in Broomwheat Tea*, *Meet Danitra Brown*, and *I Have Heard of a Land*, and an NAACP image award. In *Max and the Tag-Along Moon*, his lush paintings perfectly capture the wonder of the moon, the love between grandfather and grandson, and that feeling of magic every child experiences when the moon follows him home.. “Coretta Scott King Award-winning Cooper has created a gentle, comforting story that will reassure children that those who love us are always with us.” —Booklist “Cooper uses his signature style to illustrate both the landscape--sometimes viewed from the car windows or reflected in the vehicle's mirror--and the expressive faces of his characters. Coupled with the story's lyrical text, this is a lovely mood piece. A quiet, warm look at the bond between grandfather and grandson.” —Kirkus Reviews

OpenLibrary is a not for profit and an open source website that allows to get access to obsolete books from the internet archive and even get information on nearly any book that has been written. It is sort of a Wikipedia that will at least provide you with references related to the book you are looking for like, where you can get the book online or offline, even if it doesn't store itself. Therefore, if you know a book that's not listed you can simply add the information on the site. Monthly "all you can eat" subscription services are now mainstream for music, movies, and TV. Will they be as popular for e-books as well? Both fiction and non-fiction are covered, spanning different genres (e.g. science fiction, fantasy, thrillers, romance) and types (e.g. novels, comics, essays, textbooks). Being an Android device owner can have its own perks as you can have access to its Google Play marketplace or the Google eBookstore to be precise from your mobile or tablet. You can go to its "Books" section and select the "Free" option to access free books from the huge collection that features hundreds of classics, contemporary bestsellers and much more. There are tons of genres and formats (ePUB, PDF, etc.) to choose from accompanied with reader reviews and ratings. Every day, eBookDaily adds three new free Kindle books to several different genres, such as Nonfiction, Business & Investing, Mystery & Thriller, Romance, Teens & Young Adult, Children's Books, and others. Although this program is free, you'll need to be an Amazon Prime member to take advantage of it. If you're not a member you can sign up for a free trial of Amazon Prime or wait until they offer free subscriptions, which they do from time to time for special groups of people like moms or students. Authorama offers up a good selection of high-quality, free books that you can read right in your browser or print out for later. These are books in the public domain, which means that they are freely accessible and allowed to be distributed; in other words, you don't need to worry if you're looking at something illegal here. There are plenty of genres available and you can search the website by keyword to find a particular book. Each book has a full description and a direct link to Amazon for the download. Ebooks and Text Archives: From the Internet Archive; a library of fiction, popular books, children's books, historical texts and academic books.
