Social media pages help you find new eBooks from BookGoodies, but they also have an email service that will send the free Kindle books to you every day. The first step is to go to make sure you're logged into your Google Account and go to Google Books at books.google.com. Once you've found a book you're interested in, click Read Online and the book will open within your web browser. You also have the option to Launch Reading Mode if you're not fond of the website interface. Reading Mode looks like an open book, however, all the free books on the Read Print site are divided by chapter so you'll have to go back and open it every time you start a new chapter. That means you've got access to an entire library of classic literature that you can read on the computer or on a variety of mobile devices and eBook readers. Providing publishers with the highest quality, most reliable and cost effective editorial and composition services for 50 years. We're the first choice for publishers' online services.
