*Academic Writing and Dyslexia* Adrian J. Wallbank.2022-11-30 Fully revised and expanded, this book presents a unique visual approach to academic writing and composition tailored to the needs of students with dyslexia in Higher Education. It will help you to successfully structure and articulate your ideas, get to grips with critical reading, thinking and writing and fulfil your full academic potential. The 'writing process' (e.g. genre and style, critical thinking and reading, writing, sentence construction, and proofreading editing) is de-mystified and translated into innovative, meaningful visual representations in the form of templates, images, icons and prompts designed to meet the visual and 'big picture' learning styles and strengths of your dyslexia. Underpinned by extensive research, this book will help you to present your thoughts and evaluate and critique competing arguments in a compelling way. It is written to help you bridge the gap between your existing coping strategies and the increased demands and rigours of academic writing at university. This second edition features enhanced visual techniques for reading online, expanded material to cover scientific writing, literature reviews, reflective writing and academic style, and detailed explanations of how dyslexia affects writing, how to reduce pressure on your working memory and how to get your creativity and ideas onto the page in order to excel. This book serves as an invaluable resource for dyslexic students, academics, dyslexia specialists, learning developers, and writing tutors throughout the Higher Education sector.

Initially just a treat for his friends, it rapidly turned into a huge word-of-mouth success. And soon the arrival of John Julius Norwich's latest 'Christmas Cracker' became as essential a part of the English Christmas experience as holly and mistletoe. Norwich had a brilliant eye for a story and telling detail, and his Crackers are full of jokes, warmth and wit. Here in one bumper book is his final and 50th Christmas Cracker, alongside all the very best bits as picked out by his daughter Artemis Cooper. This is the perfect Christmas gift.

[MiniEco](#) Kate Lilley.2013 MiniEco is the sensational craft blog of Kate Lilley. With over 250,000 followers it has taken on cult status in the international craft community, and that is purely down to Kates fresh, contemporary and beautifully explained and executed craft projects. With a book for children already under her belt, this publication focuses more on adults with 33 pieces including paper gems, an origami lampshade, macrame hangings, pop-up pixel cards, hama bead candle holders, and tie-dyed furoshiki cloths. The ideas range in complexity from the simple to the advanced, but each one is totally unique and has never before been published. The look of the book will reflect the immaculate, Japanese-inflected minimalism of the MiniEco website, with some high-end production finishes including a die-cut, dust-jacketed paperback binding and boldly pared-back photography. QR codes will link to animated gifs of the craft being made.

*A Christmas Cracker* Philip Whiteland.2018-10-12 Are you ITCS yet? For those who don't know, we're talking about being In The Christmas Spirit here. Before you throw this book out of the window, just remember that this is a state of mind that advertisers and manufacturers try very hard to

induce in you, and yet the answer is right here, in this little book. Being 'In The Christmas Spirit' is impossible to define. It's a bit like love, you know it when you're in it. Philip has gathered together a whole bunch of stories he's written about Christmases past and present, some factual, some fictional, over the years. Some of these, if you're a regular reader of his ramblings (and we know there are some of you out there...we can hear you breathing) you may recognise from previous collections, although updates have been made where it was sensible to do so. Interspersed with these familiar stories are others that have never previously seen the light of day, including a story featuring Josiah and Archibald, the two fictitious undertakers, written specifically for this collection. We really hope that you get as much enjoyment from reading these stories as we've had gathering them, and that you're ITCS before you can say Ho, ho, ho!

**Macca's Christmas Crackers** Matt Cosgrove.2019-10-03 A funny celebration of friendship and kindness that is the perfect Christmas story. Macca is an alpaca. But when Macca checks his piggy bank, he realises that he's spent all of his savings. Oh no, this is a disaster! Except, Macca's friend Al reminds him of something very important: that you don't need to spend anything on a friend. So Macca gets busy, making thoughtful gifts for everyone. Maybe, just maybe, this year will be the best Christmas yet.

**Perry Como's Christmas Cracker** James Yarker.2020-01-20 Two theatrical impresarios attempt to tell the nativity story in a pantomime form with the help of Mary from the audience. This play documents the terrible travesty that follows and how it is redeemed by Mary's mangled memory of the 'true' Christmas story. This is the first play by the groundbreaking theatre company Stan's Cafe. This edition includes photographs from the original production and bonus material: the original programme text, a 'making of' essay and an anecdote about the company's inept and nearly lethal attempt to tour the show.
