If you keep a track of books by new authors and love to read them, Free eBooks is the perfect platform for you. From self-help or business growth to fiction the site offers a wide range of eBooks from independent writers. You have a long list of category to choose from that includes health, humor, fiction, drama, romance, business and many more. You can also choose from the featured eBooks, check the Top10 list, latest arrivals or latest audio books. You simply need to register and activate your free account, browse through the categories or search for eBooks in the search bar, select the TXT or PDF as preferred format and enjoy your free read. Google Books will remember which page you were on, so you can start reading a book on your desktop computer and continue reading on your tablet or Android phone without missing a page. As archive means, you can retrieve books from the Internet Archive that are no longer available elsewhere. This is a not for profit online library that allows you to download free eBooks from its online library. It is basically a search engine for that lets you search from more than 466 billion pages on the internet for the obsolete books for free, especially for historical and academic books. How to Download Your Free eBooks. If there's more than one file type download available for the free ebook you want to read, select a file type from the list above that's compatible with your device or app. It's easy to search Wikibooks by topic, and there are separate sections for recipes and childrens'

textbooks. You can download any page as a PDF using a link provided in the left-hand menu, but unfortunately there's no support for other formats. There's also Collection Creator - a handy tool that lets you collate several pages, organize them, and export them together (again, in PDF format). It's a nice feature that enables you to customize your reading material, but it's a bit of a hassle, and is really designed for readers who want printouts. The easiest way to read Wikibooks is simply to open them in your web browser. Ebooks and Text Archives: From the Internet Archive; a library of fiction, popular books, children's books, historical texts and academic books. The free books on this site span every possible interest. Amazon's star rating and its number of reviews are shown below each book, along with the cover image and description. You can browse the past day's free books as well but you must create an account before downloading anything. A free account also gives you access to email alerts in all the genres you choose. Free-Ebooks.net is a platform for independent authors who want to avoid the traditional publishing route. You won't find Dickens and Wilde in its archives; instead, there's a huge array of new fiction, non-fiction, and even audiobooks at your fingertips, in every genre you could wish for. There are many similar sites around, but Free-Ebooks.net is our favorite, with new books added every day. If you want to stick to PDFs only, then you'll want to check out PDFBooksWorld. While the collection is small at only a few thousand titles, they're all free and guaranteed to be PDF-optimized. Most of them are literary classics, like *The Great Gatsby*, *A Tale of Two Cities*, *Crime and Punishment*, etc.
