**Empire of Wild** Cherie Dimaline.2020-07-28 “Deftly written, gripping and informative. Empire of Wild is a rip-roaring read!”—Margaret Atwood, From Instagram “Empire of Wild is doing everything I love in a contemporary novel and more. It is tough, funny, beautiful, honest and propulsive—all the while telling a story that needs to be told by a person who needs to be telling it.”—Tommy Orange, author of There There A bold and brilliant new indigenous voice in contemporary literature makes her American debut with this kinetic, imaginative, and sensuous fable inspired by the traditional Canadian Métis legend of the Rogarou—a werewolf-like creature that haunts the roads and woods of native people’s communities. Joan has been searching for her missing husband, Victor, for nearly a year—ever since that terrible night they’d had their first serious argument hours before he mysteriously vanished. Her Métis family has lived in their tightly knit rural community for generations, but no one keeps the old ways . . . until they have to. That moment has arrived for Joan. One morning, grieving and severely hungover, Joan hears a shocking sound coming from inside a revival tent in a gritty Walmart parking lot. It is the unmistakable voice of Victor. Drawn inside, she sees him. He has the same face, the same eyes, the same hands, though his hair is much shorter and he's wearing a suit. But he doesn't seem to recognize Joan at all. He insists his name is Eugene

Wolff, and that he is a reverend whose mission is to spread the word of Jesus and grow His flock. Yet Joan suspects there is something dark and terrifying within this charismatic preacher who professes to be a man of God . . . something old and very dangerous. Joan turns to Ajean, an elderly foul-mouthed card shark who is one of the few among her community steeped in the traditions of her people and knowledgeable about their ancient enemies. With the help of the old Métis and her peculiar Johnny-Cash-loving, twelve-year-old nephew Zeus, Joan must find a way to uncover the truth and remind Reverend Wolff who he really is . . . if he really is. Her life, and those of everyone she loves, depends upon it.

*Force and Freedom* Kellie Carter Jackson. 2020-08-14 From its origins in the 1750s, the white-led American abolitionist movement adhered to principles of moral suasion and nonviolent resistance as both religious tenet and political strategy. But by the 1850s, the population of enslaved Americans had increased exponentially, and such legislative efforts as the Fugitive Slave Act and the Supreme Court's 1857 ruling in the Dred Scott case effectively voided any rights black Americans held as enslaved or free people. As conditions deteriorated for African Americans, black abolitionist leaders embraced violence as the only means of shocking Northerners out of their apathy and instigating an antislavery war. In *Force and Freedom*, Kellie Carter Jackson provides the first historical analysis exclusively focused on the tactical use of violence among antebellum black activists. Through rousing public speeches, the burgeoning black press, and the formation of militia groups, black abolitionist leaders mobilized their communities, compelled national action, and drew international attention. Drawing on the precedent and pathos of the American and Haitian Revolutions, African American abolitionists used violence as a political language and a means of provoking social change. Through tactical violence, argues Carter Jackson, black abolitionist leaders accomplished what white nonviolent abolitionists could not: creating the conditions that necessitated the Civil War. *Force and*

Freedom takes readers beyond the honorable politics of moral suasion and the romanticism of the Underground Railroad and into an exploration of the agonizing decisions, strategies, and actions of the black abolitionists who, though lacking an official political voice, were nevertheless responsible for instigating monumental social and political change.

*Nine Shiny Objects* Brian Castleberry.2020-06-30 LONGLISTED FOR THE 2021 PEN/FAULKNER AWARD FOR FICTION In this extraordinary novel, Castleberry brilliantly hopscotches from person to person, from era to era, while somehow making all this fancy footwork look effortless and essential. - Jenny Offill, author of *Department of Speculation* and *Weather* A luminous debut novel in the tradition of DeLillo and Egan, chronicling the eerily intersecting lives of a series of American dreamers whose unforeseen links reveal the divided heart of a haunted nation—and the battered grace that might lead to its salvation June 26, 1947. Headlines across America report the sighting of nine pulsating lights flying over the Cascade Mountains at speeds surpassing any aircraft. In Chicago, inspired by the news, Oliver Danville, a failed actor now reduced to a mediocre pool hustler, hitchhikes west in a fever-dream quest for a possible sign from above that might illuminate his true calling. A chance encounter with Saul Penrod, an Idaho farmer, and his family sets in motion the birth of “the Seekers”—a collective of outcasts, interlopers, and idealists devoted to creating a society where divisions of race, ethnicity, and sexuality are a thing of the past. When Claudette Donen, a waitress on the lam from her suffocating family, encounters the group, she is compulsively drawn to Oliver's sister Eileen, but before she is able to join the enigmatic community, it has

vanished. Reunited across the country, the Seekers attempt to settle in the suburbs of Long Island. One night, their purpose suddenly revealed, a stranger emerges, and a horrific crime ensues. In the decades that follow, the perpetrators, survivors, and their children will be forced to face the consequences of what happened—a reckoning that will involve Charlie Ranagan, a traveling salesman; Max Felt, a dissolute late-1960s rock star; Alice Linwood, an increasingly paranoid radio host; Stanley West, a struggling African American poet; Marly Feldberg, a Greenwich Village painter; and Debbie Vasquez, a Connecticut teenager trapped by an avalanche of midnight legacies. Each will prove to be a piece of a puzzle that, when assembled, reveals a shocking truth about the clash between the optimism of those who seek inspiration from spacious skies, and the venom of others who relish the underworld—not only via conspiratorial maneuverings, but the literal unearthing of the dead. The result is one of the most exciting, and unforgettable, debut novels in recent memory, and the launch of a major career in American letters.

What Women Really Want Kellyanne Conway, Celinda Lake.2005-10-12 An invigorating and inspiring take on the new ways American women are changing and improving our culture and the way we live from Kellyanne Conway, counselor to president Donald Trump, and Celinda Lake, a leading political strategist for the Democratic party. Women are the most powerful force reshaping the future of America. There is a newly defined unified power base among women that crosses all the usual lines of division—politics, race, religion, age, and class—heralding the most significant change in American culture in the past century. Kellyanne Conway, counselor to president Donald Trump and president and CEO of The Polling Company, Inc. and Celinda Lake, a leading political strategist for the Democratic party—two of the most prominent trend-spotters and analysts in America—demonstrate how women are rejecting outdated traditions in order to get what they want and need. They are breaking the old rules about when and whether to marry and have children, living fully and equally as singles, and creating flexible, inclusive workplaces that don't sacrifice family or sanity. They are controlling \$5 trillion annually as the primary purchasers of homes, cars, appliances, and electronics. They are making their mark at ages twenty, forty, sixty, and beyond, drawing strength, inspiration, and intellectual stimulation from other women. Using the eye-opening

results of interviews, focus groups, and polls (three of which were created especially for this book), Conway and Lake—who often fall on opposite sides of the country’s most polarizing debates—come together to seek out what women buy, what they believe, how they work, how they live, what they care about, what they fear, and what they really want. By delving beneath the hot-button issues, Lake and Conway discovered common causes with which women are inventing a new age of opportunity—doing it their way and, in the process, improving life for all Americans.

**Downeast** Gigi Georges. 2021-05-25 In Downeast, Gigi Georges follows five girls as they come of age in one of the most challenging and geographically isolated regions on the Eastern seaboard. Their stories reveal surprising truths about rural America and offer hope for its future. “It’s almost impossible not to care about these fierce young women and cheer for their hard-won successes” (Kirkus) in this “heartfelt portrait” and “worthy tribute” (Publishers Weekly). Nestled in Maine’s far northeast corner, Washington County sits an hour’s drive from the heart of famed and bustling Acadia National Park. Yet it’s a world away. For Willow, Vivian, Mckenna, Audrey, and Josie—five teenage girls caught between tradition and transformation in this remote region—it is home. Downeast follows their journeys of heartbreak and hope in uncertain times, creating a nuanced and unique portrait of rural America with women at its center. Willow lives in the shadow of an abusive, drug-addicted father and searches for stability through photography and love. Vivian, a gifted writer, feels stifled by her church and town, and struggles to break free without severing family ties. Mckenna is a softball pitching phenom whose passion is the lobster-fishing she learned at her father’s knee. Audrey is a beloved high school basketball star who earns a coveted college scholarship but questions her chosen path. Josie, a Yale-bound valedictorian, is determined to take the world by storm. All five girls know the pain and joy of life in a region whose rugged beauty and

stoicism mask dwindling populations, vanishing job opportunities, and pervasive opioid addiction. As the girls reach adulthood, they discover that despite significant challenges, there is much to celebrate in “the valley of the overlooked.” Their stories remind us of the value of timeless ideals: strength of family and community, reverence for nature’s rule, dignity in cracked hands and muddied shoes, and the enduring power of home. Revealed through the eyes of Willow, Vivian, Mckenna, Audrey, and Josie, *Downeast* is based on four years of intimate reporting. The result is a beautifully rendered, emotionally startling, and vital book. *Downeast* will break readers’ hearts yet offer them hope, providing answers to what the future may hold for rural America.

But he's suddenly intent on selling off the business he built from the ground up-and Rachael's hell-bent on finding out why. [Saints for All Occasions](#) J. Courtney Sullivan.2017-05-09 NATIONAL BESTSELLER • A sweeping, unforgettable novel from The New York Times best-selling author of *Maine*, about the hope, sacrifice, and love between two sisters and the secret that drives them apart. This year’s best book about family. —Ron Charles, *The Washington Post* Nora and Theresa Flynn are twenty-one and

seventeen when they leave their small village in Ireland and journey to America. Nora is the responsible sister; she's shy and serious and engaged to a man she isn't sure that she loves. Theresa is gregarious; she is thrilled by their new life in Boston and besotted with the fashionable dresses and dance halls on Dudley Street. But when Theresa ends up pregnant, Nora is forced to come up with a plan—a decision with repercussions they are both far too young to understand. Fifty years later, Nora is the matriarch of a big Catholic family with four grown children: John, a successful, if opportunistic, political consultant; Bridget, quietly preparing to have a baby with her girlfriend; Brian, at loose ends after a failed baseball career; and Patrick, Nora's favorite, the beautiful boy who gives her no end of heartache. Estranged from her sister, Theresa is a cloistered nun, living in an abbey in rural Vermont. Until, after decades of silence, a sudden death forces Nora and Theresa to confront the choices they made so long ago. A graceful, supremely moving novel from one of our most beloved writers, *Saints for All Occasions* explores the fascinating, funny, and sometimes achingly sad ways a secret at the heart of one family both breaks them and binds them together. *Falling Bodies* Andrew Mark.1999 A romance between a physics professor who lost his family to a drunk driver and an innkeeper whose husband fell victim to Alzheimer's disease. The setting is Maine and a broken radiator hose brings them together.
