**My First Book of Japanese Words** Michelle Haney Brown. 2012-11-10 My First Book of Japanese Words is a beautifully illustrated book that introduces young children to Japanese language and culture through everyday words. The words profiled in this book are all commonly used in the Japanese language and are both informative and fun for English-speaking children to learn. The goals of My First Book of Japanese Words are multiple: to familiarize children with the sounds and structure of Japanese speech, to introduce core elements of Japanese culture, to illustrate the ways in which languages differ in their treatment of everyday sounds and to show how, through cultural importation, a single word can be shared between languages. Both teachers and parents will welcome the book's cultural and linguistic notes and appreciate how the book is organized in a familiar ABC structure. Each word is presented in Kanji (when applicable), Kana, and Romanized form (Romaji). With the help of this book, we hope more children (and adults) will soon be a part of the 125 million people worldwide that speak Japanese!

ABC My First Book Polley.2023-04-16 An ABC book for kids is a colorful and fun introduction to the English alphabet, designed to help young children learn the letters of the alphabet and distinguish between capital and small letters. The book typically features a letter on each page, with an accompanying illustration of an object or animal that starts with that letter. The book usually starts with the letter A, followed by both capital and small letters of the alphabet in sequential order. Each letter is clearly presented and labeled with its corresponding capital and small letters. The illustrations are engaging and colorful, capturing the attention of young readers and making it easier for them to remember each letter and its corresponding sound. As kids flip through the pages of the book, they will learn to recognize the shape and sound of each letter, as well as how to differentiate between capital and small letters. This is an important skill that will help children as they progress in their reading and writing abilities. Overall, an ABC book for kids is an essential tool for any young child who is just starting to learn the English language. With its engaging illustrations and clear presentation of each letter, it makes learning the alphabet fun and easy.

**My First ABC Book** Alexandra Hoffman. 2023-01-25 Do you want your child to learn the capital letters of the alphabet through a focus on phonetic letter sounds and real photographs of the world around them? My First ABC Book: Exploring the World Around Me is fantastic for early literacy! Consonants are blue and vowels are red. The pages are simple with a single photographic image for each letter of the alphabet, allowing your child to focus on the sound of each letter. The photographs depict the beautiful world around us, including mountains, volcanos, stars, animals, plants, rocks, minerals, oceans and so much more! This book is perfect for any family wishing to expose their child to the beauty of our planet. Many parents, caregivers and educators like to teach capital letters separate from lowercase letters. This book serves that purpose and only contains capital letters. Make sure to grab the companion book, My First abc Book: Exploring the World Around Me, by Alexandra Hoffman, to help your child learn lowercase letters. Other books in the My First series, include: My First Book of Numbers My First Book of Feelings My First Book of Shapes My First Book of Colours My First abc Book About the Author Alexandra was inspired to create the My First Series, including My First ABC Book: Exploring the World Around Me when her son became a toddler. She wished to create a book that would teach him the alphabet in an educationally-sound manner and entertain him. Alexandra's son loves the outside world and she knew this book had to be filled with photographs of nature. Her son truly loves the photographs in this book and he's on his way to learning both the ABC's and the abc's!
