The Lazy S Ranch is everything to Jenna Nash. It's given her family, friends, and a fulfilling career: helping veterans rebuild their lives. She sacrificed a lot to get her equine therapy program off the ground—including love. But suddenly, she's in danger of losing it all... Joining the Marines was the best decision Quinn Powell ever made, even if he had to go it alone without Jenna. Now his best friend's death has brought him back to the ranch he once called home—and to the woman who rejected him. Quinn hasn't lost his touch—with the wildest horses or with Jenna. Though she's falling for the brash, impulsive cowboy all over again, Jenna has reason to be wary. But when she and the ranch are threatened, Quinn will put everything on the line to save them both... Rock Country K Webster.2014-06-18 From USA Today Bestselling Author K Webster comes a steamy, best-friends-to-lovers rockstar romance! I'm a god. A rock god that is. I have everything I could ever want. Money. Friends. Fame. More women than I know what to do with. But I don't have her. I left my childhood best friend, June, and went on to pursue my dreams of making it big. And, though life has been good, I still miss and think about her all the time. Fate sees to it that I visit my old small town and get the chance to finally reconnect with her. June's no longer the girl I remember. She's all grown up and more beautiful than I could have imagined. But the light in her eyes is gone and the man she's with is cruel to her. June deserves more than that douchebag. She deserves someone who can give her a happily ever after. Stupidly, I think that someone could be me. Our chemistry is off-the-charts. I'm falling hard for this girl and can't seem to get enough of her. This journey from friends to lovers is what people like me write songs about. Hot. Intense. Soul fulfilling. Perfect in every way. I can't stay and be the man she needs, though. My future is the band, the record label, and my loyal fans. I'm going to have to choose between the two things I care about most in this world—my life's passion and the one I love. And I'm not sure I can make that choice without breaking my heart in two... Rock Country is a steamy, emotional rockstar romance between two childhood best friends. This is book one in the Vegas Aces trilogy. Book two is Rock Heart and book three is Rock Bottom. Each book follows a different band member.

**Achieving Quality Education for All** Phillip Hughes.2012-11-13 Due to the development of the international Education for All and Education for Sustainable Development movements, for which UNESCO is the lead agency, there has been an increasing emphasis on the power of education and schooling to help build more just and equitable societies. Thus giving everyone the opportunity to develop their talents to the full, regardless of characteristics such as gender, socio-economic status, ethnicity, religious persuasion, or regional location. As enshrined in the United Nations Declaration on Human Rights over five decades ago, everyone has the right to receive a high quality and relevant education. In order to try to achieve this ideal, many countries are substantially re-engineering their education systems with an increasing emphasis on promoting equity and fairness, and on ensuring that everyone has access to a high quality and relevant education. They are also moving away from the traditional outlook of almost exclusively stressing formal education in schools

as the most valuable way in which people learn, to accepting that important and valuable learning does not just occur in formal, dedicated education institutions, but also through informal and non-formal means. Thus learning is both lifelong and life-wide. This book brings together the experience and research of 40 recognised and experienced opinion leaders in education around the world. The book investigates the most effective ways of ensuring the UNESCO aim of effective education for all people in the belief that not only should education be a right for all, but also that education and schooling has the potential to transform individual lives and to contribute to the development of more just, humane and equitable societies.

It examines the theory underpinning the practice of education in different societies where spirituality and care are believed to be at the heart of all educational experiences. The book recognizes that, regardless of the context or type of educational experience, education is a caring activity in which the development of the whole person - body, mind and spirit - is a central aim for teachers and educators in both formal and informal learning. The chapters in this handbook present and discuss topics that focus on spirituality as an integral part of human experience and, consequently, essential to educational programs which aim to address personal and communal identity, foster resilience, empathy and compassion, and promote meaning and connectedness.
