Here is an updated version of the \$domain website which many of our East European book trade customers have been using for some time now, more or less regularly. We have just introduced certain upgrades and changes which should be interesting for you. Please remember that our website does not replace publisher websites, there would be no point in duplicating the information. Our idea is to present you with tools that might be useful in your work with individual, institutional and corporate customers. Many of the features have been introduced at specific requests from some of you. Others are still at preparatory stage and will be implemented soon. Just like with library

books, when you check out an eBook from OverDrive it'll only be loaned to you for a few weeks before being automatically taken off your Kindle. You can also borrow books through their mobile app called Libby. World Public Library: Technically, the World Public Library is NOT free. But for \$8.95 annually, you can gain access to hundreds of thousands of books in over one hundred different languages. They also have over one hundred different special collections ranging from American Lit to Western Philosophy. Worth a look. To stay up to date with new releases, Kindle Books, and Tips has a free email subscription service you can use as well as an RSS feed and social media accounts. With more than 29,000 free e-books at your fingertips, you're bound to find one that interests you here. You have the option to browse by most popular titles, recent reviews, authors, titles, genres, languages, and more. These books are compatible for Kindles, iPads and most e-readers. Amazon has hundreds of free eBooks you can download and send straight to your Kindle. Amazon's eBooks are listed out in the Top 100 Free section. Within this category are lots of genres to choose from to narrow down the selection, such as Self-Help, Travel, Teen & Young Adult, Foreign Languages, Children's eBooks, and History. At eReaderIQ all the free Kindle books are updated hourly, meaning you won't have to miss out on any of the limited-time offers. In fact, you can even get notified when new books from Amazon are added. LeanPub is definitely out of the league as it over here you can either choose to download a book for free or buy the same book at your own designated price. The eBooks can be downloaded in different formats like, EPub, Mobi and PDF. The minimum price for the books is fixed at \$0 by the author and you can thereafter decide the value of the book. The site mostly features eBooks on programming languages such as, JavaScript, C#, PHP or Ruby, guidebooks and more, and hence is known among developers or tech geeks and is especially useful for those preparing for engineering. If you're looking for out-of-print books in different languages and formats, check out this non-profit digital library. The Internet Archive is a great go-to if you want access to historical and academic books.
