Feedbooks is a massive collection of downloadable ebooks: fiction and non-fiction, public domain and copyrighted, free and paid. While over 1 million titles are available, only about half of them are free. Browse the free eBooks by authors, titles, or languages and then download the book as a Kindle file (.azw) or another file type if you prefer. You can also find ManyBooks' free eBooks from the genres page or recommended category. Better to search instead for a particular book title, author, or synopsis. The Advanced Search lets you narrow the results by language and file extension (e.g. PDF, EPUB, MOBI, DOC, etc). Ensure you have signed the Google Books Client Service Agreement. Any entity working with Google on behalf of another publisher must sign our Google ... Our comprehensive range of products, services, and resources includes books supplied from more than 15,000 U.S., Canadian, and U.K. publishers and more. Because this site is dedicated to free books, there's none of the hassle you get with filtering out paid-for content on Amazon or Google Play Books. We also love the fact that all the site's genres are presented on the homepage, so you don't have to waste time trawling through menus. Unlike the bigger stores, Free-Ebooks.net also lets you sort results by publication date, popularity, or rating, helping you avoid the weaker titles that will inevitably find their way onto open publishing platforms (though a book has to be really quite poor to receive less than four stars). Between the three major ebook formats—EPUB, MOBI, and PDF—what if you prefer to read in the latter format? While EPUBs and MOBIs have basically taken over, reading PDF ebooks hasn't quite gone out of style yet, and for good reason: universal support across platforms and devices. Amazon has hundreds of free eBooks you can download and send straight to your Kindle. Amazon's eBooks are listed out in the Top 100 Free section. Within this category are lots of genres to choose from to narrow down the selection, such as Self-Help, Travel, Teen & Young Adult, Foreign Languages, Children's eBooks, and History. Project Gutenberg is one of the largest sources for free books on the web, with over 30,000 downloadable free books

available in a wide variety of formats. Project Gutenberg is the oldest (and quite possibly the largest) library on the web, with literally hundreds of thousands free books available for download. The vast majority of books at Project Gutenberg are released in English, but there are other languages available.
