

In The Name Of God The True Story Of The Fight To Save Children From Faith Healing Homicide

Surrounded by Evil: Saved by God Taylor Shepherd.2016-02-15 Don't die and don't give up! How did this unknown voice empower a young child to cling to life despite unspeakable pain and her family's best efforts to destroy her soul? Taylor Shepherd was born into a family deeply involved with the occult, and throughout her childhood she was the victim of their substance abuse, violence, and sexual assault. Yet though her mind was fractured by seemingly endless trauma, she clung to what little truth she knew even as a four-year-old: that there was only one true God and that the god in whose name her family abused her was not Him. As an adult, Taylor began a journey of healing and truth. In sharing her story, Taylor hopes to: Encourage survivors: to recognize God's hand in their survival, to understand that healing emotional scars is not easy or simple, to know God is a very present help through it all. Call all Christians: to be aware of abuse hidden in seemingly normal families, to seek to do no harm to fragile survivors, to learn ways of offering comfort and acceptance. A gripping memoir of terror and hope, *Surrounded by Evil: Saved by God* takes the reader on a journey through childhood abuse, mental illness, and the redemption possible only through the Lord who suffered with and for all the lost children of the world.

A Child Is Missing Karen Beaudin.2010-05 Karen Beaudin recounts the events surrounding her younger sister's unsolved murder. It was a cold November night in 1971 when thirteen-year-old Kathy Lynn Gloddy went missing, only to have her beaten, bruised body found the next day on the cold ground. This is the true story of a small New Hampshire town stunned by the revelation of such a brutal crime, and a family devastated by the loss of a beloved daughter and sister. As Karen and her family search for justice, their faith will be tested in the battle against the guilt, fear, and devastating grief that comes when they realize every family's worst nightmare.

Child of Grace Dr. Chris Brown.2022-08-15 Dr. Chris Brown takes you on a journey of faith as he and his father discover God's grace in the most unlikely circumstances. Come along on the journey to the darkness of death row, into the light of Christ, and through the pain of an execution. This book is a unique look at redemption through the eyes of a child who sees his wayward father saved on the way to death row and follows his own road through darkness on the way to redemption. It's an amazing true story of God's unfailing grace and the redeeming love that is available to all.

Breaking Their Will Janet Heimlich.2011-06-14 This revealing, disturbing, and thoroughly researched book exposes a dark side of faith that most Americans do not know exists or have ignored for a long time—religious child maltreatment. After speaking with dozens of victims, perpetrators, and experts, and reviewing a myriad of court cases and studies, the author explains how religious child maltreatment happens. She then takes an in-depth look at the many forms of child maltreatment found in religious contexts, including biblically-prescribed corporal punishment and beliefs about the necessity of breaking the wills of children; scaring kids into faith and other types of emotional maltreatment such as spurning, isolating, and withholding love; pedophilic abuse by religious authorities and the failure of religious organizations to support the victims and punish the perpetrators; and religiously-motivated medical neglect in cases of serious health problems. In a concluding chapter, Heimlich raises questions about children's rights and proposes changes in societal attitudes and improved legislation to protect children from harm. While fully acknowledging that religion can be a source of great comfort, strength, and inspiration to many young people, Heimlich makes a compelling case that, regardless of one's religious or secular orientation, maltreatment of children under the cloak of religion can never be justified and should not be tolerated.

Prayer in the Shadow of Death Robert Vidal.2012-02-29 This is the revised edition of Bloodcaine. The true story of a devoted Christian mother who loses her oldest son to a violent cocaine underworld network. Her faithful unshakeable praying life is rewarded by God;who rescued Robert Vidal from the traps of his enemies and the justice toll booth of death row. The POWER of PRAYER. [Love, money, violence, redemption.]

God Saved Me from Death Row Stephanie King.2010-10-11 I remember sitting in a criminal justice class in a University. I was presented by one of my professors with Jose Albert Garcia's case. I wondered what had ever happened to Jose, and why nobody had ever done a book, if films about his case were done already. I wanted to pass on the message of how powerful God is. Here was a 17-year old boy on death row, days away from being executed and God miraculously saved him. It just was not Jose's time to go, and God still wants him alive. He has a certain plan for him that only He knows. There is a reason why Jose is still alive today. This case proved that no man, society, money, judge or political power can beat God's divine forces, will, or power. If God wants you alive, you will remain alive. This book took two years in the making, one year to gain Jose's trust and the other in the actual gathering of information from Jose Alberto Garcia.

God's Perfect Child (Twentieth Anniversary Edition) Caroline Fraser.2018-06-19 From Pulitzer Prize-winning author and former Christian Scientist Caroline Fraser comes the first unvarnished account of one of

America's most controversial and little-understood religious movements. Millions of Americans – from Lady Astor to Ginger Rogers to Watergate conspirator H. R. Haldeman – have been touched by the Church of Christ, Scientist. Founded by Mary Baker Eddy in 1879, Christian Science was based on a belief that intense contemplation of the perfection of God can heal all ills – an extreme expression of the American faith in self-reliance. In this unflinching investigation, Caroline Fraser, herself raised in a Scientist household, shows how the Church transformed itself from a small, eccentric sect into a politically powerful and socially respectable religion, and explores the human cost of Christian Science's remarkable rise. Fraser examines the strange life and psychology of Mary Baker Eddy, who lived in dread of a kind of witchcraft she called Malicious Animal Magnetism. She takes us into the closed world of Eddy's followers, who refuse to acknowledge the existence of illness and death and reject modern medicine, even at the cost of their children's lives. She reveals just how Christian Science managed to gain extraordinary legal and Congressional sanction for its dubious practices and tracks its enormous influence on new-age beliefs and other modern healing cults. A passionate exposé of zealotry, *God's Perfect Child* tells one of the most dramatic and little-known stories in American religious history.

Compendium Catholic Church.2006 As hunger for the faith continues to grow, Pope Benedict XVI gives the Catholic Church the food it seeks with 598 questions and answers in the *Terror by Night* Terry Caffey.2012-07 Caffey shares the story of how he found peace after his wife and two sons were brutally murdered in 2008 and his teenage daughter was implicated in the crime. In the Name of God Cameron Stauth.2013-10-15 An anonymous caller tells a detective in a small Oregon town that a woman has just bitten off a man's finger. But the man is not the victim, the caller says. The woman is. She's being held against her will by a group of faith-healing fanatics who are trying to cure her depression with violent exorcisms. The detective rescues her, but she is afraid to press charges against the people in her church. Then the detective gets an even more ominous message: Children in the church have been dying mysteriously for years, and now several more are in immediate peril, facing blindness, disability, and death. Unwilling to stand by and allow more children to suffer, the anonymous caller -- a church insider -- risks everything to work with three detectives and a lone prosecutor to fight faith-based child abuse, and to change the laws that protect its perpetrators. They are joined by a mother who'd suffered a faith-healing tragedy herself, and afterwards dedicated her life to saving others from the same fate. Masterfully written by author Cameron Stauth, *In the Name of God* tells the true story of their heroic mission, which resulted in a historic series of sensational trials that exposed the darkest secret of American fundamentalism, and revealed the shameful political deals that have allowed thousands of children to die at the hands of their own parents -- legally. Though the battle against faith-healing abuse continues around the country, the victory in Oregon has lit the path to a better future, in which no child need die because of a parent's beliefs.

Child Maltreatment Fatalities in the United States Emily M. Douglas.2016-08-02 This book focuses on the prevention of child abuse and neglect deaths in the U.S. In 2013 1,520 children died from maltreatment. This book defines child maltreatment fatalities (CMFs) and discusses the prevalence of deaths in the U.S. over the last several decades. It addresses the known risk factors for maltreatment deaths including child, parent, the parent-child relationship, and household risk factors. The main focus of the book addresses the responses and interventions that have been put in place in order to prevent CMFs: the child welfare profession, child death review teams, safe haven laws, criminal justice responses, public education, and new, federal efforts in the U.S. to reduce CMFs in the U.S. The book finishes by making recommendations for researchers, practitioners, and decision-makers about how to prevent fatal maltreatment among children in the U.S.

[Cold-Case Christianity](#) J. Warner Wallace.2013-01-01 Written by an L. A. County homicide detective and former atheist, *Cold-Case Christianity* examines the claims of the New Testament using the skills and strategies of a hard-to-convince criminal investigator. Christianity could be defined as a “cold case”: it makes a claim about an event from the distant past for which there is little forensic evidence. In *Cold-Case Christianity*, J. Warner Wallace uses his nationally recognized skills as a homicide detective to look at the evidence and eyewitnesses behind Christian beliefs. Including gripping stories from his career and the visual techniques he developed in the courtroom, Wallace uses illustration to examine the powerful evidence that validates the claims of Christianity. A unique apologetic that speaks to readers’ intense interest in detective stories, *Cold-Case Christianity* inspires readers to have confidence in Christ as it prepares them to articulate the case for Christianity.

Outsoaring the Shadow: Atheistic thoughts on life and death Martin Rushton.2015-11-19 The day will come when the Sun rises but you do not: your last breath will have been made. This is a stark fact. Do you think the day will never come? Do you conduct your life on the presumption that it will not come? But it will come; it is part of the script of life. It may even come today. How does an atheist answer the perennial existential question 'What is the meaning of life?' In this sobering but ultimately compassionate and optimistic book, the author offers a helping hand. Combining elements of ancient Stoic philosophy, academic argumentation, contemplative practices, practical advice and, at times, dark humour, the author weaves a coherent and sympathetic guide to the art of living in the face of mortal angst.

Jimmy's Boy - Devils, Angels and Miracles Robert T. Walsh.2013-11-08 *Jimmy's Boy - Devils, Angels and Miracles* is a first-hand account, a true story describing the amazing, often terrifying, early life experiences of a child blessed by God from birth with the extraordinary spiritual gifts of healing, visions, and the ability to recognize the presence and work of demons. Unfortunately for this child, Satan was also aware of how God had blessed this child. And so, a fierce demonic creature was dispatched from hell to pursue and torment this child in order to impede God's plan... and to consume the child's soul in the process. His remarkable journey began in infancy and continues to this day. Throughout his childhood, he displayed an extraordinary understanding of spiritual things, and spoke of bright lights, and... evil things. This book chronicles the true story of the demonic torments and the miraculous events experienced by this child exactly as they happened. I know... because I am that blessed child, the author of “Jimmy's Boy.”

God Saved Me from Death Row Lyzza Janette.2018-08-20 This book is based on a real true crime story that took place in Laredo, Texas during the year 1991, The Triple-Ax Murder. Miguel Angel Martinez was the first and youngest in Texas to be on death row. Miguel Angel Martinez is still in prison serving a life sentence. His sentence to death was commuted to a life sentence. Miguel Angel Martinez has been eligible for parole since 2006 but keeps getting denied, due to the nature of the crime he supposedly committed. His story can be compared to the movie *Shawshank Redemption*, where he resembles the fictional character, Andy Dupresne. The only difference is that Miguel Angel's story is real and not a fictional movie written by Stephen King. Miguel Angel Martinez came out speaking about his case in a documentary, *Laredo and the Law*, directed by Folke Ryden; produced by Sveriges Television (New York, NY: Filmmakers Library, 2000). Miguel's case got international media exposure. Miguel Angel has also been interviewed for several articles and books pertaining to his case. On August 3, 2018, Miguel Angel Martinez was featured in a true crime docuseries aired by Netflix, *I Am a Killer*, in the 10-episode, *Sympathy for the Devil*. If life could be compared to a rose, right now I have only seen and felt the thorns. I have seen no bloom, felt no soft petals or smelled only sweet scent. I used to live under the belief that I did not deserve happiness that my fate was to experience pain and misery. My road to perdition: how my life came to be so defined by one night in January and that became the first major event to determine by my acts and choice, where my path would lead. Experimental or anecdotal record of the years beyond that night. Inward emotional, psychological, and spiritual path that wound through my road to perdition and the anecdotal record of the years beyond that night, the much more accurate and significant part of my story. My whole life is just what it is, so much of it a matter of public record, to be learned and relived by anyone who was not there the first go-round. Miguel Angel Martinez

Child of Grace Chris Brown.2019-02-28 *Child of Grace: Death Row Sermons* contains transcripts of three sermons preached by Gary Brown at Life Row Church on Alabama's Death Row. Gary was on an earthly death row, but he had discovered true freedom in Jesus Christ. Join in with a group of believers condemned to die but destined for Heaven.

[Deliver Us From Evil](#) Ron Corcoran.2016-08-02 *Safety, Acceptance, Belonging*. These words come to mind when we hear about families. Having a mother, father, and twelve siblings living in a strong Christian faith should mean plenty of love, laughter and companionship. But what if, inexplicably, one's parents selectively manipulated and mistreated some of the children and not the others? How would you deal with being one of

three children who constantly bore unprovoked wrath and abuse — while watching the others receive the love, affirmation and nurturing you so desperately needed and craved? Would you ask yourself if your life was worth anything to anyone at all? Would you feel that God had overlooked and abandoned you? Would you despair of God for being unresponsive when you cried out for relief? Ron Corcoran's frank and honest memoir courageously proclaims that no matter how wretched, broken or angry we may be, we can indeed be delivered, redeemed and transformed by the love of the living, eternal God.

While We Slept Marcy Pusey.2018-12-17 Murder changed their lives. Faith and hope changed their grief. On July 13, 2005, newlyweds Marcy and Jeremy woke up to the murder of his mother-- just down the hall--while they'd slept. In this evocative book, Marcy and Jeremy Pusey bring you straight into the heart of their survival story, sharing the hope they found with the shock and anguish of their family tragedy. This gripping work chronicles the grief journey of the newlyweds, tackles the nature of forgiveness, and shows how they moved through their pain to change the world. Their story demonstrates how faith can move mountains of resentment and hate to rebuild a life of healing, reconciliation, and joy. While We Slept is a eulogy for a missed mother, a legacy for her children and grandchildren, and a lighthouse of hope for anyone else flailing through a tragedy. This book is not only the story of one mind-boggling murder, but also about how we can find courage in trauma, forgiveness in devastation, and how we can triumph after heartbreak. And then there's hope. *The print book edition contains news articles, used with permission.

The Scent of My Son, In God We Trust Adrienne Miranda.2014-12-30 The Scent of My Son, In God we Trust is a true story about a mother's quest for justice for her beloved son. Joseph Miranda was brutally killed at the age of 19 while working for a landscaping company. Adrienne Miranda, his mother, knew that after many meetings with police and other government entities in Maryland that nothing they were telling her made any sense. She researched, wrote numerous letters, made countless phone calls and attended several meetings. These public servants resisted Adrienne's efforts and valid questions. They lied repeatedly, withheld crucial police reports, withheld crime scene photographs from the Medical Examiners and ignored her. Adrienne Miranda worked diligently and all she ever wanted was truth and justice for Joseph. She vowed to be his voice and promised to never, never give up...never. Once Adrienne was able to obtain the necessary reports and evidence needed she met with the Medical Examiners in Maryland. They reviewed and examined everything and concluded Joseph's death was a homicide by assault. Joseph's death certificate is recorded in vital records and confirms that a crime definitely occurred that took Joseph's young life. However, the opposition and adversity that Adrienne and her family faced from local and state prosecutors was and is unconscionable. They committed despicable malfeasance and twisted and distorted tactics. The local state prosecutor wrote in a letter to the Chief Medical Examiner and his Assistant that he did not agree with their conclusion of homicide and states Joseph's death was an accident. Despite all of the physics, evidence, forensics and scientific proof, the local and state prosecutors went against the highly qualified and exceptionally skilled coroners and their confirmed conclusion. It will be eight years on July 20th since Adrienne and her family have survived this living nightmare. The only thing that has kept Adrienne strong and moving forward is her undying love for Joseph and her love and unshakable faith in Almighty God. She knows that with God all things are possible and that our Lord has called her to respond and to act. She trust in the Lord with all of her mind, heart, body and soul. Take the journey with us. The story is true, compelling, intriguing and inspiring. You will be lifted up and feel hope, love, courage and an awakening. Always and forever keep the faith.

Lord Please Don't Let Her See Me Cry Steve Heine.2018-10-02 Lord, Please Don't Let Her See Me Cry is a true story of child abuse so atrocious I have suffered from it for over fifty years, having not only the endure the memory but also being forced to see the scars every time I change my clothes. I only survived because of my faith in God and God's mercy on me. As a child, I promised God that if he would see me through, I would one day pay him back by helping other children in similar situations. I hope this book helps bring the attention of the world to the problem of child abuse so that the abusers may be punished and the abused healed. Please help the children of the world. They are our future. Love in Jesus Christ. Steve Heine Steve's story re minds us of the great hope we have in Christ; He continued to take the broken pieces of our lives, and puts them together by forgiveness, healing, and love. Steve is one of the most inspiring people I have ever known. I highly recommend this book for all to read, especially those who have been hurt and broken by abuse. There is hope! Dr. C. Alan Floyd Senior Pastor First Baptist Church of Middleburg I urge anyone to read this moving and poignant book. Put yourself in Mr. Heine's place and you will be thankful to God for his goodness and bounty. Major Allan Phillips Salvation Army Clay County, Florida Awe inspiring! A story of courage and triumph. Steve is truly a man who understands his purpose Tim and Brooke Hewitt Entrepreneur Heart wrenching and a must read. I could not put the book down. It is a story of human suffering, but ultimately a God-given triumph. Dr. Vaughn Dalrymple

Awaken the Power Within Albert Amao.2018-06-05 The \$12 billion self-help industry is under constant attack for pedaling false miracles to duped believers. But sociologist Albert Amao demonstrates that Americans eagerly support self-help books, seminars, and programs because, under the right conditions, these things work. Sociologist Albert Amao analyzes the accuracy of self-help and positive-thinking claims in this groundbreaking--and wholly unexpected--exploration of what works, what doesn't, and why. Regarding my personal experience, Amao writes, I can testify that positive thinking and positive action have worked wonderfully for me. Born in a poor Latin-American country into a very impoverished family with both parents practically illiterate, I was the oldest of five children. I started working when I was six years old, shining shoes and selling newspapers to help my family. Nobody then would have believed that I would be able to finish high school. Nevertheless, I was able to do it going to night school, which allowed me to be admitted at the San Marcos University in Lima to get my Ph.D. in sociology. All these things were possible because, when I was teenager, I had access to New Thought, or positive-thinking philosophy. Contrary to the critics who blithely dismiss self-help methods, or the New Age gurus who sell it them as miracles, Amao--writing with sobriety, scholarship, and drawing on deep personal experience--explores the conditions under which self-help is authentic.

I Love Jesus, But I Want to Die Sarah J. Robinson.2021-05-11 A compassionate, shame-free guide for your darkest days “A one-of-a-kind book . . . to read for yourself or give to a struggling friend or loved one without the fear that depression and suicidal thoughts will be minimized, medicalized or over-spiritualized.”—Kay Warren, cofounder of Saddleback Church What happens when loving Jesus doesn't cure you of depression, anxiety, or suicidal thoughts? You might be crushed by shame over your mental illness, only to be told by well-meaning Christians to “choose joy” and “pray more.” So you beg God to take away the pain, but nothing eases the ache inside. As darkness lingers and color drains from your world, you're left wondering if God has abandoned you. You just want a way out. But there's hope. In I Love Jesus, But I Want to Die, Sarah J. Robinson offers a healthy, practical, and shame-free guide for Christians struggling with mental illness. With unflinching honesty, Sarah shares her story of battling depression and fighting to stay alive despite toxic theology that made her afraid to seek help outside the church. Pairing her own story with scriptural insights, mental health research, and simple practices, Sarah helps you reconnect with the God who is present in our deepest anguish and discover that you are worth everything it takes to get better. Beautifully written and full of hard-won wisdom, I Love Jesus, But I Want to Die offers a path toward a rich, hope-filled life in Christ, even when healing doesn't look like what you expect.

Faith Versus Fact Jerry A. Coyne.2015-05-19 The New York Times bestselling author explains why any attempt to make religion compatible with science is doomed to fail. What we read in the news today is full of subjectivity, half-truths, and blatant falsehoods; and thus it is more necessary now than ever to safeguard the truth with facts. In his provocative new book, evolutionary biologist Jerry A. Coyne aims to do exactly that in the arena of religion. In clear, dispassionate detail he explains why the toolkit of science, based on reason and empirical study, is reliable, while that of religion—including faith, dogma, and revelation—leads to incorrect, untestable, or conflicting conclusions. Coyne is responding to a national climate in which over half of Americans don't believe in evolution (and congressmen deny global warming), and warns that religious prejudices and strictures in politics, education, medicine, and social policy are on the rise. Extending the bestselling works of Richard Dawkins, Daniel Dennett, and Christopher Hitchens, he demolishes the claims of religion to provide verifiable “truth” by subjecting those claims to the same tests we use to establish truth in science. Coyne irrefutably demonstrates the grave harm—to individuals and to our planet—in mistaking faith

for fact in making the most important decisions about the world we live in.

Above the Clouds Mike Moeller.2004-09 Morgan Moeller was a happy, normal little girl until without warning diabetes attacked her and nearly took her life. Told from the perspective of Morgan's father, *Above the Clouds* is the inspiring story of how God used this horrible illness, which few children survive, to graphically show Morgan's family, friends, and community about His deeply abiding love for them. This is a true story about the fear, the anger, the despair, and finally, the joy that the Moeller family experienced as God worked in their lives and allowed them to witness a miraculous healing.

When Angels Fight Leslie F. King.2022-02-15 As seen on The Today Show When she was fifteen years old, Leslie King ran away from an abusive home, looking for a better life and longing for real love. What she found instead was a man who wooed her just long enough to trap her in a life of prostitution. She became one of the many thousands of trafficked individuals in the United States, a number that continues to rise--in the biggest cities and in the most idyllic towns. As is true for so many in similar situations, life was nothing but brokenness and pain for Leslie. After years of hopelessness, she finally decided to take her own life. And then God spoke. With his promise that he was with her and had mighty things for her to accomplish ringing in her ears, she got off the streets, got clean, and got to work on the mission to which he'd called her. Now Leslie is a passionate and heroic advocate for other trafficked women and teenage girls in her community and across the country. More than a gritty, no-holds-barred deliverance story, *When Angels Fight* includes powerful advice from Leslie and those she's encountered in her work--police officers, judges, and other advocates and activists. She also shows you what YOU can do to make a real difference in your own community. Her call from God includes marshaling others to the cause and equipping them to fight alongside her and the angels who battle for God's children--just as they once fought for her.

I Have To Call Someone Mama Tammy Eady Walker.2017-12-20 Her grandson was literally on the brink of death's door. From as early as one month old, he was gravely ill with one illness after another. By the time he was three years old, he had been hospitalized more times than she could count. He would get better and then suddenly relapse with no reasonable explanation. When her granddaughter was born, she too started having alarming health problems. She had known that her daughter-in-law seemed to exaggerate but never could she have imagined this. The children's mother was so cunning and crafty in her manipulative deception that she fooled dozens of medical professionals along the way. After three years of her grandson being constantly sick with countless hospitalizations, this grandmother was faced with the horrifying realization; that her grandchildren were sick because their mother was making them sick. Then the real fight began. Munchausen's Syndrome by Proxy is one of the cruelest forms of child abuse imaginable. It is very difficult to prove and even harder to prosecute. This story chronicles a woman's journey as she discovers that her two grandchildren are victims of this abuse that most people have never even heard of. Her faith in God kept her going as she turned their tragedies and trials into triumph. Follow her journey of faith as she fights to rescue, protect, and bring healing to her grandchildren's broken spirits and shattered little souls.

My Life with God John Gerard Gallucci MD.2019-03-25 Dr. John Gerard Gallucci believes true healing occurs by allowing the energy of God and the Holy Spirit to run through him and into those to be healed. In his pediatric surgery practice, he heals through the Holy Spirit every day. In *My Life with God*, he presents a compilation of against-all-odds spiritually and metaphysically-based true stories that demonstrate how God and the spirit move in and work through our lives. Gallucci offers a supernatural journey of healing the heart, mind, body, and soul. He shares the essence of what it means to live and work in a spiritual-metaphysical world of healing while rendering gold standard surgical care to premature infants, babies, and children. Each true story illustrates what can be accomplished by allowing God's river of love and light to flow regardless of how difficult some challenges may seem or how improbable finding a silver lining on the darkest cloud may appear. In *My Life with God*, Gallucci shows how if you see others with the eyes of your heart and offer them love and compassion, you will render true healing.

When God Cries Sherri Jilek.1998 Outrage! This is the true story of the rape and murder of a child, told in a style which is both tender and savage, holy and evil, magnetic and repulsive. The study illumines the murder, the response of the law, and the wild life of the perpetrator. Is anyone safe?

Out of the Ashes Hannah S. Brown.2014-04-27 Out of the Ashes is the true story of a family that experienced the uncovering of a well-planned deception involving horrific abuse and devastating betrayal. With a powerful message of hope, the family's journey is an amazing testimony of God's faithfulness and victorious, healing power. Jensen received the U.S. Army's Commanding General's Award of Merit for his work with youth. R.K. Jensen is a Speaker, Author, Actor, an award winning Artist, and a former Publisher with Freedom Communications. His story has aired world-wide on the radio, and he has been the guest of Youth Direct, Focus on the Family, New Life Church, Teen Challenge, Promise Keepers, juvenile halls, and prisons. As an actor R.K. has appeared several times on NBC's The History Channel. R.K and his wife are the proud parents of three wonderful children, a Basset Hound puppy named Isabelle, and a Dachshund named Theodore. Publishers Commentary Aaron Communications III A powerful story well told of struggle, defeat, & ultimate triumph. This generation's New biography of a different type of 'Switchblade' while still under the shadow of the same Old Rugged Cross. Dennis Mansfield, CBS TV Commentator; State Director, Promise Keepers Mr. Jensen, I served in the Marine Corp. and I've seen and been through some terrible things. As a POW (Prisoner of War) in Iran I learned how to truly hate people. I would like to tell you that your book, *Left for Dead - Faith, Family, & the Mob*, has touched something inside me I didn't believe was there. Your book has made me want a relationship with God. R.D.P., Retired United States Marine See how the most hopeless trials can be turned to Gold. Definitely a book that you cannot put down from page one. Pastor Brad Ormonde, Harvest Christian Fellowship (Calvary Chapel - Riverside) God can have a profound effect on people from all walks of life. God does not turn His back on anyone, not even gang bangers. Lisa Taylor-Austin, MS Ed., NCC, LPC, Forensic Gang Expert Witness R.K.'s story goes beyond mere survival of severe child abuse, parental neglect, and addiction, his story is an inspiration to us all and sheds great insight for professionals and others who work with today's at-risk youth. Kathy Silbert-Sanders, Ph.D., L.C.S.W., Psychiatric Social Worker Kids and teens will really be inspired by this book. This amazing story shows how your surroundings don't create who you are. Dreams are not just for those with a fairy-tale life, but also for kids who grow up hurting. Erin Sanders, Professional Teen Actress, Hollywood, CA

Murder, Motherhood, and Miraculous Grace Debra Moerke.2019 When Debra Moerke and her husband decided to become foster parents, they never imagined how their lives would change. Debra became especially close to one little girl: four-year-old Hannah. She loved her and did everything she could to help Hannah learn to trust and teach her to feel safe. But when Hannah went back to her birth mother, Karen, it wasn't long before one of Debra's worst fears came true. Overwhelmed with horror and grief, Debra didn't think she could take anymore, but then she received a phone call from prison. Karen, facing a life sentence, was pregnant, and she had a shocking question to ask ...
