Project Gutenberg is one of the largest sources for free books on the web, with over 30,000 downloadable free books available in a wide variety of formats. Project Gutenberg is the oldest (and quite possibly the largest) library on the web, with literally hundreds of thousands free books available for download. The vast majority of books at Project Gutenberg are released in English, but there are other languages available. "Buy" them like any other Google Book, except that you are buying them for no money. Note: Amazon often has the same promotions running for free eBooks, so if you prefer Kindle, search Amazon and check. If they're on sale in both the Amazon and Google Play bookstores, you could also download them both. Free Computer Books: Every computer subject and programming language you can think of is represented here. Free books and textbooks, as well as extensive lecture notes, are available. Sacred Texts contains the web's largest collection of free books about religion, mythology, folklore and the esoteric in general. Below are some of the most popular file types that will work with your device or apps. See this eBook file compatibility chart for more information. Kindle/Kindle eReader App: AZW, MOBI, PDF, TXT, PRC, Nook/Nook eReader App: EPUB, PDF, PNG, Sony/Sony eReader App: EPUB, PDF, PNG, TXT, Apple iBooks App: EPUB and PDF. Authorama offers up a good selection of high-quality, free books that you can read right in your browser or print out for later. These are books in the public

domain, which means that they are freely accessible and allowed to be distributed; in other words, you don't need to worry if you're looking at something illegal here. If you are a student who needs books related to their subjects or a traveller who loves to read on the go, BookBoon is just what you want. It provides you access to free eBooks in PDF format. From business books to educational textbooks, the site features over 1000 free eBooks for you to download. There is no registration required for the downloads and the site is extremely easy to use. You can search Google Books for any book or topic. In this case, let's go with "Alice in Wonderland" since it's a well-known book, and there's probably a free eBook or two for this title. The original work is in the public domain, so most of the variations are just with formatting and the number of illustrations included in the work. However, you might also run into several copies for sale, as reformatting the print copy into an eBook still took some work. Some of your search results may also be related works with the same title. DigiLibraries.com gathers up free Kindle books from independent authors and publishers. You can download these free Kindle books directly from their website.
