Over a period of time these nawabs became powerful rulers in their own right and created a distinct culture of their own, with food being one of its most everlasting legacies. Heavily influenced by Mughal staples and cookery techniques, the nawabs refined their cuisine by adopting local flavours, from the refined palates that dominate the table at Rampur and Avadh to the incredible array of delicacies from the kitchens of Bahawalpur and Khairpur, now in Pakistan. For the first time, Dining with the Nawabs allows you a rare opportunity to visit the tables and palaces of these families, to learn more about their lifestyles and their love affair with gourmet cuisine. The families featured in this book continue to be the proud custodians of this culinary legacy. They share recipes which have been passed down for hundreds of years within the confines of the royal kitchen. Today, Indian food all over the world is synonymous with Mughalia and Nawabi cuisine. Biryani, pulao, kebab, korma, kofta, dumpukht and other dishes of the time have all made their way from a shahi dastarkhwan into every home. Unforgettable Emily Kaiser Thelin.2017-10-17 Unforgettable tells the story of culinary legend and author of nine award-winning cookbooks, Paula Wolfert, who was diagnosed with Alzheimer's in 2013. This biographical cookbook written by Emily Kaiser Thelin and photographed by Eric Wolfinger, shares more than fifty of her most iconic dishes and explores the relationship between food and memory. The gripping narrative traces the arc of Wolfert's career, from her Brooklyn childhood to her adventures in the farthest corners of the Mediterranean: from nights spent with Beat Generation icons like Allen Ginsberg, to working with the great James Beard; from living in Morocco at a time when it really was like a fourteenth century culture, to bringing international food to America's kitchens through magazines and cookbooks. Anecdotes and adventuresome stories come from Paula's extensive personal archive, interviews with Paula herself, and dozens of interviews with food writers and chefs whom she influenced and influenced her—including Alice Waters, Thomas Keller, Diana Kennedy, André Daguin, and Jacques Pepin. Wolfert's recipes are like no other: each is a new discovery, yielding incredible flavors, using unusual techniques and ingredients, often with an incredible backstory. And the recipes are organized into menus inspired by Wolfert's life and travels—such as James Beard's Easy Entertaining menu; a Moroccan Party; and a Slow and Easy Feast. Unforgettable also addresses Wolfert's acknowledgement of the challenges of living with Alzheimer's, a disease that often means she cannot remember the things she did yesterday, but can still recall in detail what she has cooked over the years. Not accepting defeat easily, Wolfert created a new brain-centric diet, emphasizing healthy meats and fresh vegetables, and her recipes are included here. Unforgettable is a delight for those who

know and love Paula Wolfert's recipes, but will be a delicious discovery for those who love food, but have not yet heard of this influential cookbook writer and culinary legend.

Baking with Licker Jason Licker, Jason Spotts. 2020-09 A world-class pastry chef and certifiable fanatic for Asia's sublime flavors, chef Jason Licker returns with *Baking with Licker*, his second cookbook of original recipes that redefines what is possible when familiar homespun desserts meet Asia's most iconic ingredients. *Baking with Licker* is the highly anticipated follow-up to 2016's *Lickerland: Asian-Accented Desserts* by Jason Licker, which was nominated for a James Beard Award and named as the #2 Asian Cookbook in the World at the World Gourmand Cookbook Awards in 2017. *Baking with Licker* is a unique tome on the market, demonstrating how classic dishes can become an art form through Asia's remarkable culinary palette. While Jason's masterful ability to balance mind-blowing Asian flavors with classic pastry is on full display (miso and butterscotch are an incredible combination), each dish can be reverted back into its classic form so that home bakers can decide how far they want to explore the rabbit hole. For beginners, *Baking with Licker* provides a grounded and approachable cookbook that develops a solid pastry foundation. For experienced home bakers, Jason's flavor combinations will expand their perceptions of what is possible in pastry. *Baking with Licker* may be a love letter to Asia and full of offbeat ingredients and flavors, but its spirit is founded on the simplest of goals: to make home baking fun for any skill level and for any level of palate experience, while providing a platform for Asian ingredients to make their mark on the world of classic pastry.

Chow Chop Suey Anne Mendelson. 2016-11-29 Chinese food first became popular in America under the shadow of violence against Chinese aliens, a despised racial minority ineligible for United States citizenship. The founding of late-nineteenth-century chop suey restaurants that pitched an altered version of Cantonese cuisine to white patrons despite a virulently anti-Chinese climate is one of several pivotal events in Anne Mendelson's thoughtful history of American Chinese food. *Chow Chop Suey* uses cooking to trace different stages of the Chinese community's footing in the larger white society. Mendelson begins with the arrival of men from the poorest district of Canton Province during the Gold Rush. She describes the formation of American Chinatowns and examines the curious racial dynamic underlying the purposeful invention of hybridized Chinese American food, historically prepared by Cantonese-descended cooks for whites incapable of grasping Chinese culinary principles. Mendelson then follows the eventual abolition of anti-Chinese immigration laws and the many demographic changes that transformed the face of Chinese cooking in America during and after the Cold War. Mendelson concludes with the post-1965 arrival of Chinese immigrants from Taiwan, Southeast Asia, and many regions of mainland China. As she shows, they have immeasurably enriched Chinese cooking in America but tend to form comparatively self-sufficient enclaves in which they, unlike their predecessors, are not dependent on cooking for a white clientele.

A Universal Archive William Kentridge, Rosalind E. Krauss, Roger Malbert, Kate McCrickerd. 2012 This unique and beautifully presented book includes almost one hundred prints in all media, from 1991 to the present, with a stress on experimental, collaborative and serial works. William Kentridge's distinctive use of light and shadow and silhouettes, his concern with memory and perspective, and his absorption in literary texts, are all strongly in evidence throughout this book, which provides new insights into the working methods of this prolific artist. Kentridge is internationally acclaimed for his drawings, films and theatre and opera productions. He is also an innovative and prolific printmaker; he started his career studying etching at the Johannesburg Art Foundation, and printmaking has remained central to his work ever since. Over the past 25 years, he has produced more than three hundred prints - etchings, engravings, aquatints, silkscreens, linocuts and lithographs - often experimenting with challenging formats and combinations of printing techniques to create highly-worked, intensely atmospheric imagery. Kentridge is producing 40 new prints for the accompanying exhibition some of which will be illustrated in this book. His prints range in scale from intimate etchings and drypoints to linocuts on rice paper and canvas measuring 2.5 metres high. Also featured is Portage (2000), an accordion-folded multi-panelled book, 4 metres long, with torn paper silhouetted figures dancing across unbound pages of the French encyclopedia Le Nouveau Larousse Illustré. The procession is one of Kentridge's great themes, ultimately a symbol of humanity's journey through life.

Below Stairs Margaret Powell. 2012-01-03 Brilliantly evoking the long-vanished world of masters and servants portrayed in Downton Abbey and Upstairs, Downstairs, Margaret Powell's classic memoir of her time in service, Below Stairs, is the remarkable true story of an indomitable woman who, though she served in the great houses of England, never stopped aiming high. Powell first arrived at the servants' entrance of one of those great houses in the 1920s. As a kitchen maid - the lowest of the low - she entered an entirely new world; one of stoves to be blacked, vegetables to be scrubbed, mistresses to be appeased, and bootlaces to be ironed. Work started at 5.30am and went on until after dark. It was a far cry from her childhood on the beaches of Hove, where money and food were scarce, but warmth and laughter never were. Yet from the gentleman with a penchant for stroking the housemaids' curlers, to raucous tea-dances with errand boys, to the heartbreaking story of Agnes the pregnant under-parlormaid, fired for being seduced by her mistress's nephew, Margaret's tales of her time in service are told with wit, warmth, and a sharp eye for the prejudices of her situation. Margaret Powell's true story of a life spent in service is a fascinating downstairs portrait of the glittering, long-gone worlds behind the closed doors of Downton Abbey and 165 Eaton Place.

Scents and Flavors .2020-03-03 Delectable recipes from the medieval Middle East This popular thirteenth-century Syrian cookbook is an ode to what its anonymous author calls the "greater part of the pleasure of this life," namely the consumption of food and drink, as well as the fragrances that garnish the meals and the diners who enjoy them. Organized like a meal, Scents and Flavors opens with appetizers and juices and proceeds through main courses, side dishes, and desserts. Apricot beverages, stuffed eggplant, pistachio chicken, coriander stew, melon crepes, and almond pudding are seasoned with nutmeg, rose, cloves, saffron, and the occasional rare ingredient such as ambergris to delight and surprise the banqueter.

Bookended by chapters on preparatory perfumes, incenses, medicinal oils, antiperspirant powders, and after-meal hand soaps, this comprehensive culinary journey is a feast for all the senses. With the exception of a few extant Babylonian and Roman texts, cookbooks did not appear on the world literary scene until Arabic speakers began compiling their recipe collections in the tenth century, peaking in popularity in the thirteenth century. Scents and Flavors quickly became a bestseller during this golden age of cookbooks and remains today a delectable read for cultural historians and epicures alike. An English-only edition.

Blood Lance Jeri Westerson.2015-09-29 Crispin Guest has solved many mysteries since losing his knighthood and becoming "The Tracker", an investigator for hire in fourteenth century London. Yet when he witnesses a body fall from London bridge into the frigid waters of the Thames, he finds himself in the middle of a dangerous and complicated puzzle. The deceased was an armorer whose death officials rule to be a suicide, but Guest immediately sees evidence of foul play. During his investigation he runs into Sir Thomas Saunfayl, an old acquaintance from his knighthood days, frantically searching for the armorer. It seems the dead man was bargaining with Sir Thomas for the Spear of Longinus, the weapon used to pierce the side of Christ on the Cross, which grants invincibility to its owner. After his friend Geoffrey Chaucer arrives in London, all too eager to help find the spear and conduct clandestine meetings with powerful figures, Guest soon finds himself trying to solve a conundrum of many parts, all centered around the same dangerous and potent holy relic. With the spear now missing and more murders occurring, Guest, together with his loyal apprentice Jack, must use his sharp wiles to find it and piece together the truth in a world of political intrigue, treachery, and murder. With evocative period detail and an unforgettable cast of characters, Blood Lance is the exhilarating fifth volume in the Crispin Guest medieval noir mystery series. It was one of the "Top 10 Hot Crime Novels" for Fall 2012 selection at Kirkus Reviews.

Contemporary Art Theory Igor Zabel,Igor Španjol.2012 Igor Zabel (1958-2005) was a Slovenian curator, writer, and cultural theorist. This important translation of his writings will enrich the international critical field through Zabel's extraordinary analytical and emphatic thinking and writing.As well as texts dealing with international issues, his writings can serve as a methodology model for research into Eastern European art practices, which often share common stand points and problems.The selected texts are divided into four chapters: East-West and Between (dialogue and perception of the Other in the context of the complex relations established after the fall of the Wall in 1989), Strategies and Spaces of Art (strategies of representation and theories of display, the role of the curator, and the new understanding of the white cube), Ad Personam (individual artists and art from Socialist Realism and conceptualism to postmodernism and contextual art, particularly in Slovenia and South-Eastern Europe), and Extras (selected columns on arts and culture).

Islands of Destiny John Prados.2013-10-01 The Battle of Midway is traditionally held as the point when Allied forces gained advantage over the Japanese. In Islands of Destiny, acclaimed historian and military intelligence expert John Prados points out that the Japanese forces quickly regained strength after Midway and continued their assault undaunted. Taking this surprising fact as the start of his inquiry, he began to investigate how and when the Pacific tide turned in the Allies' favor. Using archives of WWII intelligence reports from both sides, Prados offers up a compelling reassessment of the true turning in the Pacific: not Midway, but the fight for the Solomon Islands. Combat in the Solomons saw a series of surface naval battles, including one of the key battleship-versus-battleship actions of the war; two major carrier actions; daily air duels, including the aerial ambush in which perished the famous Japanese naval commander Admiral Yamamoto Isoroku; and many other hair-raising exploits. Commencing with the Allied invasion of Guadalcanal, Prados shows how and why the Allies beat Japan on the sea, in the air, and in the jungles.

Project Intelligence David Rechenhth.2013 Project Intelligence is the ability of the project team to reason, plan, solve problems, think abstractly, comprehend ideas, use language, learn, and to succeed.
