*Mister Seahorse* Eric Carle.2022-05-03 When Mrs. Seahorse lays her eggs, she does it on Mr. Seahorse's belly! She knows he will take good care of them. While he swims waiting for the eggs to hatch, he meets some other underwater fathers caring for their babies: Mr. Tilapia, who carries his babies in his mouth; Mr. Kurtus, who keeps his on his head; and Mr. Catfish, who is baby-sitting his young hatchlings. Eric Carle has done it again, with astonishingly beautiful collage illustrations and a story that introduces the very young to the wonders of aquatic life . . . and some very special daddies. A hide and seek feature with acetate overlays adds a colorful surprise.

### **Planning for Learning through the Sea** Rachel Sparks

Linfield.2012-08-06 Plan for six weeks of learning covering all six areas of learning and development of the EYFS through the topic of the sea. The Planning for Learning series is a series of topic books written around the Early Years Foundation Stage designed to make planning easy. This book takes you through six weeks of activities on the theme of the sea and oceans. Each activity is linked to a specific Early Learning Goal, and the book contains a skills overview so that practitioners can keep track of which areas of learning and development they are promoting. This book also includes a photocopiable page to give to parents with ideas for them to get involved with their children's topic, as well as ideas for bringing the six weeks of learning together. The weekly themes in this book include: what are sea and oceans; sand, shells and pebbles; boats and shops; sea creatures and plants and sea and beach safety.

Friends Eric Carle.2022-05-17 From the creator of the all-time classic VERY HUNGRY CATERPILLAR comes a sweetly resonant story about the power of friendship. When a best friend moves away, it can be painful for the child who is left behind. But the spunky boy in this upbeat story makes up his mind to find his missing playmate. Young readers will cheer on the boy as he braves currents, climbs mountains, and dashes through rain before, finally, reuniting with his friend. A story alive with love and perseverance, brightened with vibrant art and Eric Carle's trademark fostering of imagination. This deeply personal story for Eric is dedicated to his longtime wife, Bobbie, and it is their bond that inspired the book. For anyone who has ever scaled mountains to be with the one he loves, or for anyone who has simply known the love and joy of a great friendship, this book will strike a resonant chord. "This story of love and determination is illustrated with Carle's extraordinary signature artwork. For anyone who would cross rivers and scale mountains for a beloved friend, this warmhearted story will create an emotional response. Young readers will learn the value of friendship and its many challenges." —School Library Journal "Often dynamic and quite beautiful, these colorful illustrations of the river, the meadow,

This full-colour third edition has been further developed to act as a comprehensive source book of relevant materials, books and resources supporting the core ingredients of high-quality outdoor provision, while each chapter also includes extensive collections of children’s picture books relating to the themes within each chapter. *Playing and Learning Outdoors* has become the essential practical guide to excellence in outdoor provision and pedagogy for all early years services. This lively, inspiring and accessible book will help every educator to develop truly successful and satisfying approach to learning through play outdoors for every child.

*The Nonsense Show* Eric Carle.2022-06-07 A TIME Magazine Top 10 Children's Book of 2015! Ducks growing out of bananas? A mouse catching a cat? What’s wrong with this book from the creator of *The Very Hungry Caterpillar*? Yes, there’s something strange, something funny and even downright preposterous on every page of this book. But it’s not a mistake – it’s nonsense! And it’s also surrealism. Nonsense lies at the heart of many beloved nursery rhymes. Children readily accept odd statements like “the

cow jumped over the moon” and “the dish ran away with the spoon.” This fanciful bending of reality is also basic to surrealism. In this book, nonsense and surrealism combine to spark creativity and imagination. What’s true? What’s impossible? What’s absolutely absurd? From Eric Carle, creator of the classic, *The Very Hungry Caterpillar*, comes a book to make children laugh and think, preparing them for a lifetime of loving both words and art. Following on the heels of *The Artist Who Painted a Blue Horse* (an homage to the artist Franz Marc and expressionism) and *Friends*, with its semi-abstract artwork, *The Nonsense Show* forms a trilogy of sorts, dedicated to introducing young readers to different styles of artwork without ever overlooking the need to, first and foremost, appeal to children and their love of play. One of the true legends and pioneers of picture book making continues to expand and challenge the genre. Praise for *The Nonsense Show* \* Carle creates fun and laughter in this homage to the surrealist artist René Magritte. [P]erfect for storytimes and silly times all round. Carle hits it out of the nonsense park!-Booklist, starred review \* A sure hit as a read-aloud and a definite purchase for picture book collections.-School Library Journal, starred review \* A picture book made to incite pleasure and joy.-Kirkus Reviews, starred review \* [The Nonsense Show], with its cleanly designed white pages, makes the unexpected elements of the imagery stand out and prompts questions and wonder.-Horn Book, starred review

Reparenting the Child Who Hurts Christine Gordon, Caroline Archer. 2012-12-15 Finally, a parenting book which demystifies the latest thinking on neurobiology, physiology and trauma and explains what the research means for the everyday life of parents of children who hurt. As experts on adoption and fostering who are adoptive parents themselves, Caroline Archer and Christine Gordon explain how this knowledge can help parents to better understand and care for their child. They explain why conventional parenting techniques are often not helpful for the

child who has experienced early trauma and explore why therapeutic reparenting is the only way to help repair the unhealthy neurobiological and behavioural patterns which affect the child's development. They do not shy away from how difficult reparenting is, acknowledging how hard it can be to recognise our own fallibility as parents and to change our own parenting patterns. The authors also offer hard-won advice on a range of common parenting flashpoints - from defusing arguments and aggression to negotiating bedtimes and breaks in routine, and making sure that special occasions are remembered for all the right reasons. *Reparenting the Child Who Hurts* is a humane, no-nonsense survival guide for any parent caring for a child with developmental trauma or attachment difficulties, and will also provide information and insights for social workers, teachers, counsellors and other professionals involved in supporting adoptive and foster families.

AvaxHome is a pretty simple site that provides access to tons of free eBooks online under different categories. It is believed to be one of the major non-torrent file sharing sites that features an eBooks&eLearning section among many other categories. It features a massive database of free eBooks collated from across the world. Since there are thousands of pages, you need to be very well versed with the site to get the exact content you are looking for. So, look no further as here we have

a selection of best websites to download free eBooks for all those book avid readers. You can literally eat, drink and sleep with eBooks if you visit the Project Gutenberg website. This site features a massive library hosting over 50,000 free eBooks in ePu, HTML, Kindle and other simple text formats. What's interesting is that this site is built to facilitate creation and sharing of e-books online for free, so there is no registration required and no fees. When you click on My Google eBooks, you'll see all the books in your virtual library, both purchased and free. You can also get this information by using the My library link from the Google Books homepage. The simplified My Google eBooks view is also what you'll see when using the Google Books app on Android. Browse the free eBooks by authors, titles, or languages and then download the book as a Kindle file (.azw) or another file type if you prefer. You can also find ManyBooks' free eBooks from the genres page or
